Distracted Subjects Carol Thomas Neely, 2018-08-06 In the first book to provide a feminist analysis of early modern madness Carol Thomas Neely reveals the mobility and heterogeneity of discourses of distraction the most common term for the condition in late sixteenth and early seventeenth century England *Distracted Subjects* shows how changing ideas of madness that circulated through medical dramatic and political texts transformed and gendered subjectivities Supernatural causation is denied new diagnoses appear and stage representations proliferate Drama sometimes leads and sometimes follows other cultural discourses or forges its own prophetic figures of distraction The Spanish Tragedy first links madness to masculine tragic self representation and Hamlet invents a language to dramatize feminine somatic illness Innovative women's melancholy is theorized in medical and witchcraft treatises and then elaborated in the extended portrait of the Jailer's Daughter's distraction in *The Two Noble Kinsmen* Lovesickness newly diagnosed in women demands novel cures and allows expressions of transgressive sexual desire in treatises and in plays such as *As You Like It* The rituals of possession and exorcism intensely debated off stage are mocked and exploited on stage in reiterated comic scenes of confinement that madden men to enhance women's power Neely's final chapter provides a startling challenge to the critically alluring analogy between Bedlam and the early modern stage by documenting that Bethlem hospital offered care not spectacle whereas stage Bedlamites served metatheatrical and prophylactic not mimetic ends An epilogue places this particular historical moment within the longer history of madness and shows how our own attitudes toward distraction are haunted by those earlier debates and representations

Fatal Distraction Diane Capri, 2012-05-16 They stole her son She wants him back Bestselling JESS KIMBALL THRILLER SERIES from award winning New York Times and USA Today Bestselling Author DIANE CAPRI Jess Kimball is the relentless mother on a mission to find her son Peter was stolen She wants him back While she searches she's helping other families get justice

Jess Kimball's son has been missing for ten long years. She spends every available moment looking for him. She'll never stop. And never give up hope. She knows the best chance she has to find Peter is a tip from someone who's seen him. To keep her search in the public eye, hoping for the right tip to come her way, she's climbed to the top of her field: investigative reporter for Taboo Magazine. Which is how she met beloved Florida Governor Helen Sullivan. Three years ago, Helen's world shattered when her only son died in a senseless car crash, killing his best friend too. Helen quickly discovered Eric's crash was no accident and lured the killer to her son's funeral to be caught. When the shooting ceased in the small country church, the shooter was dead, and Helen believed her nightmare was over. Instead, she'd unwittingly escalated her duel with a cunning and patient assassin. Now Jess and Helen are driven to find the horrifying truth: Who killed Eric Sullivan? Is the real killer still out there? For fans of Melinda Leigh, Kendra Elliott, Robert Dugoni, Mary Higgins Clark, Greg Iles, Karin Slaughter, Lisa Gardner, Lee Child, Jack Reacher, John Grisham, and James Patterson's *Women's Murder Club* — *Fatal Distraction* Arnold S.

Trebach, 2006-12. From the author of *The Great Drug War*, Macmillan 1987. Unlimited Publishing LLC 2005 and *The Heroin Solution*, Yale University Press 1982. Unlimited Publishing LLC 2006. Comes another controversial study. Details how current U.S. drug policies sap vital resources from more pressing areas of national security. Includes extensive footnotes, citations, and bibliography. *A Duke's Distraction* Maggie Dallen, 2020-01-04. He's looking for a duchess. She's looking for well anyone but him. Georgie Cleveland is well aware that true love exists. She may have even found it in the handsome young gentleman she's set her sights on. Unfortunately, her rival has the same designs on society's most sought-after poet. Now Georgie is forced to go to extremes to catch his eye. She could make him jealous, for example, by feigning interest in her sister's brother-in-law, the Duke of Roxborough. It is all for show, of course. Roxborough is far too dull for her tastes. So boring, so stodgy, yet such a surprisingly passionate kisser. With Roxborough's new title comes more pressure than ever to marry. His mother has prospective wives lined up for him, all perfectly fitted for the role. Why then does he find himself saddled with the wide-eyed Georgie at every turn? He has no use for someone so frivolous, not with the responsibilities he has on his plate. He should help her find a husband to rid himself of her distractions, but that's easier said than done when it quickly becomes clear that her taste in husbands is abysmal. To make matters worse, she seems to have the oddest effect on him. The more she tells him how safe and predictable he is, the more he's tempted to kiss her senseless. **Murder as a Fine Art** Thomas De Quincey, 1899.

