Dissolving Wedlock

Stephen Michael Cretney

Dissolving Wedlock:

Dissolving Wedlock Dr Colin Gibson, Colin Gibson, 2002-09-11 The divorce rate has been rising significantly throughout the twentieth century By interweaving the historical demographic sociological legal political and policy aspects of this increase Colin Gibson explores the effects it has had on family patterns and habits *Dissolving Wedlock* presents a multi disciplinary examination of all the socio legal consequences of family breakdown *Dissolving Wedlock* will be invaluable reading to all lecturers and students of social policy sociology and social work as well as to professionals and lawyers working in the field of divorce

Marriage Law and Practice in the Long Eighteenth Century Rebecca Probert, 2009-07-02 This book uses a wide range of primary sources legal literary and demographic to provide a radical reassessment of eighteenth century marriage It disproves the widespread assumption that couples married simply by exchanging consent demonstrating that such exchanges were regarded merely as contracts to marry and that marriage in church was almost universal outside London It shows how the Clandestine Marriages Act of 1753 was primarily intended to prevent clergymen operating out of London s Fleet prison from conducting marriages and that it was successful in so doing It also refutes the idea that the 1753 Act was harsh or strictly interpreted illustrating the courts pragmatic approach Finally it establishes that only a few non Anglicans married according to their own rites before the Act while afterwards most save the exempted Quakers and Jews similarly married in church In short eighteenth century couples complied with whatever the law required for a valid marriage

The Nordic Model of Marriage and the Welfare State Kari Melby, Anu Pylkkänen, Bente Rosenbeck, Christina Carlsson Wetterberg, 2001 *Ekteskapslover* utgj r en viktig del av et samfunns familiepolitikk Denne rapporten setter s kelys p regulering av ekteskap i Norden i det 20 rhundre med spesiell vekt p ekteskapslov reformene mellom 1909 og 1929 Likestillingen i ekteskapet kom mye tidligere i Norden enn ellers i Europa og en av rapportens hovedsikte er unders ke om man kan snakke om en spesifikk nordisk ekteskapsmodell Engelsk svensk og dansk tekst

Unquiet Lives Joanne Bailey, 2003-07-17 Based on vivid court records and newspaper advertisements this 2003 book is a pioneering account of the expectations and experiences of married life among the middle and labouring ranks in the long eighteenth century Its original methodology draws attention to the material life of marriage which has long been dominated by theories of emotional shifts or fashionable accounts of spouses gendered oppositional lives Thus it challenges preconceptions about authority in the household by showing the extent to which husbands depended upon their wives vital economic activities household management and child care Not only did this forge co dependency between spouses it undermined men s autonomy The power balance within marriage is further revised by evidence that the sexual double standard was not rigidly applied in everyday life The book also shows that ideas about adultery and domestic violence evolved in the eighteenth century influenced by new models of masculinity and femininity

Family Law and Personal Life John Eekelaar, 2006 How should our most intimate personal relationships be governed in a liberal society Should the

state encourage a particular model of family life or support individuals in their pursuit of personal happiness To what extent do people have the right to shape the lives of their offspring This book examines the questions at the heart of family law rethinking the ideas that shape our understanding of the family as a social unit its purpose and the obligations and rights that belong to family members The book explores how the governance of personal relationships has depended on the exercise of power from the traditional assumptions of patriarchy where the male head of the family enjoyed full control over his dependents and descendants to the ideology of welfarism where state institutions protect the interests of the vulnerable at the expense of their close relations Emerging from these conflicting ideologies comes today's rights based culture where traditional expectations for behavior within a family sit within a new emphasis on the ability of minorities and traditional dependents to determine the shape of their own lives Against this background of shifting power relations the book explores the inter relationship between the legal regulation of people's personal lives and the values of friendship truth respect and responsibility In doing this a variety of controversial issues are examined in the light of those values including the legal regulation of gay and unmarried heterosexual relationships freedom of procreation state supervision over the exercise of parenthood the role of fault in divorce law the way parenthood is allocated the rights and responsibilities of parents to control their children the place of religion in the family the rights of separated partners regarding property and of separated parents regarding their children Throughout the book offers a new picture of the intimacy at the center of personal relationships and argues that only by understanding this intimacy and its role in human happiness can we arrive at a true framework for respecting and governing the personal lives of other people **Family Studies** Jon Bernardes, 2008-02-26

Designed for use on introductory sociology courses Family Studies is the first UK text book in the subject Each chapter is designed to work as an individual units of study in a course on the family The Blackwell Companion to the Sociology of Families Jacqueline Scott, Judith Treas, Martin Richards, 2008-04-15 Tackling issues relevant to family life today this authoritative Companion shows why studying social change in families is fundamental for understanding the transformations in individual and social life across the globe Contains original essays by expert contributors on a wide range of topics relating to the sociology of families Includes coverage of social inequality parenting practices children's work the changing patterns of citizenship and multi cultural families Gives special attention to European and North American examples Discusses previously neglected groups including immigrant families and gays and lesbians Explores how revolutionary changes in aging longevity and sexual behavior have radically affected the experience of different generations and the relationships between them **Family Law** Joanna Miles, Rob George, Sonia Harris-Short, 2019 Placing key judgments and expert commentary at your fingertips Family Law Text Cases and Materials presents everything the undergraduate student needs in one volume Drawing on their extensive experience the authors offer a detailed and authoritative exposition of family law illustrated by materials carefully selected from a wide range of sources The book has two principal aims to provide readers with a thorough

understanding of the law relating to the family and to stimulate critical reflection on that law Readers are encouraged to consider how and why the law has developed as it has what policies it is seeking to pursue whether it achieves the right balance between the rights and interests of individual family members and the wider public interest and how it operates in practice Online Resources The text is supported by substantial online resources which features regular updates on the law further reading suggestions and revision questions to accompany each chapter

