*Buckskins, Blades & Biscuits* Allen Kent Johnston, 1995 This is a sketchbook of design and comment detailing how to make accoutrements and clothing of the American Frontier from 1700 1850 The book is complimented with sketches and many pictures to accent detail and illustrate the various pieces The author weaves historical information in with the how tos for creating costumes The book is complemented with sketches and many pictures to accent detail and illustrate the various pieces The food section starts with basics of fire building and coaches the reader on through an abundance of recipes from pumpkin shortbread and pemmican to turtle soup and jerky campfire homefire cuisine at its finest If you are interested in history humor outdoor life and good food you will truly enjoy Allen Kent Johnston s wit and knowledge as he guides you through some of the finer points of pioneer life This book is a collection of accoutrements or accessories to the historical costume shooting equipment and personal items for the rendezvous trade or blanket shoot This book is not a catalog there is no merchandise to sell Rather the author hopes to share some ideas experiences and hours of pleasure filled relaxation with you The time frame of this collection of accouterments is generally the century and a half from 1700 to 1850 When using this book try to think and be like the hunter trapper or pioneer Play the role to its fullest Make your own tools Do as much as possible by hand and adapt crude or raw materials to your projects Be aware of the trials and hardships faced by the people of the times By making an item of wood horn bone or hide you are actually recreating a moment in the history of your nation The finished product not only reflects your labor and pride but becomes a small monument to the people who carved this country out of wilderness your fore bearers *Canadian Books in Print* ,2003 **Canadian Books in Print. Author and Title Index** ,1975 *Canadian Books in Print* 2002 Marian Butler,2002-02 **Buckskin Brigade** James Arthur Kjelgaard,2022-07-21 This work contains novelized accounts of several events in North American history focusing on the history of the United States In addition it includes considerable discussion of New France and like most of Kjelgaard s books it is written for teenage readers *Bridles and Biscuits* Gary L. Pinkerton,Tom H. Gann,2025-05-30 Breakfast and his horse s bridle these were what a Spanish soldier in 1790s Spanish East Texas traded for the unregulated goods found in his possession Here Gary L. Pinkerton uncovers the true nature of contraband trade and why it was so pervasive This poor soldier Pinkerton writes was willing to ride bridle less on horseback to B xar and risk arrest so he could give his wife a gift No nation on earth could stop that kind of trade The soldier s confession further reveals that while some smugglers dealt in arms and livestock most illicit trading at the time was carried out for convenience and economic survival rather than profit *Bridles and Biscuits* Contraband Culture in Spanish East Texas explores the complex economies and shifting structures of a borderland environment In 1773 as residents of Los Adaes were abruptly forced to relocate to B xar the Spanish retreat from the region created a greater opening for unregulated trade among French American and Italian settlers For five years before Spanish subjects resettled Nacogdoches in 1779 the people forced out of Los Adaes forged a new existence on the Trinity River in a

place they called Bucareli There Antonio Gil Ibarvo solidified his role as a key figure in contraband trade Through the story of Ibarvo s rise to become the leader of Nacogdoches and his subsequent arrest and removal from that post Pinkerton demonstrates how the region that hosted the exiled Adaese os became the entry point for those with bigger goals than trading horses and skins As Pinkerton concludes borders are porous and over time more was at stake than horse tack and breakfast Bridles and Biscuits delivers new insights into this relatively unexplored era of colonial Texas history Black Robes and Buckskin Catharine Randall,2011 The Jesuits approached the task of converting the native peoples and the formidable obstacles it implied in a flexible manner One of their central values was inculturation the idea of coming in by their door to quote a favorite saying of Ignatius via a creative process of syncretism that blended aspects of native belief with aspects of Christian faith in order to facilitate understanding and acceptance The Relations thus abound with examples of the Jesuits thoughtfully trying to make sense of native and female difference rather than eliding it **British and Foreign State Papers** Great Britain.
