Brooklyn Ballerina:

Brooklyn Ballerina Zelda Benjamin, 2001 When prima ballerina Rebecca Carr returns to her old Brooklyn neighborhood she finds her former dance instructor in serious financial trouble Rebecca will do whatever is necessary to help save her old school Even if it means accepting help from a man who doesn't know a toe shoe from a tutu Jake Fleichman has the street smarts and financial savvy to rescue Miss Lilliana's school from the brink of ruin He first meets the beautiful ballerina when he helps his grandmother out at her bakery and takes her order To Rebecca's surprise Jake is actually a famous New York chef and the slim ballerina is soon swept up into the glamorous world of fine cuisine while helping him plan a fundraiser banquet Thrown into Jake's world of zany sous chefs nosy relatives and a group of well meaning Brooklyn matchmakers Rebecca learns there is life outside the ballet and that falling isn't so bad when you're in love **Boston Ballerina** Laura

Young, Janine Parker, 2018 A candid and thoughtful consideration of a life in dance *Tomboy Ballerina* Roni Mahler, Caroline O'Connor, 2025-04-01 Roni Mahler spent her formative years in a ballet studio under the tutelage of Madame Maria Yurieva Swoboda and at Yankee Stadium where she cheered for her idol Mickey Mantle At age 18 Mahler joined the corps de ballet of the renowned Ballet Russe de Monte Carlo and later became Principal Dancer at the National Ballet of Washington D C under the guidance of NYCB founder George Balanchine In 1969 she returned to New York City as a soloist with American Ballet Theatre in principal roles like the high flying Queen of the Wilis in Giselle Known for her singular approach to cross training while teaching ballet to football players Mahler has taught around the world and as the Artistic Associate of Cleveland Ballet Ballet San Jose dedicated over three decades to teaching coaching and performing Written in collaboration with her ballet disciple and friend this intimate account details her journey from the ballet stage and the baseball diamond to the gridiron and beyond **Getting Started in Ballet** Anna Paskevskaya, 2016 In *Getting Started in Ballet* A Parent's Guide to Dance Education authors Anna Paskevskaya and Maureen Janson comprehensively present the realities that parents can anticipate during their child's training and/or career in ballet It can be daunting and confusing when parents discover their child's desire to dance Parental guidance and education about dance study typically comes from trial by fire This book expertly guides the parental decision making process by weaving practical advice together with useful information about dance history and the author's own memoir From selecting a teacher in the early stages to supporting a child through his or her choice to dance professionally parents of prospective dancers are lead through a series of considerations and encouraged to think carefully and to make wise decisions Written primarily as a guide book for parents it is just as useful for teachers and this exemplary document would do well to have a place on the bookshelf in every dance studio waiting room Not only can dance parents learn from this informative text but dance teachers can be nudged toward a greater understanding and anticipation of parents' needs and questions *Getting Started in Ballet* fills a gap conveniently under one cover welcoming parents to regard every aspect of their child's possible future in dance Without this book there

would be little documentation of the parenting aspect of dance Dance is unlike any other training or field and knowing how to guide a young dancer can make or break them as a dancer or dance lover