The Distracting Splat at the Eiffel Robert Skidmore, 2003-02-11. In the shadow of the Eiffel Tower, an assassin's bullet strikes James Styles just two weeks before the Democratic Party names his spouse, Vice President Harriet Styles, its candidate for the Presidency. The task of apprehending the shooter falls to Richard Thatcher, the Director of the FBI, and Thatcher dispatches his protégé, Barbara Collins, to Paris to lead the investigation. Barbara's quest takes her to the edge of the Arabian Peninsula, then back to Paris, where she uncovers evidence that suggests a domestic American plot. Candidate Harriet Styles mounts a bitter campaign that condemns the FBI for its failure to apprehend the terrorist assassin. Thatcher determined to

protect his embattled agency mounts a parallel investigation A sympathetic American public elects the grieving widow to the highest office in the land Before the inauguration Thatcher identifies the shooter and in doing so shakes the very foundations of the American political system Contesting the Wool: A Material Witness Mystery Diane Vallere,2025-10-28 It s curtains for somebody at the reading of the will Poly Monroe never expected to inherit anything from Reginald Villamere the recently deceased millionaire who preserved San Ladron s historic movie theater As the owner of the town s fabric shop Poly never knew the theater owner but her relatives who left her the fabric shop did When his thirty year old will names them among the beneficiaries Poly finds herself thrust into a mystery one that turns deadly when one of Villamere s lawyers is found murdered in a theater storage room after the will reading concludes Town residents are more abuzz over the will than the murder of a stranger and rumors ensue The historical society contests the will determined to wrest control of the theater for themselves The Villamere s most devoted employee who spent years tending to the old playhouse has been snubbed Another staff member is keeping his past neatly folded away hoping no one pulls at the wrong thread And the murdered lawyer may have had his own secret a hidden connection to an heir no one saw coming As suspicion stitches into every corner of the small California town Poly must rely on her eye for patterns and her knack for unraveling the truth But the closer she gets to mending the gaps in this case the more she risks becoming the next victim in a plot tailored for murder The Menopause Murders Mary Maloney,Ed Markel,2023-03-01 It s a slippery slide from hormones to homicide Meet Debbi Dickerson mousy codependent housewife who at age forty seven feels her life is over Her dreams of being an artist have long been discarded in the wake of her failing marriage and her kids think she s invisible She s stuck on the hamster wheel going nowhere That is until menopause blindsides her Derailed by one symptom after another Debbi struggles to find a way to quell the hot flashes night sweats sudden panic attacks and unbridled rage The gals in her scrapbooking club give her advice on how to survive menopause but nothing seems to help except killing Meet Jerry Dickerson Debbi s husband arrogant insensitive all around jerk whose greatest dream as a homicide detective is to catch a serial killer and be admired for once So when a series of strange deaths break out in Tacoma Washington Jerry is elated but the pressure is on to catch the killer Jerry s boss Sergeant Myra Manners is also going through menopause and makes his life hell And then there s his teenage daughter dishing out hormones like Girl Scout cookies Seriously what s a misogynist to do Have an affair with some bubblehead of course As the bodies pile up more than dishes are going to fly Yet there is light at the end of the tunnel of menopause and Debbi can see it But is it a bright future or the headlights of an incoming train with Jerry s name on it Don t miss this hilarious dark comedy caper Your sides will hurt from laughing The Menopause Murders through poignant comedy explores deep themes of sexism ageism and self image issues that millions of women and men particularly those of the baby boomer generation are facing daily and struggling with in order to find sense meaning and sanity amid the insanity that is our current political and cultural state Praise for this dark comedy women s fiction The Menopause Murders is a fabulous book that is not only well written but
