Balbino, 2023-06-16 *Digital Memory in Brazil* draws on the results of three case studies to determine the strategies and practices applied by the Brazilian far right government of Bolsonaro 2019 2023 to construct a negationist digital memory of the Brazilian dictatorship **Monthly Catalog of United States Government Publications**, 1994-04 *NEW STUDIES ON CIVIL-MILITARY RELATIONS AND DEFENSE POLICY IN BRAZIL ED.1* Octavio Amorim Neto, 2023-01-04 After one of the longest military regimes in Latin America's history Brazil transitioned to democracy in 1985 It was inevitable that from then on the political power of the military would decline However the extent to which the country's armed forces would eschew politics was never clear given the vast role it had always played in domestic affairs since the onset of the republic in 1889

The Publishers Weekly, 1896 *Two Thousand Years Ago* Francisco Cândido Xavier, Darrel Kimble, Ily Reis, Emmanuel, 2011 On the banks of Lake Gennesaret Publius Lentulus Emmanuel has an encounter with Christ Publius has gone to beseech Jesus to heal his little daughter Flavia who has contracted leprosy Moved and magnetized by emotions he has never felt before he hears the Master tell him It would have been better if you had come publicly and in broad daylight in order to learn once and for all the sublime lesson of faith and humility After many years of deviation from the path of the good due to your blatant wrongs today you have come to the turning point for the regeneration of your entire life It is up to you however to take advantage of it either now or a few millennia from now But no one can impose an act that is against your conscience if it is your desire to spurn this blessed moment indefinitely He perceives that Jesus is praying That very night his daughter begins to improve noticeably until she is completely well What are the consequences of this encounter with the Divine Master Flavia is healed Livia Publius's wife a patrician woman converts to Christianity Publius returns to his political affairs but refuses to believe that Jesus was the author of his daughter's recovery Emmanuel narrates this personal experience with the richness of detail that characterizes all his books so that we can ponder the precious moments that we are offered throughout our lives moments that are often wasted thereby retarding our progress and evolution **And life goes on...** Francisco C. Xavier, 2011 In a moving narrative Andre Luiz tells us the story of two gravely ill people who meet each other on the patio of a rest home Many years later they met again but this time in a hospital in the spirit world They discover that life goes on after death and that the bonds between them are much stronger than they could have imagined This work subtly teaches us not to fear death for life goes on and on *Routledge International Handbook of Qualitative*
