Distilled Lincoln Anecdotes:

Distilled Lincoln Anecdotes Rolland E. Stroup, 2004-03 I went to the library one day to find a book of Lincoln one liners such as You can fool all the people some of the time and but I found no such book I then reviewed the literature and found that Abraham Lincoln rarely stated one liners His stories were nearly almost always couched in an ample supply of background detail leading to savory climaxes After this I thought to myself There ought to be a book equivalent to Lincoln one liners So I decided to write it myself The first section of Distilled Lincoln Anecdotes presents basic meanings of individual humorous tales from the life of Abraham Lincoln The second section contains amusing anecdotes observations from life some curiosities and a few poetic lines by the author

Washington's Wit Modernly Writ : Solomon's New Leaf : Thoughts from the Early Twenty-first Century Rolland E. Stroup, 2005 This book contains Washington's Wit Modernly Writ Solomon's New Leaf and Thoughts from the Early Twenty first Century The first section presents paraphrases and summations of passages from the diaries letters and speeches of George Washington from his teenage years to retirement The second section paraphrases Ecclesiastes a book from The Holy Bible When Ecclesiastes is quoted sporadically which has often been done in entertainment media the resulting tone is usually one hinting of negativity Rolland E Stroup Jr has attempted to lighten it up The third section provides observations ideas and thoughts noted down by the author while living through the first few years of the Twenty first Century

Lincoln and the War's End John C. Waugh, 2014-09-30 The book covers the dramatic final five months of the war and Lincoln's role in it It highlights his final message to Congress in December 1864 passage of the 13th Amendment his Second Inaugural his 16 days at the front before Appomattox his unprecedented visit to Richmond after it fell and the end of the war

Most of the Documented Commandments of Jesus Christ Rolland E. Stroup Jr, 2021-12-08 I have often wondered about knowing all the commandments of Jesus Through the years I have tried to find them all in one reference point Reading through the gospels I always found them interspersed with passages of other important information Searching the Web I found limited numbers of them at a few different sites I finally decided it might be worth gathering them all together in one place myself

Abraham Lincoln, American Prince Wayne Soini, 2022-03-02 The relationship between Abraham Lincoln and his two most influential ancestors his mother and the Virginia planter a slaveholder a shadowy grandfather he likely never met is rarely mentioned in Lincoln biographies or in history texts However Lincoln forever linked to the cause of freedom and equality in America spoke candidly of the planter to his law partner Billy Herndon who recalled his words My mother inherited his qualities and I hers All that I am or ever hope to be I get from my mother God bless her This vital two generation relationship was nonetheless problematic In Lincoln's boyhood the planter was a figure he ridiculed while in his young manhood the planter evolved into a role model whom Lincoln revered and associated with Jefferson's overdue ideal that all men are created equal Thus galvanized by blood to educate himself to stand for election and to oppose slavery Lincoln quit farming at age 22 This book explains how he thus followed an inherited family

Ida M. Tarbell Mary E. Tomkins, 1974 **GLIM.**, 1956 Jefferson's Muslim Fugitives Jeffrey Einboden, 2020-04-01 On October 3 1807 Thomas Jefferson was contacted by an unknown traveler urgently pleading for a private interview with the President promising to disclose a matter of momentous importance By the next day Jefferson held in his hands two astonishing manuscripts whose history has been lost for over two centuries Authored by Muslims fleeing captivity in rural Kentucky these documents delivered to the President in 1807 were penned by literate African slaves and written entirely in Arabic Jefferson's Muslim Fugitives reveals the untold story of two escaped West Africans in the American heartland whose Arabic writings reached a sitting U S President prompting him to intervene on their behalf Recounting a quest for

emancipation that crosses borders of race region and religion Jeffrey Einboden unearths Arabic manuscripts that circulated among Jefferson and his prominent peers including a document from 1780s Georgia which Einboden identifies as the earliest surviving example of Muslim slave authorship in the newly formed United States Revealing Jefferson's lifelong entanglements with slavery and Islam Jefferson's Muslim Fugitives tracks the ascent of Arabic slave writings to the highest halls of U S power while questioning why such vital legacies from the American past have been entirely forgotten **Anecdotalia, Or, A Library of Anecdotes**, 1841 **Abe Lincoln's 1840 Kentucky Political Speech and the Whig Presidential Campaign of 1840 in Southern Illinois** George B. Simpson, 1989 *The Traumatic Colonel* Michael J. Drexler, Ed White, 2014-07-11 In American political fantasy the Founding Fathers loom large at once historical and mythical figures In *The Traumatic Colonel* Michael J Drexler and Ed White examine the Founders as imaginative fictions characters in the specifically literary sense whose significance emerged from narrative elements clustered around them From the revolutionary era through the 1790s the Founders took shape as a significant cultural system for thinking about politics race and sexuality Yet after 1800 amid the pressures of the Louisiana Purchase and the Haitian Revolution this system could no longer accommodate the deep anxieties about the United States as a slave nation Drexler and White assert that the most emblematic of the political tensions of the time is the figure of Aaron Burr whose rise and fall were detailed in the literature of his time his electoral tie with Thomas Jefferson in 1800 the accusations of seduction the notorious duel with Alexander Hamilton his machinations as the schemer of a breakaway empire and his spectacular treason trial The authors venture a psychoanalytically informed exploration of post revolutionary America to suggest that the figure of Burr was fundamentally a displaced fantasy for addressing the Haitian Revolution Drexler and White expose how the historical and literary fictions of the nation's founding served to repress the larger issue of the slave system and uncover the Burr myth as the crux of that repression Exploring early American novels such as the works of Charles Brockden Brown and Tabitha Gilman Tenney as well as the pamphlets polemics tracts and biographies of the early republican period the authors speculate that this flourishing of political writing illuminates the notorious gap in U S literary history between 1800 and 1820 **Modern Eloquence: Anecdotes. Index** Thomas Brackett Reed, Ashley Horace Thorndike, Brander Matthews, Sir Robert Laird Borden, Elihu Root, 1923 **An Essay on Brewing, Vintage & Distillation** John Festus Adams, 1970 **Expositor and Current Anecdotes**, 1920 *9th Circuit News*, 1979
