Through the Dark Forest Carolyn Conger,2013-12-31 It s never too late to transform your life A practical and deeply healing guide to becoming whole

and finding peace during the most difficult time of life When we are confronted with the end of life we must tackle medical decisions attend to family and legal matters and grapple with overwhelming questions such as How do I manage each day knowing that death is near What has life up until now meant What should I do with the time that remains Carolyn Conger PhD has spent thirty years working with people who are imminently facing death Drawing on her research and experience Conger shows how we can use active imagination self hypnosis energy medicine and dreamwork to begin the soul work that can both prepare us for death and enrich our lives Profound and paradigm shifting Through the Dark Forest can help us all transform our lives no matter how long we have to live **Morphic Fields Made Simple** Michael Ambazac, Robert Mason, 2013-07-01 Imagine you had a magic red button that when pressed could make all your dreams and desires come true You want someone to fall in love with you Click the button and it happens You want more money or a new car Click the button and it s yours You want to change job Give up smoking Lose weight Click click click Like the genie in the bottle the magic button provides every time Of course there s no such thing as a magic red button But you can make your dreams and desires come true more easily than you ever thought possible How By harnessing the power of morphic fields Morphic fields are an exciting new branch of scientific research These subatomic energy patterns connect everything on the planet together including you me and anything that you might desire And because you re already connected to everything through morphic fields you can use them to obtain whatever it is you want They are the closest thing to a magic red button It sounds almost too good to be true but in reality people have been using morphic fields for centuries they just didn t know it The law of attraction the tarot cosmic ordering or just plain old NLP and positive thinking are all ways of using morphic field energy to manifest our desires They all work to a degree but they re not very efficient because they were all created in ignorance of the science that makes them possible Now with the benefit of the latest research including thousands of our own test subjects we can share with you a simple no nonsense method for tapping the power of morphic fields directly We ll show you a step by step processes you can use for common goals and how you can adapt these recipes to get about anything else you could ever want With the technique we share in this book you ll be able to Make almost anyone fall deeply and genuinely in love with you even an ex Attract money and wealth into your life Get the job you want Easily beat any addiction Smoking drinking gambling and anything else you want to quit Lose weight and get fit without having to worry about difficult diets Boost your self confidence Make new friends easily Improve your memory and learn new skills effortlessly If you re tired of self improvement systems that promise the earth but deliver little or nothing then morphic fields will be a revelation to you You don t need any special skills or tools to use the processes you will learn because you already have everything you need We ll show you how to use your very own brainwaves to manipulate and control morphic field energy With the exercises and techniques we ve developed over the last ten years you ll be raring to go in no time **The Healing Power of Meditation (EasyRead Large Bold Edition)** , The Healing Power of Meditation (EasyRead Super Large 18pt Edition) ,

Neurotherapy and Neurofeedback Theodore J. Chapin, Lori A. Russell-Chapin, 2013-12-04 The fields of neurobiology and neuropsychology are growing rapidly and neuroscientists now understand that the human brain has the capability to adapt and develop new living neurons by engaging new tasks and challenges throughout our lives essentially allowing the brain to rewire itself In Neurotherapy and Neurofeedback accomplished clinicians and scholars Lori Russell Chapin and Ted Chapin illustrate the importance of these advances and introduce counselors to the growing body of research demonstrating that the brain can be taught to self regulate and become more efficient through neurofeedback NF a type of biofeedback for the brain Students and clinicians will come away from this book with a strong sense of how brain dysregulation occurs and what kinds of interventions clinicians can use when counseling and medication prove insufficient for treating behavioral and psychological symptoms

Follow Your Passion, Find Your Power Bob Doyle, 2025-09-12 Wondering how to make the Law of Attraction work in your life With the publication of The Secret the Law of Attraction has become a worldwide phenomenon Yet many people are still not getting the results they want and have been left disappointed and confused Now motivational coach Bob Doyle one of the teachers featured in the film version of The Secret dispels the misconceptions and myths about the Law of Attraction and offers a practical easy to use program for creating abundance and happiness Doyle addresses head on the objections questions and comments that many still have about creating abundance to get the things they want in life Follow Your Passion Find Your Power is a down to earth no hype motivational approach to take control of your life and get the things you want Doyle makes it clear that the Law is not a personal development tool you can use the right way or the wrong way it s a profound statement of how energy works in the universe It has to do with paying attention recognizing where you are and aggressively striving for what you want It is all about passion vision and purpose Get clear on your vision for your life and follow a step by step plan to live your life by design
