perfect solution by pulling together every fascinating strand to tell the story of a group with the imagination of the Beatles the pop craft of ABBA the drama of Fleetwood Mac and the emotional heft of the Beach Boys Uniquely the Bee Gees's tale spans the entire modern pop era they are the only group to have scored British top ten singles in the 60s 70s 80s and 90s and includes world conquering disco successes like Stayin' Alive and More Than a Woman both from the soundtrack of the hit film Saturday Night Fever But the Bee Gees's extraordinary career was one of highs and lows From a vicious but temporary split in 1969 to several unreleased albums disastrous TV and film appearances and a demoralising cabaret season the group weren't always revelling in the glow of million selling albums private jets and UNICEF concerts Yet even in the Gibbs' darkest times their music was rarely out of the charts as sung by the likes of Al Green Kenny Rogers and Dolly Parton and Destiny's Child Capturing the human story at the heart of the Bee Gees this book is a lyrical and stylish read delighting hardcore fans with its details while engaging casual pop readers who simply want to know more about this important and enigmatic group
