Alcestis Barcinonensis Text And Commentary:

Alcestis Barcinonensis Miroslav Marcovich, 1988-12-01 Preliminary Material Miroslav Marcovich Introduction Miroslav Marcovich Text and Translation Miroslav Marcovich Commentary Miroslav Marcovich Summary Miroslav Marcovich The Date of the Poem Miroslav Marcovich Index verborum Miroslav Marcovich Index of scribal errors Miroslav Marcovich Index of verse end corruptions Miroslav Marcovich Index of verse end borrowings Miroslav Marcovich The Emergence of Multiple-Text Manuscripts Alessandro Bausi, Michael Friedrich, Marilena Maniaci, 2019-12-02 The universal practice of selecting and excerpting summarizing and canonizing arranging and organizing texts and visual signs either in carefully dedicated types of manuscripts or not is common to all manuscript cultures Determined by intellectual or practical needs this process is never neutral in itself The resulting proximity and juxtaposition of previously distant contents challenge previous knowledge and trigger further developments With a vast selection of highly representative case studies from India Islamic Asia and Spain to Ethiopian cultures from Ancient Christian to Coptic and Medieval European domains this volume deals with manuscripts planned or growing and resulting in time to comprise more than one Whatever their contents the natural world and related recipes astronomical tables or personal notes documentary religious and even highly revered holy texts codicological and textual features of these manuscripts reveal how similar needs received different answers in varying A Commentary on the Letters of M. Cornelius Fronto Hout, 2018-07-17 This is the first commentary on contexts and times the letters of Marcus Cornelius Fronto c 90 95 c 167 It aims at an extensive grammatical stylistic and historical interpretation of the letters and the ancient testimonies on Fronto The author demonstrates where Fronto stands in Latin literature hence the numerous quotations of parallel similar and dissentient passages from Fronto and other writers The letters are written in a pure simple style with a great deal of colloquialisms and many a post classical turn of phrase The many archaisms show how Fronto as a philologist had a comprehensive knowledge of pre Cicero Latin This commentary based on the Teubner edition by the author Leipzig 1988 offers a thorough explanation of Fronto's style and language e g of his archaisms and colloquialisms identification of the persons mentioned and the chronology of the letters Seven elaborate A Commentary on Apollonius Rhodius Argonautica III, 1-471 Malcolm indices complete this book Campbell, 2018-07-17 This is a commentary on the third book of Apollonius Argonautica one of the most influential and admired products of the Hellenistic era The author sets out to deal comprehensively with all important aspects of the work in particular proper attention is paid for the first time to the poet s constant manipulation of the two Homeric epics many thorny problems of text and interpretation are examined afresh and a wealth of hitherto unadduced illustrative material drawn from Greek and Roman poetry of various genres and periods is used to shed light on a number of issues The volume closes with a series of detailed digestive indexes dealing with diction models and imitations language and style metre transmission mythology religion geography ethnography and aetiology **Annaeana Tragica** John Fitch, 2017-08-28 This

volume is a companion to the author's new Loeb edition of Seneca's tragedies vol 1 2002 vol 2 2004 It offers reasons for his editorial choices and explains his interpretations of the text as reflected in his translation Hercules Oetanus and Octavia now generally regarded as imitations of Senecan drama are both included The volume is intended to be read alongside Otto Zwierlein's Kritische Kommentar published in 1986 In the intervening years there has been much new work pertaining to Seneca s text including full scale editions with commentary on individual plays such as Keulen's Troades T chterle's Oedipus and Ferri's Octavia Annaeana Tragica seeks to supplement and advance Zwierlein's work in the light of this new material An appendix reviews the scholarly controversy concerning the anapaestic odes of these plays and offers fresh evidence relevant The League of the Aitolians John D. Grainger, 2018-07-17 The Aitolians have had a bad press regarded as pirates and brigands and their state as a pirate state built on terrorist tactics. This book treats them as what they really were a normal Hellenistic state They constructed an original and successful polity which provided peace and prosperity for its inhabitants and played a major part in Greek history for a century and a half The approach is chronological beginning with the origin and formation of the league and its early expansion and then dealing with its long duel with Macedon and concluding with its destruction by Rome This is the first full account of the history of the league which approaches it as an independent state rather than as the enemy of other states and peoples It complements the standard histories of the other The Poetics of Aristotle and the Tractatus Coislinianus O.J. Schrier, 2018-07-17 The bibliography of Hellenistic states Aristotle's Poetics by Cooper and Gudeman most welcome in 1928 has now become antiquated even for the period it covers The present one registers all editions translations commentaries and studies bearing on the Poetics or the major concepts that have been associated with it correctly or incorrectly from 1481 up till 1996 Moreover a survey is given of the medieval translations and commentaries written in the Orient and in Europe Special attention has been given to the reviews The oldest one registered dates from 1697 The second book of the Poetics being lost publications related to the Tractatus Coislinianus which partly rests on Poetics II have been included There are seven indices Especially those on passages and subjects should prove to be useful instruments In the author's text Greek nouns and adjectives have been transliterated Valerius Flaccus. Argonautica, Book VI Henri J.W. Wijsman, 2017-09-18 In spite of an increased interest over the last ten years in the 1st century AD Roman poet Valerius Flaccus involving the production of several commentaries part of his work Argonautica was still lacking a modern commentary This book gives a full philological and literary commentary of the turbulent book VI of the Argonautica The Silver Latin author's peculiar phraseology and choice of words is highlighted Where possible the poem is interpreted in the context of the other Silver Latin epic poets Lucian's Science Fiction Novel True Histories: Interpretation and Commentary Georgiadou, Larmour, 2018-07-17 This is the first substantial commentary on Lucian s Verae Historiae True Histories a fantastic journey narrative considered the earliest surviving example of Science Fiction in the Western tradition The Introduction situates the work in the context of Lucian's oeuvre especially his preoccupation with