Joyce and the Law

Jonathan Goldman,2020-01-15 Making the case that legal issues are central to James Joyce s life and work international experts in law and literature offer new insights into Joyce s most important texts They analyze Dubliners A Portrait of the Artist as a Young Man Giacomo Joyce Ulysses and Finnegans Wake in light of the legal contexts of Joyce s day Topics include marriage laws the Aliens Act of 1905 laws governing display and use of language minority rights debates municipal self government rentier culture and regulations on alcohol consumption and licensing This volume also highlights Joyce s own fascination with law and legal inquiry and explores how by adopting a unique visual and linguistic style Joyce constructed an authorial identity that mirrored the process of trademark It also offers a deeper understanding of Judge John Woolsey s decision in the Ulysses obscenity case and reveals the many ways copyright has affected publication of Joyce s work and the scholarly and aesthetic use of his words These discussions show how reading Joyce alongside the law enriches both legal studies and literary scholarship A volume in the Florida James Joyce Series edited by Sebastian D G Knowles

Religion and Everyday Life

Stephen Hunt,2013-01-11 This introductory text explores the historical and contemporary relevance of religion to social life through an examination of practice and belief Author Hunt reconsiders how theories and concepts are lived at the level of selfhood and cultural identity through religious and spiritual belief At the same time he looks at contemporary changes in religious life and how these are impacted by socialization institutional belonging and belief and at the significance of class gender age and ethnicity Individual chapters cover a range of issues such as religion identity and community secularization and pluralism traditional Christianity change and continuity globalization and the global context religion and ethnicity The text challenges much current sociological thought and deals with contemporary Christianity a range of world faiths and new and developing expressions of religion and spirituality With tables and diagrams to illustrate key points and trends it provides an accessible and captivating introduction to the sociology of religion

Morality and the Law in British

Detective and Spy Fiction, 1880-1920 Kate Morrison,2020-05-28 Who decides what is right or wrong ethical or immoral just or unjust In the world of crime and spy fiction between 1880 and 1920 the boundaries of the law were blurred and justice called into question humanity s moral code As fictional detectives mutated into spies near the turn of the century the waning influence of morality on decision making signaled a shift in behavior from idealistic principles towards a pragmatic outlook taken in the national interest Taking a fresh approach to Sir Arthur Conan Doyle s popular protagonist Sherlock Holmes this book examines how Holmes and his rival maverick literary detectives and spies manipulated the law to deliver a

fairer form of justice than that ordained by parliament Multidisciplinary this work views detective fiction through the lenses of law moral philosophy and history and incorporates issues of gender equality and race By studying popular publications of the time it provides a glimpse into public attitudes towards crime and morality and how those shifting opinions helped reconstruct the hero in a new image **Family Law** Sonia Harris-Short, Joanna Miles, Rob George, Robert Henry

George, 2015 Family Law Text Cases and Materials presents everything the undergraduate student needs in one volume The authors offer a detailed and authoritative exposition of family law illustrated by materials carefully selected from a wide range of sources **Converting Women** Eliza F. Kent, 2004-04-01 With the emergence of Hindu nationalism the conversion of Indians to Christianity has become a volatile issue erupting in violence against converts and missionaries At the height of British colonialism however conversion was a path to upward mobility for low castes and untouchables especially in the Tamil speaking south of India In this book Eliza F Kent takes a fresh look at these conversions focusing especially on the experience of women converts and the ways in which conversion transformed gender roles and expectations Kent argues that the creation of a new respectable community identity was central to the conversion process for the agricultural laborers and artisans who embraced Protestant Christianity under British rule At the same time she shows this new identity was informed as much by elite Sanskrit customs and ideologies as by Western Christian discourse Stigmatized by the dominant castes for their ritually polluting occupations and relaxed rules governing kinship and marriage low caste converts sought to validate their new higher status identity in part by the reform of gender relations These reforms affected ideals of femininity and masculinity in the areas of marriage domesticity and dress By the creation of a discourse of respectability says Kent Tamil Christians hoped to counter the cultural justifications for their social economic and sexual exploitation at the hands of high caste landowners and village elites Kent's focus on the interactions between Western women missionaries and the Indian Christian women not only adds depth to our understanding of colonial and patriarchal power dynamics but to the intricacies of conversion itself Posing an important challenge to normative notions of conversion as a privatized individual moment in time Kent's study takes into consideration the ways that public behavior social status and the transformation of everyday life inform religious conversion Women, Families, and Feminist Politics J Dianne Garner, Suzanne Cherrin, 2014-07-16 Women and their roles within families must be understood within the context of ethnic traditions religion and culture Women Families and Feminist Politics A Global Exploration combines all of these aspects to evaluate the similarities and differences of women around the world Readers will learn about diverse theories relating to women and their familial roles the different categories of feminism and how cultures and ethnic traditions shape and sometimes restrict a woman's identity Using feminist and sociocultural theories to critically examine the role of adult women within their families Women Families and Feminist Politics offers ideas and suggestions on what has to be done in order for all of women's experiences and concerns to be valued and looked upon as important In addition to providing you with an understanding of how customs and cultures

