Disneys Year 1995:

Disney's Year Book 1995 ,1995 Contains short articles on a variety of topics plus excerpts from several Disney stories

Disney's Live-Action Movie Bombs, 1979-2019 Tyler Mattis,2024-12-23 This book explores the history of Disney s biggest live action movie failures from the late 1970s to the late 2010s That stretch of time was a transformative period in which the company made many financial gains but gradually lost its identity which had largely been synonymous with founder Walt Disney The chapters explain why each movie was made the casting process production details and why each movie failed financially Covered here are cult classics like Tron and Hocus Pocus alongside more well known bombs like John Carter and The Lone Ranger

Forgotten Disney Kathy Merlock Jackson,Carl H. Sederholm,Mark I. West,2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio s missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory

Disney's Year Book 1996 ,1996 Contains short articles on a variety of topics plus excerpts from several Disney stories

Once Upon an American Dream Andrew Lainsbury, 2000 Branded a cultural Chernobyl and the tragic kingdom the Euro Disney Resort has been on its own thrill ride since opening in 1992 The much publicized version of the Magic Kingdom gave Europeans alcohol free mocktails surly employees even colors too muted for the Disney image Facing financial disaster was it any wonder that Disney execs found themselves wishing upon a star for answers After so many knee jerk criticisms of Euro Disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of American cultural imperialism Andrew Lainsbury a former Euro Disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine Europe s love hate relationship with Euro Disneyland and some of the undiscussed issues surrounding it Once Upon an American Dream is a story of global capitalism on a grand scale Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de la Belle au Bois Dormant Sleeping Beauty s Castle He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia He reveals what it took to win back the hearts of skeptical Europeans such as serving wine selling flashy merchandise and placating disgruntled workers Finally he looks into the magic mirror to speculate on the role of Euro Disney and the Walt Disney Company in the twenty first century Ultimately Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a

global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared Once Upon an American Dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what Euro Disneyland is all about **Disneyland Detective**

Kendra Trahan,2004 This enthusiastic investigation of Disneyland s hidden treasures leads both first time visitors and aficionados through the legendary theme park while pointing out tiny surprises around each turn Helpfully organized as a reading tour this guidebook features the whereabouts of many of Disneyland s secrets including the locations of several Hidden Mickeys and original movie props that appear around the park Also included are original illustrations trivia and an exploration of Disneyland s history which notes the subtle tributes Walt Disney placed throughout the grounds honoring the people who made the park possible Also included are fascinating facts about Disneyland and American history that will interest teachers and tour guides as well as the 13.9 million guests who visit Disneyland every year **Disney Voice Actors**

Thomas S. Hischak,2011-10-06 This biographical dictionary is devoted to the actors who provided voices for all the Disney animated theatrical shorts and features from the 1928 Mickey Mouse cartoon Steamboat Willie to the 2010 feature film Tangled More than 900 men women and child actors from more than 300 films are covered with biographical information individual career summaries and descriptions of the animated characters they have performed Among those listed are Adriana Caselotti of Snow White fame Clarence Nash the voice of Donald Duck Sterling Holloway best known for his vocal portrayal of Winnie the Pooh and such show business luminaries as Bing Crosby Bob Newhart George Sanders Dinah Shore Jennifer Tilly and James Woods In addition a complete directory of animated Disney films enables the reader to cross reference the actors with their characters **Buffett's Early Investments**

Brett Gardner,2024-11-05 Buffett s Early Investments investigates ten investments that legendary investor Warren Buffett made in the 1950s and 1960s earning him his first millions and uncovers unique insights in the process Using the same documents Buffett used when he made these investments the author reveals the fascinating inside stories of How Philadelphia and Reading Buffett s largest investment in 1954 transformed from a declining coal company to a diversified conglomerate whose stock went up twentyfold due to the intervention of Buffett s mentor Ben Graham How Buffett and Charlie Munger made their first formal investment together in Hochschild Kohn How corporate governance issues actually presented serious risk to Buffett s 1966 investment in Walt Disney Other investments analyzed include American Express British Columbia Power Cleveland Worsted Mills Greif Bros Marshall Wells Studebaker and Union Street Railway Not all of these investments worked out this book shows why Buffett s Early Investments helps readers understand how history s greatest ever investor really made his returns in the years where he produced his best numbers Disney Theme Parks and America's National Narratives

Bethanee Bemis,2022-12-27 Disney Theme Parks and America s National Narratives takes a public history approach to situating the physical spaces of the Disney brand within memory and identity studies For over 65 years Disney s theme parks have been important locations

for the formation and negotiation of the collective memory of the American narrative Disney's success as one of America's most prolific storytellers its rise as a symbol of America itself and its creation of theme parks that immerse visitors in three dimensional versions of certain American values and historic myths have both echoed and shaped the way the American people see themselves Like all versions of the American narrative Disney's vision serves to reassure us affirm our shared values and unite a diverse group of people under a distinctly American identity or at least it did The book shows how the status Disney obtained led the public to use them both as touchstones of identity and as spaces to influence the American identity writ large This volume also examines the following how Disney's original cartoons and live action entertainment offerings drew from American folk history and ideals how their work during World War II cemented them as an American symbol at home and abroad how the materialization of the American themes already espoused by the brand at their theme parks created a place where collective memory lives how legitimization by presidents and other national figures gave the theme parks standing no other entertainment space has how Disney has changed alongside the American people and continues to do so today This book will be of interest to students and scholars of history media cultural studies American studies and tourism

The Top Books of the Year Disneys Year 1995 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Disneys Year 1995 : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