distinguishing truth from fiction and exposing the lies of philosophers In their commentary the editors trace the sources and the meaning of the numerous intertextual allusions and parodies of philosophers poets historians and paradoxographers The Verae Historiae emerges from this scrutiny as a remarkably complex text with some very modern concerns it problematizes the act of reading allegorical interpretation authorial reliability and the validity of cultural norms and literary genres

Euripidea Kovacs, 2018-07-17 Euripidea contains material to supplement Volume One of the author's Loeb Euripides It consists of two parts Testimonia Vitae et Artis Selecta and Textual Discussions The Testimonia ancient notices about the life of Euripides and his career as a tragic poet are printed together for the first time together with a facing English translation The Loeb Introduction examines this material critically Equipped with this body of evidence students of Greek tragedy and of ancient biography will be able to assess for themselves the reliability of the biographical tradition in which the author argues too much confidence has been placed by interpreters of the plays The Textual Discussions explain places in the plays of Volume One Cyclops Alcestis and Medea where the text adopted by the editor calls for comment **Ships and Sea-Power Before the Great Persian War** H. T. Wallinga, 1993-01-01 This book presents a new theory about the developments in shipping and naval organization that culminated in the invention around 530 BC in the eastern Mediterranean of the trireme and the subsequent adoption of this first specialized warship of antiquity by all the naval powers of the time New interpretations are proposed of Greek and Assyrian iconographic data and of hitherto ignored evidence in Herodotos and Thukydides the non military factors determining developments are emphasized Thukydides fundamental essay on the genesis of Greek sea powers is studied in depth the rarity of these sea powers stressed and the peculiar background of the naval power of Phokaia and the Samian tyrant Polykrates exposed The problem of the trireme s place of origin the factors determining its invention probably in Saite Egypt and its immediate adoption by the Persian king Kambyses are discussed The first naval operations of the Persians are surveyed reasons and circumstances of the trireme s introduction into the navies of the Greek city states analysed with special attention for Themistokles navy bill The book offers ancient historians and classical philologists a radically new approach to archaic maritime and naval history It will also be useful to nautical archaeologists The Language of the Freedmen in Petronius' Cena Trimalchionis B. Boyce, 2018-07-17 Realistic representation of the speech of the lower classes in ancient literature is largely confined to the comic genres and Petronius realism in this area is more thorough going than that of any other ancient author A vast scholarly literature has grown up around the question of how faithfully the speeches of Petronius freedmen reflect characteristics of actual popular speech this literature is reviewed and evaluated A survey of the phonological morphological lexical and syntactic peculiarities in these speeches is then undertaken in which they are compared with other vulgar Latin sources such as the Pompeian inscriptions Petronius is in fact one of our most important early sources for the study of popular Latin The way in which Petronius used specific varieties of non standard Latin to characterize different freedmen speakers is explored Petronius has subtly

