Jennifer Atkins, 2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture By drawing on material relevant to students Dance in US Popular Culture successfully introduces students to critical thinking around the most personal of terrain our bodies and our identities The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance related to gender and or race for instance how such expectations are reinforced negotiated challenged embraced or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture how this shapes an active sense of their everyday lives and how this can act as a springboard towards dismantling systems of oppression Through readings questions movement analyses and assignment prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body s sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BfA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

Stealing the Show Miriam J. Petty, 2016-03-08 Stealing the Show is a study of African American actors in Hollywood during the 1930s a decade that saw the consolidation of stardom as a potent cultural and industrial force Petty focuses on five performers whose Hollywood film careers flourished during this period Louise Beavers Fredi Washington Lincoln Stepin Fetchit Perry Bill Bojangles Robinson and Hattie McDaniel to reveal the problematic stardom and the enduring interdependent patterns of performance and spectatorship for performers and audiences of color She maps how these actors though regularly cast in stereotyped and marginalized roles employed various strategies of cinematic and extracinematic performance to negotiate their complex positions in Hollywood and to ultimately steal the show Drawing on a variety of source materials Petty explores these stars reception among Black audiences and theorizes African American viewership in

the early twentieth century Her book is an important and welcome contribution to the literature on the movies Modern Dance, Negro Dance Susan Manning, 2004 Two traditionally divided strains of American dance Modern Dance and Negro Dance are linked through photographs reviews film and oral history resulting in a unique view of the history of American dance

Jones, Wendy Oliver, 2022-02-01 National Dance Education Organization Ruth Lovell Murray Book Award UNCG Susan W Stinson Book Award for Dance Education Strategies for recovering the Africanist roots of jazz dance in teaching and practice An African American art form jazz dance has an inaccurate historical narrative that often sets Euro American aesthetics and values at the inception of the jazz dance genealogy The roots were systemically erased and remain widely marginalized and untaught and the devaluation of its Africanist origins and lineage has largely gone unchallenged Decolonizing contemporary jazz dance practice this book examines the state of jazz dance theory pedagogy and choreography in the twenty first century recovering and affirming the lifeblood of jazz in Africanist aesthetics and Black American culture Rooted Jazz Dance brings together jazz dance scholars practitioners choreographers and educators from across the United States and Canada with the goal of changing the course of practice in future generations Contributors delve into the Africanist elements within jazz dance and discuss the role of Whiteness including Eurocentric technique and ideology in marginalizing African American vernacular dance which has resulted in the prominence of Eurocentric jazz styles and the systemic erosion of the roots These chapters offer strategies for teaching rooted jazz dance examples for changing dance curricula and artist perspectives on choreographing and performing jazz Above all they emphasize the importance of centering Africanist and African American principles aesthetics and values Arguing that the history of jazz dance is closely tied to the history of racism in the United States these essays challenge a century of misappropriation and lean into difficult conversations of reparations for jazz dance This volume overcomes a major roadblock to racial justice in the dance field by amplifying the people and culture responsible for the jazz language Contributors LaTasha Barnes Lindsay Guarino Natasha Powell Carlos R A Jones Rubim de Toledo Kim Fuller Wendy Oliver Joanne Baker Karen Clemente Vicki Adams Willis Julie Kerr Berry Pat Taylor Cory Bowles Melanie George Paula J Peters Patricia Cohen Brandi Coleman Kimberley Cooper Monique Marie Haley Jamie Freeman Cormack Adrienne Hawkins Karen Hubbard Lynnette Young Overby Jessie Metcalf McCullough E Moncell Durden Publication of this work made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities

Focus On: 100 Most Popular Vaudeville Performers Wikipedia contributors, **Hollywood Dance-Ins and the Reproduction of Bodies** Anthea Kraut, 2025 Hollywood Dance ins and the Reproduction of Bodies proposes that a figure who barely registers in film studies or dance studies offers valuable insight into ideas about the body and the reproductive labor that gives rise to images of bodies The book is the first scholarly study of the dance in a dancer who executes a star's choreography as cameras are being focused and lights are being set While they share similarities with doubles and stand ins

