Supreme Court Judgement On Ayodhya Issue S. Padmavathi, D.G. Hari Prasath,2020-01-03 Ayodhya tussle For Hindus Ram Janma Bhoomi is a Place of Veneration and for Muslims Babri Masjid is a Place of Ritual Prostration The Babri Masjid Mosque of Babur the Tughlaq style mosque was built in 1528 by General Mir Baqi on the orders of Zahir ud din Muhammad Babur the founder and first emperor of the Mughal dynasty in the Indian subcontinent The building is facile with Islamic architectural elements but devoid of minarets Call Towers for prayers etc The Babri Masjid was neither a mausoleum nor a cenotaph The placing of Ram Lalla Idol on December 22 1949 inside the Babri Masjid Central Dome became the aggravating point of the title dispute The blood curdling Ram Janma Bhoomi Babri Masjid dispute is over a tiny area of 2 77 acres of land out of the 3 287 million square kilometre vast tract of India Solutions from the erstwhile British rulers and Indian Prime Ministers found no results At last it was the reign of the 14th Prime Minister of India Mr Narendra Damodardas Modi that witnessed the lawful solution amicable both for the Hindus and for the Muslims Now the golden era of peace and prosperity brotherhood and tolerance has blossomed in the Indian soil The Basic Structure Justice Liberty Equality and Fraternity enshrined in the Preamble of the Indian Constitution has been reaffirmed by this landmark judgment We can assert that this book takes you to the inroads of the cementing facts and figures of the Ayodhya Dispute unravelled by this unanimous historical judgment of the Supreme Court of India *Contested Holy Places in Israel-Palestine* Yitzhak Reiter,2017-04-07 Religious leaders and political actors often use holy places to rally citizens to protect or liberate national territory as hallowed land The Holy Land Palestine or Eretz Israel is the most obvious case of the process of religionizing ethnic national and territorial conflicts This book analyzes fourteen case studies of conflicts over holy sites in the Holy Land each representing a particular archetype of conflict It seeks to understand the many facets of disputes and the triggers for the outbreak of violence in and around such sites It also analyses the effectiveness of the conflict mitigation and resolution tools used for dealing with such disputes The Truth of Babri Mosque Ashok Pant,2012 The word Babri was literally used to define something abnormal out of sense or mad Three instances mentioned in Babar Nama support this Babar s journal is replete with precise detail with a telling image or idiom as a bud resembling a sheep s heart fell like water on fire which lingers in the reader s mind long after the event or anecdote has receded Few of the phrases and words in the Babar Nama are now part of everyday language in India and Pakistan as Namak Haram means lack of trustworthiness hamesha means always bakhshish means gift maidan means plain area julab means laxative and the most important which is of our use here is Babri Baburi Bavala means related to unhealthy mental state or mad or abandoned or one who is abnormal Babar writes about his infatuation after his marriage in March AD 1500 for a boy as In those days I discovered myself a strange inclination no a mad infatuation for a boy in the camp s bazaar his name was Babri Baburi being apposite Until then I had no inclination

of love and a couplet of Muhammad Salih came to my mind When I see my friend I am abashed with shame My companions look at me I look away sans aim This couplet suited my state of mind perfectly In that maelstrom of desire and passion and under the stress of youthful folly I used to wander bareheaded and barefoot through streets and lanes orchards and vineyards I showed civility neither to friends nor to strangers took no care of myself or others Babar clearly stated that guy's name was Bavara as he was of raging and flickering nature and Babar himself became Bavara or crazy for him to attain his sexual proximity That is why the term Babri Mosque is specially used only for the construction that was done according to Mughal architecture at Ramjanmabhoomi because it was made for Hindus not for Muslims Babri Mosque means Mosques of infidels insane Hindus *Decisions of the Sudder Udalut* Sudder Dewanny Adawlut,1851 **SriRam Janmbhoomi**

Ayodhya Unpunished Conspiracy Ranjana Agnihotri, This book attempts to unfold the evidence facts and contemporaneous records that were not represented prior to the start of court proceedings in Ram Janambhoomi case Unfortunately several historical facts were subjected to oblivion on account of non surviving witnesses at the time of the trial This book reveals evidence against the most heinous crimes committed upon the Hindu devotees in Ayodhya while they were performing their rituals peacefully On 2nd November 1990 large numbers of innocent devotees were killed due to merciless firing by the police force That the crimes have gone unpunished remain a mystery to the author The book seeks justice for the innocent martyrs This compilation does not aim to evoke a fresh controversy Rather an attempt has been made to bring out in public the truth behind conspiracies that were deliberately used to cover up facts and evidence The book is a well researched piece of work that intends to restore the balance of justice in the evidence based legal system [The Crisis in Kashmir](#) Sumit Ganguly,1997 Contents [The Search of a Prime Minister](#) S K Ghosh,1999 **Gramsci and South Asia**
