Peri-urban Water and Sanitation Services Mathew Kurian, Patricia McCarney, 2010-08-17
More than 2.6 billion people in the developing world lack access to safe water and sanitation service The Millennium Development Goal's MDG target is to halve the number of people without access to a sustainable source of water supply and connection to a sewer network by 2015 That target is unlikely to be met If there is anything that can be learnt from European experience it is that institutional reform occurs incrementally when politically enfranchised urban populations perceive a threat to their material well being due to contamination of water sources
