nearby ships It would be a month from hell as two major typhoons hit the island causing massive damage It would be a month from hell dodging Jap snipers It would be a month of survival with limited food and water available since the Navy no longer had a post on the island All that was left was the Army and hundreds of Okinawan civilians and of course Jap snipers who did not believe the war was over Insects and disease were as much the enemy as were the Jap soldiers hiding in the limestone caves fighting to the death in honor of the Emperor This is a story of survival in an unknown incident on the Island of Okinawa at the end of WWII
