Distant Lover:

Distant Lover Gary Mitchell, 2013-01-16 Love is impossible to understand in its entirety especially when we are in love with someone else Distant lover is a walk through three stages of love and how we find ourselves trapped in its grip struggling to make sense of where to go and how to get there *Distant Lover* Ashaki Boelter, 2003-10-12 Set in the Rose City of Portland Oregon the All 4 Love series evolves around Alley s wacky relationship toggles and family issues Sure typical family problems can be repeated snores when it comes to reading but I ve taken it to wild and crazy heights and it should keep all readers glued to the end Distant Lover is about protagonist Alley s yearning for someone that seems hard to reel in He yearns for Lavidia Jones but she is entangled in parenting job and ex fianc problems The story opens with Alley being the ultimate unemployed and complete loser Not only is Alley suddenly blessed with finding job security he meets his distant lover on a bus Together Alley and Lavidia survive all the wacky challenges A stalking bum that eventually cleans up his alcoholic behaviors returns to the bottle and ends up dead by the end of Distant Lover The gangster son of Lavidia who threatened to shoot Alley if marriage came up ends up shot and finds that Jesus is his best friend The ex fianc and part time Jamaican pimp Robert ends up the most hated villain you ll ever read about ***Distant Cycles*** Richard Kramer, 1994-07-20 Franz Schubert s song cycles *Schone Mullerin* and *Winterreise* are cornerstones of the genre But as Richard Kramer argues in this book Schubert envisioned many other songs as components of cyclical arrangements that were never published as such By carefully studying Schubert s original manuscripts Kramer recovers some of these distant cycles and accounts for idiosyncrasies in the songs which other analyses have failed to explain Returning the songs to their original keys Kramer reveals linkages among songs which were often obscured as Schubert readied his compositions for publication His analysis thus conveys even familiar songs in fresh contexts that will affect performance interpretation and criticism After addressing problems of multiple settings and revisions Kramer presents a series of briefs for the reconfiguring of sets of songs to poems by Goethe Rellstab and Heine He deconstructs *Winterreise* using its convoluted origins to illuminate its textual contradictions Finally Kramer scrutinizes settings from the *Abendrote* cycle on poems by Friedrich Schlegel for signs of cyclic process Probing the farthest reaches of Schubert s engagement with the poetics of *lieder* *Distant Cycles* exposes tensions between Schubert the composer and Schubert the merchant entrepreneur *Journey to Self: Journey to Love* Raechel Rivers, 2011-07-08 *Journey to Self* *Journey to Love* is a collection of personal poems thoughts and blog entries from my journey through love In searching for love I ve continued to make a full circle back to myself and my Creator Some of the stories are sad and some funny but all are worth sharing It is my hope that lives will be touched and changed by seeing the authenticity of my experiences and perceptions I m not afraid of the truth it is what sets me free During my short 30 years of life I ve experienced so much about love and relationships I trust that we all have experienced our fair share What if your experiences and being healed from the lessons learned are a part of your assignment from God Now who signs up for

heartache and pain Not one of us If these experiences can be used to help a younger generation or to help heal another I m ready to share What I ve learned about love is that it is a journey just like life Sure it hasn t all been roses and it hasn t all been heartache but it has been a road that has led me back to my first love God my Creator This is the refreshing part of the journey This is the part of the journey where all of Heaven and the Angels rejoice in knowing that we have remembered the One who first loved us There is no greater love So I say that love is a journey where you go searching and ultimately find yourself You find the God that is within and the God who created you You remember what you were born to do Thank you for taking the time out to travel this journey with me The Married Guy's Guide to Great Sex Clifford L. severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Volume I of this two part publication traces the history of sex from the Stone Age to the Enlightenment Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For
