Chapter 9

"I am one of many Alaskans who has no health insurance. I have a partner who is in private business who cannot afford health insurance. I am unemployed and have been without insurance for two years. My two children are without insurance also. We all have medical conditions which should be treated, but we cannot afford to go to the doctor. Our lives are challenged often by this fact. A major or emergency illness would be catastrophic to us".

Alaska Public Policy Issues Clive S. Thomas,1999 **Alaska Politics and Public Policy** Clive S. Thomas,Laura Savatgy,Kristina Klimovich,2016-09-15 Politics in Alaska have changed significantly since the last major book on the subject was published more than twenty years ago with the rise and fall of Sarah Palin and the rise and fall of oil prices being but two of the many developments to alter the political landscape This book the most comprehensive on the subject to date focuses on the question of how beliefs institutions personalities and power interact to shape Alaska politics and public policy Drawing on these interactions the contributors explain how and why certain issues get dealt with successfully and others unsuccessfully and why some issues are taken up quickly while others are not addressed at all This comprehensive guide to the political climate of Alaska will be essential to anyone studying the politics of America s largest and in some ways most unusual state Political Encyclopedia of U.S. States and Regions Donald P. Haider-Markel,Michael A. Card,2009 Providing expert analysis of government and politics in all 50 states and the U S territories this innovative two volume reference fills the critical need for information and analysis of the roles and functions of state government through accessible state by state and regional overviews of government and politics The Lies of Sarah Palin Geoffrey Dunn,2025-09-23 In The Lies of Sarah Palin Geoffrey Dunn provides the first full scale and in depth political biography of the controversial Republican vice presidential candidate and former governor of Alaska Based on more than two hundred interviews many of them with Republican colleagues and one time political allies of Palin s and more than forty thousand pages of uncovered documents Dunn chronicles Palin s troubling penchant for duplicity in grim detail from her dysfunctional childhood in Wasilla through her contentious run for mayor and her failed governorship of Alaska He also provides the shocking inside story of her betrayal of running mate John McCain during the 2008 presidential campaign and her self serving resignation as governor in July of the following year Dunn deftly places Palin in the American tradition of right wing demagogues from Huey Long to Joe McCarthy and details her troubling obsession with Barack Obama as it fuels her own political ambitions and a potential run for the presidency in 2012 The Lies of Sarah Palin is a journalistic tour de force that vividly reveals the Queen of the Tea Party movement as a vengeful and manipulative empress without clothes This is the definitive book on Sarah Palin

Being and Place among the Tlingit Thomas F. Thornton, 2011-07-01 In Being and Place among the Tlingit anthropologist Thomas F Thornton examines the concept of place in the language social structure economy and ritual of southeast Alaska's Tlingit Indians Place signifies not only a specific geographical location but also reveals the ways in which individuals and social groups define themselves The notion of place consists of three dimensions space time and experience which are culturally and environmentally structured Thornton

examines each in detail to show how individual and collective Tlingit notions of place being and identity are formed As he observes despite cultural and environmental changes over time particularly in the post contact era since the late eighteenth century Tlingits continue to bind themselves and their culture to places and landscapes in distinctive ways He offers insight into how Tlingits in particular and humans in general conceptualize their relationship to the lands they inhabit arguing for a study of place that considers all aspects of human interaction with landscape In Tlingit it is difficult even to introduce oneself without referencing places in Lingit Aani Tlingit Country Geographic references are embedded in personal names clan names house names and most obviously in k waan names which define regions of dwelling To say one is Sheet ka K waan defines one as a member of the Tlingit community that inhabits Sheet ka Sitka Being and Place among the Tlingit makes a substantive contribution to the literature on the Tlingit the Northwest Coast cultural area Native American and indigenous studies and to the growing social scientific and humanistic literature on space place and landscape
