Divine Name:

The Divine Name Jonathan Goldman, 2010-03-15 What if there was a technique for sounding the personal name of God that could change the world In this groundbreaking work sound healing pioneer Jonathan Goldman shares his incredible discovery of The Divine Name a universal sound that when intoned can bring harmony and healing to ourselves and the planet This name encoded within our DNA is the personal name of God once found in the religious texts that link over half the world's population Prohibited and then lost for nearly 2 500 years The Divine Name is available once again It is a sound that when vocalized has the ability to resonate both the physical body and subtle energy fields of anyone who intones it O Coirrespective of religion tradition or belief It has the power to issue in a new era of human consciousness uniting us in healing peace and oneness The Divine Name is a step by step process of vibratory activation that will allow you to experience the power majesty and healing of this extraordinary sound CD NOT INCLUDED *The Unfolding Mystery of the Divine Name* Michael P. Knowles, 2012-08-24 When Moses asked God to show him his glory the Lord passed before him and proclaimed his name And from that name cascaded a promise of grace and love compassion and faithfulness forgiveness and slowness to anger The story is told in Exodus 34 5 7 but the resonant name reverberates through the corridors of Scripture Michael Knowles teases out the rich dimensions and implications of this name by listening carefully to Exodus 34 and its biblical echoes He particularly tunes his ear to the spiritual meditations of later sages In tracing the unfolding mystery of the divine name throughout the span of Israel's story he finds it startlingly resolved in the God of Sinai becoming present in our midst The manifold name of God has long captivated those who trace their spiritual ancestry to Abraham whether they are Jewish Christian or Muslim This book brings this spiritual quest into dialogue with Scripture and tradition and invites us to experience this God of the eternal name Divine Names and the Holy Trinity R.