modulated his freedmen s speeches to reflect differing emotional states and the different attitudes of the speakers toward their social position. The present study is the first comprehensive treatment of the subject undertaken in over forty years in Two Greek Rhetorical Treatises from the Roman Empire Mervin Dilts, George any language and the only one in English Kennedy, 2018-07-17 A revised Greek Text the first in a century and English translation the first in any modern language of the Art of Political Speech by a writer known as the Anonymous Sequerianus ca A D 200 and the Art of Rhetoric of Apsines of Gadara ca A D 230 with introduction notes and indices These works provide evidence of how rhetoric was taught in Greek in the early centuries of the Roman Empire and show the continued development of an Aristotelian tradition before acceptance of the reorganization of the subject by Hermogenes They complement each other in that the Anonymous was especially interested in debates about rhetorical theory while Apsines primary interest was in analysis of speeches of Demosthenes and other orators and in teaching declamation Paralysin Cave John M. McMahon, 2018-07-17 This volume explores the literary representation of male sexual dysfunction and discusses the natural and supernatural elements of an ancient folk medical system based on conceptual associations between male sexuality and specific plants animals and minerals The work incorporates material from both literary and scientific sources to draw parallels between ancient and modern paradigms of healing The literary depiction of attempts to remedy impotence demonstrates how an accessibility to cures contributes to the sexual and social reintegration of the sufferer The Satyrica of Petronius echoes this process by means of the text itself and so effects similar ends The book provides new insights into literature and the ancient belief systems underlying it with its original and integrative approach to disciplines such as philology botany mineralogy zoology and medicine the Lover Maurizio Bettini, 2023-12-22 There are a surprising number of stories from antiquity about people who fall in love with statues or paintings and about lovers who use such visual representations as substitutes for an absent beloved In a charmingly conversational witty meditation on this literary theme Maurizio Bettini moves into a wide ranging consideration of the relationship between self and image the nature of love in the ancient world the role of representation in culture and more Drawing on historical events and cultural practices as well as literary works The Portrait of the Lover is a lucid excursion into the anthropology of the image The majority of the stories and poems Bettini examines come from Greek and Roman classical antiquity but he reaches as far as Petrarch Da Ponte and Poe The stories themselves ranging from the impassioned to the bizarre and from the sublime to the hilarious serve as touchstones for Bettini's evocative explorations of the role of representation in literature and in culture Although he begins with a consideration of lovers portraits Bettini soon broadens his concerns to include the role of shadows dreams commemorative statues statues brought to life and vengeful statues in short an entire range of images that take on a life of their own The chapters shift skillfully from one theme to another touching on the nature of desire loss memory and death Bettini brings to the discussion of these tales not only a broad learning about cultures but also a delighted sense of wonder and admiration for the evocative power and endless

variety of the stories themselves There are a surprising number of stories from antiquity about people who fall in love with statues or paintings and about lovers who use such visual representations as substitutes for an absent beloved In a charmingly conversational witty meditation on **Oral Performance and Its Context** Chris Mackie, 2017-07-31 This volume is concerned with aspects of orality and literacy in the ancient world It arises from the tremendous contemporary interest among scholars in questions of how literacy and orality co exist and interact in the ancient world The contents of the book are refereed papers originally presented at the fifth biennial Orality and Literacy in ancient Greece held at The University of Melbourne in 2002 Papers are offered by scholars from Britain the USA Canada and Australia which deal with a range of periods and genres in antiquity from Homer through to Roman literature The book will be of great interest to students and scholars of the ancient world Methods in the Mediterranean David Small, 2018-07-17 This collection of essays treats the fundamental issue of the correlation of archaeology and texts in recreating the ancient Mediterranean world Contributions from Classical and Near Eastern archaeologists and historians address specific points of correlation and their potential for future productive research in the Mediterranean After an introduction to the issue of texts and archaeology the essays treat concepts such as site as text artifactual contingency of meaning correlating survey with documents contextual independence of evidence textual bases for archaeological approaches and correlating faunal evidence with texts This book will be of important use to archaeologists and historians of the Mediterranean and scholars of archaeological research in historical archaeology in general Ritual Matters Claudia Moser, Jennifer Knust, 2017-11-14 An international cross disciplinary investigation of ancient religious practices and their material remains yields fresh insights and poses new A Seleukid Prosopography and Gazetteer John D. Grainger, 2024-03-25 The Seleukid kingdom was one of the questions greatest states of the ancient world stretching from Greece to India it is also one of the least known This reference work lists all the people whose names are known who lived in that kingdom classifying them into rulers officials and subjects and in each case noting their activity In addition all the foreigners whose lives affected the Seleukid state are listed The Gazetteer lists the places which were included in the kingdom classified as regions including provinces and peoples or settlements whether cities or villages with a description of their place in its history. In addition the institutions of the kingdom the social and political glue which made it work are noted and briefly described The Ancient Novel and Beyond Stelios Panayotakis, Maaike Zimmerman, Wytse Keulen, 2017-07-31 This volume comprises the revised versions of selected papers read at the International Conference on the Ancient Novel Groningen July 2000 The papers cover a wide range of scholarly issues that were prominent in the programme of the conference and feature the most recent approaches to research on the ancient novel The essays combine judicious use of literary theory with traditional scholarship and examine the ancient novels and related texts such as Oriental tales and Christian narrative both in their larger literary cultural and social context and as sources of inspiration for Byzantine and modern fiction This book is important not only for classicists and literary historians

but also for a general public of those interested in narrative fiction

Alcestis Barcinonensis Text And Commentary Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Alcestis Barcinonensis Text And Commentary free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Alcestis Barcinonensis Text And Commentary free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Alcestis Barcinonensis Text And Commentary free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Alcestis Barcinonensis Text And Commentary. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Alcestis Barcinonensis Text And Commentary any PDF files. With these platforms, the world of PDF downloads is just a click away.
