Brain Death:

Brain Death SR,2017-03-29 The story has been sculptured at the backdrop of scenic beauty in a typical Indian village with overwhelming farming community It develops current reluctance of people to transform into the nuances of the modern world naturally embedded in the story A twist to highlight the impoverished views of the society on casteism and agony faced by a girl and her parents during the marriage had been picturized This then graduates to the evils of female feticide and unethical medical practices Further it develops into the male chauvinism in administration of religious places The misinformation about Down syndrome is brought out and that of lack of attention given by parents and father on a challenged female child is painted Illegal methods to terminate pregnancy have also been injected without confusion Thereafter lack of attention given to school buses and poor state of affairs in that sector is brought out and simulated into an accident This is then graduated to give an insight in emergency evacuation and treatment Finally the subject of brain death and organ transplantation has been brought in

Handbook of Death and Dying Clifton D. Bryant,2003-10 Dying is a social as well as physiological phenomenon Each society characterizes and consequently treats death and dying in its own individual ways ways that differ markedly These particular patterns of death and dying engender modal cultural responses and such institutionalized behavior has familiar economical educational religious and political implications The Handbook of Death and Dying takes stock of the vast literature in the field of thanatology arranging and synthesizing what has been an unwieldy body of knowledge into a concise yet comprehensive reference work This two volume handbook will provide direction and momentum to the study of death related behavior for many years to come Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine Mortuary Science Philosophy Psychology Social work Sociology Theology A distinguished editorial board of leading scholars and researchers in the field More than 100 definitive essays covering almost every dimension of death related behavior Comprehensive and inclusive exploring concepts and social patterns within the larger topical concern Journal article length essays that address topics with appropriate detail Multidisciplinary and cross cultural coverage