contribute to societal standards set for women Women Families and Feminist Politics discusses several factors that contribute to the formation of women s roles and identity including the economic situation of the family and the country in which the woman lives a developed or developing country cultural diversity in monogamous heterosexual marriage relations and specific marriage traditions such as dowries family structures such as nonnuclear extended polygamous mixed religion relationships mixed race relationships or same sex relationships reproduction and sexual standards in relation to religion government policies and world population gender equity in the workplace and programs for women in global development the health care needs of women and how they vary depending on culture political philosophies and resources women and violence in societal and family contexts from war rapes female circumcision and footbinding to battery and sexual harassment Women Families and Feminist Politics looks at the daily challenges and concerns of adult women within the context of family to help you understand the different needs of women in relation to their culture and ethnic background Focusing on the importance of views concerning the meaning of women s social status power and success Women Families and Feminist Politics contains case studies and statistical data that identify critical issues pertaining to you personally and to all women throughout the world By understanding how women s families help shape their identities you will be able to learn about the vast experiences of women and the inequalities we have yet to overcome

The Elgar Companion to Feminist Economics Janice Peterson, Margaret Lewis, 2001-01-01 Comprehensive reference work introducing readers to the field of feminist economics It addresses key concepts as well as feminist economic critiques and reconstructions of major economic theories and policy debates

Family Law in the Twentieth Century Stephen Michael Cretney, 2003 The law governing family relationships has changed dramatically in the course of the 20th century and this book drawing extensively on both published and archival material and on legal as well as other sources gives an account of the processes and problems of reform

Tying the Knot Rebecca Probert, 2021-09-23 The Marriage Act 1836 established the foundations of modern marriage law allowing couples to marry in register offices and non Anglican places of worship for the first time Rebecca Probert draws on an exceptionally wide range of primary sources to provide the first detailed examination of marriage legislation social practice and their mutual interplay from 1836 through to the unanticipated demands of the 2020 coronavirus pandemic She analyses how and why the law has evolved closely interrogating the parliamentary and societal debates behind legislation She demonstrates how people have chosen to marry and how those choices have changed and evaluates how far the law has been help or hindrance in enabling couples to marry in ways that reflect their beliefs be they religious or secular In an era of individual choice and multiculturalism *Tying the Knot* sign posts possible ways in which future legislators might avoid the pitfalls of the past

Inappropriate Relationships Robin Goodwin, Duncan Cramer, 2005-04-11 In one of the great euphemisms of our time an embattled President Clinton admitted to an inappropriate relationship with his White House intern Monica Lewinsky But what exactly is an inappropriate relationship For that matter

what is an appropriate relationship And how can an understanding of the rules of appropriateness help us understand personal relationships in our modern world Contributors to this book discuss the personal boundaries and taboos of modern relationships Together they examine the power struggles that can occur when individuals are involved in inappropriate relationships and the ways individuals in such a relationship may attempt to buffer themselves against sanctions or even embrace this relationship as an agent of social change Representing work from a range of disciplines this collection will appeal to scholars researchers students and professionals working on relationships issues in areas across the social sciences including those working in the fields of social psychology family studies social anthropology cultural studies and communication

Cultural Sociology of Divorce Robert E. Emery, 2013-02-21 While the formal definition of divorce may be concise and straightforward legal termination of a marital union dissolving bonds of matrimony between parties the effects are anything but particularly when children are involved The Americans for Divorce Reform estimates that 40 or possibly even 50 percent of marriages will end in divorce if current trends continue Outside the U S divorce rates have markedly increased across developed countries Divorce and its effects are a significant social factor in our culture and others It might be said that a whole divorce industry has been constructed with divorce lawyers and mediators family counselors support groups etc As King Henry VIII s divorces showed divorce has not always been easy or accepted In some countries divorce is not permitted and even in Europe countries such as Spain Italy Portugal and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century This multi disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology social and legal history developmental and clinical psychology and religion all through a lens of cultural sociology Features 550 signed entries A to Z fill 3 volumes 1 500 pages in print and electronic formats offering the most detailed reference work available on issues related to divorce both in the U S and globally Cross References and Further Readings guide readers to additional resources A Chronology provides students with context via a historical perspective of divorce In the electronic version the comprehensive Index combines with Cross References and thematic Reader s Guide themes to provide convenient search and browse capabilities For state and nation entries uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations Appendices provide further annotated sources of data and statistics