dance ins do not replace stars bodies on screen and they often serve multiple unseen roles including as choreographers assistants and stars coaches making them vital to the creation and transmission of choreography Focusing on dance ins in mid twentieth century Hollywood when film musicals and the studio system were at their height author Anthea Kraut exposes the racialized and gendered corporeal ecosystem that operated behind the scenes propping up and concealed behind the seeming self referentiality of white stars filmic dancing bodies A production history informed by feminist materialist approaches to labor and critical race theory Hollywood Dance ins tells the stories of the 1940s white pin up star Betty Grable s dependence on her white dance in Angie Blue the African American jazz dancer Marie Bryant s private coaching of a myriad of stars in the late 1940s and early 1950s Carol Haney and Jeanne Coyne s training of the white ingenue Debbie Reynolds for Singin in the Rain 1952 the Mexican American dancer Alex Romero s close partnership with the white star Gene Kelly and the biracial star Nancy Kwan s on and off screen exchanges with a white production team and Asian American ensemble members in Flower Drum Song 1961

Hermes Pan John Franceschina,2012-06-08 Hermes Pan The Man who Danced with Fred Astaire is a rags to riches story about a boy from Tennessee who armed with only an 8th grade education an inexhaustible imagination and an innate talent for dancing becomes the most prolific and popular choreographer of the glory days of the Hollywood musical

The American Musical and the Performance of Personal Identity Raymond Knapp,2010-06-21 The American musical has long provided an important vehicle through which writers performers and audiences reimagine who they are and how they might best interact with the world around them Musicals are especially good at this because they provide not only an opportunity for us to enact dramatic versions of alternative identities but also the material for performing such alternatives in the real world through songs and the characters and attitudes those songs project This book addresses a variety of specific themes in musicals that serve this general function fairy tale and fantasy idealism and inspiration gender and sexuality and relationships among others It also considers three overlapping genres that are central in quite different ways to the projection of personal identity operetta movie musicals and operatic musicals Among the musicals discussed are Camelot Candide Chicago Company Evita Gypsy Into the Woods Kiss Me Kate A Little Night Music Man of La Mancha Meet Me in St Louis The Merry Widow Moulin Rouge My Fair Lady Passion The Rocky Horror Picture Show Singin in the Rain Stormy Weather Sweeney Todd and The Wizard of Oz Complementing the author s earlier work The American Musical and the Formation of National Identity this book completes a two volume thematic history of the genre designed for general audiences and specialists alike

Jumping the Color Line Susie Trenka,2021-02-02 From the first synchronized sound films of the late 1920s through the end of World War II African American music and dance styles were ubiquitous in films Black performers however were marginalized mostly limited to appearing in specialty acts and

various types of short films whereas stardom was reserved for Whites *Jumping the Color Line* discusses vernacular jazz dance in film as a focal point of American race relations Looking at intersections of race gender and class the book examines how the racialized and gendered body in film performs challenges and negotiates identities and stereotypes Arguing for the transformative and subversive potential of jazz dance performance onscreen the six chapters address a variety of films and performers including many that have received little attention to date Topics include Hollywood's first Black female star Nina Mae McKinney male tap dance class acts in Black cast short films of the early 1930s the film career of Black tap soloist Jeni LeGon the role of dance in the Soundies jukebox shorts of the 1940s cinematic images of the Lindy hop and a series of teen films from the early 1940s that appealed primarily to young White fans of swing culture With a majority of examples taken from marginal film forms such as shorts and B movies the book highlights their role in disseminating alternative images of racial and gender identities as embodied by dancers images that were at least partly at odds with those typically found in major Hollywood productions

Richard Rodgers Geoffrey Block,2008-10-01 Richard Rodgers was an icon of the musical theater a prolific composer whose career spanned six decades and who wrote more than a thousand songs and forty shows for the American stage In this absorbing book Geoffrey Block examines Rodgers's entire career providing rich details about the creation staging and critical reception of some of his most popular musicals Block traces Rodgers's musical education early work and the development of his musical and dramatic language He focuses on two shows by Rodgers and Hart *A Connecticut Yankee* and *The Boys from Syracuse* and two by Rodgers and Hammerstein *South Pacific* and *Cinderella* offering new insights into each one He concludes with the first serious look at the five neglected and often maligned musicals that Rodgers composed in the 1960s and 1970s after the death of Hammerstein

One Night on TV Is Worth Weeks at the Paramount Murray Forman,2012-07-04 Musical performance has been a part of television since the introduction of the medium The styles and production requirements of music and of television have long influenced the other Murray Forman gives the history of this interaction going back to the early years of television before the broadcast networks up through the late fifties He explores the full range of popular music from show tunes to Latin in a wide variety of television programs and shows how the standards of presentation and performance developed
