Diving Into Fire Poems:

Diving Into Fire Robert Currie, 1977-01-01 *Masques at court. Epigrams. The forest. Underwoods, consisting of divers poems* Ben Jonson, 1756 *A Warm Fire* Paul Jason Bartholomew, 2012-09 According to poet Paul Jason Bartholomew a poet is a conductor who arouses and awakens the dormant inner sanctum of self awareness In his poetry collection *A Warm Fire Poems of Faith Family and Friends to Warm the Heart* he uses passion and pathos as powerful motivating instruments in conducting a personal symphony to which we alone can harmonize From picking berries and apples to tapping sap for maple syrup pouring wax for fragrant candles and from warm fires on snowy nights to sledding and autumn walks the subjects of his poetry evoke a warm and happy life Grab a mug of steaming coffee and come absorb the crackle and aroma of a cozy fire in the old stone fireplace as you dive into this new poetry collection *A Warm Fire Curved and crooked* is this leaf strewn path originally made by a cow and her calf still overlaced with leafy arms like most local lanes to local farms The road is special to my wife and me treelined sentinels for my family Tread through mud snow autumn leaves alone we built a place at its end called Home from The Lane *Running in Darkness* Robert Currie, 2007 A subtly powerful collection of poetry which celebrates the shape and details of a full life from youth through middle age to old age and begins to face the prospect of its loss With the sure hand of a veteran poet Robert Currie has created a book of commemoration of reading into the permanent record his life its events and the beloved people in it parents partners and children writers teachers and students And the people who have begun to leave it His sweep is all encompassing from his own imagined conception to vicariously through his parents demise his own imagined end The poems are full of fondness humour and no little irony as he looks back at his younger self and the sometimes but not always painful loss of innocence The final section deals with the loss of his parents and the illnesses and untimely death of friends This life so full of emotion and event is drawing near its close Technique is not the subject here is not the point It stands quietly in service of the story being told Each poem is a small step through this life but they keep coming they pick up speed and you suddenly realize they are walking on your heart And after the bursts of laughter bursts of tears bursts of love and bursts of years Robert Currie delivers us a warning with his own startled realization It goes so fast *The Royal Shakspeare; the poet's works in chronological order from the text of professor Delius, with 'The Two noble kinsmen' and 'Edward iii', and an intr. by F.J. Furnivall, with illustrations. 3 vols. [publ. in 52 pt.]* William Shakespeare, 1896 **On the Aesthetics of Beowulf and Other Old English Poems** John M. Hill, 2010-01-01 What makes one Anglo Saxon poem better than another Why does Beowulf still have the power to move us after so many centuries What might have been aesthetically pleasing to Old English readers and writers of poetry While there is an apparent consensus by scholars on a core of poems considered to be exceptional literary achievements Beowulf Judith the Vercelli book there has been little systematic investigation of the basis for these appraisals With new essays on rhetoric wordplay meter structure irony form psychology ethos and reader response the contributors to this collection aim to find

"The" Plays and Poems of William Shakespeare William Shakespeare,1844 *Martyrdom, Mysticism and Dissent* Asghar Seyed-Gohrab,2021-08-23 This book is the first extensive research on the role of poetry during the Iranian Revolution 1979 and the Iran Iraq War 1980 1988 How can poetry especially peaceful medieval Sufi poems be applied to exalt violence to present death as martyrdom and to process war traumas Examining poetry by both Islamic revolutionary and established dissident poets it demonstrates how poetry spurs people to action even leading them to sacrifice their lives The book s originality lies in fresh analyses of how themes such as martyrdom and violence and mystical themes such as love and wine are integrated in a vehemently political context while showing how Shiite ritual such as the pilgrimage to Mecca clash with Saudi Wahhabi appreciations A distinguishing quality of the book is its examination of how martyrdom was instilled in the minds of Iranians through poetry employing Sufi themes motifs and doctrines to justify death Such inculcation proved effective in mobilising people to the front ready to sacrifice their lives As such the book is a must for readers interested in Iranian culture and history in Sufi poetry in martyrdom and war poetry Those involved with Middle Eastern Studies Iranian Studies Literary Studies Political Philosophy and Religious Studies will benefit from this book From his own memories and

expert research the author gives us a ravishing account of a poetry stained with blood violence and death His brilliantly layered analysis of modern Persian poetry shows how it integrates political and religious ideology and motivational propaganda with age old mystical themes for the most traumatic of times for Iran Alan Williams Research Professor of Iranian Studies University of Manchester When Asghar Seyed Gohrab a highly prolific academician publishes a new book you can be certain he has paid attention to an exciting and largely unexplored subject Martyrdom Mysticism and Dissent The Poetry of the 1979 Iranian Revolution and the Iran Iraq War 1980 1988 is no exception in the sense that he combines a few different cultural religious mystic and political aspects of Iranian life to present a vivid picture and thorough analysis of the development and effect of what became known as the revolutionary poetry of the late 1970s and early 1980s This time he has even enriched his narrative by inserting his voice into his analysis It is a thoughtful book and a fantastic read Professor Kamran Talattof University of Arizona
