AJ's Promise Karla C. Erickson,1992 Secret Promises Jane Anthony,2022-03-18 Falling for Jillian Morello was easy Not being able to act on it Not so much My best friend s little sister is more than a mouth full of sass and a body made for sin She s forbidden Completely off limits Do not pass go do not collect 200 AJ would have my ass if I ever laid a finger on his sister and up until now I ve kept my distance But when I find myself working beside them both at their family s garage steering clear of the buxom brunette proves to be harder than I thought Now Jillian and I dance around this unspoken desire as I burn with need for a chick who s untouchable A girl who wants me just as badly as I want her I am so screwed

Pragmatic Competence Naoko Taguchi,2009-09-04 In the disciplines of applied linguistics and second language acquisition SLA the study of pragmatic competence has been driven by several fundamental questions What does it mean to become pragmatically competent in a second language L2 How can we examine pragmatic competence to make inference of its development among L2 learners In what ways do research findings inform teaching and assessment of pragmatic competence This book explores these key issues in Japanese as a second foreign language The book has three sections The first section offers a general overview and historical sketch of the study of Japanese pragmatics and its influence on Japanese pedagogy and curriculum The overview chapter is followed by eight empirical findings each dealing with phenomena that are significant in Japanese pragmatics They target selected features of Japanese pragmatics and investigate the learners use of them as an indicator of their pragmatic competence The target pragmatic features are wide ranging among them honorifics speech style sentence final particles speech acts of various types and indirect expressions Each study explicitly prompts the connection between pragmalinguistics linguistic forms available to perform language functions and sociopragmatics norms that determine appropriate use of the forms in Japanese By documenting the understanding and use of them among learners of Japanese spanning multiple levels and time durations this book offers insight about the nature and development of pragmatic competence as well as implications for the learning and teaching of Japanese pragmatics The last section presents a critical reflection on the eight empirical papers and prompts a discussion of the practice of Japanese pragmatics research

A. J. Tomlinson R. G. Robins,2004-10-28 A J Tomlinson 1865 1943 ranks among the leading figures of the early Pentecostal movement and like so many of his cohorts he was as complex as he was colorful Arriving in Appalachia as a home missionary determined to uplift and evangelize poor mountain whites he stayed to become the co founder and chief architect of the Church of God Cleveland TN and the Church of God of Prophecy which together with their minor offspring now constitute the third largest denominational family within American Pentecostalism R G Robins s biography recreates the world in which Tomlinson operated and through his story offers a new understanding of the origins of the Pentecostal movement Scholars have tended to view Pentecostalism as merely one among many anti modernist movements of the early twentieth century Robins argues that this is a misreading of the movement s origins the result of projecting the modernist fundamentalist controversy of the 1920s back onto the earlier religious landscape Seeking to return the story of Pentecostalism to its proper historical context Robins suggests that Pentecostalism should rightly be seen as an outgrowth of the radical holiness movement of the late nineteenth century He argues that far from being anti modern Pentecostals tended to embrace modernity Pentecostal modernism however was a working class or plainfolk phenomenon and it is the plainfolk character of the movement that has led so many scholars to mislabel it as anti modern or fundamentalist Through the compelling narrative of Tomlinson s life story Robins sheds new light on late nineteenth and early twentieth century American religion and provides a more refined lens through which to view the religious dynamics of our own day v **AJ's Serendipity** Savannah J.
