Divining Desire:

Divining Desire Sequoia Thom, 2024-03-23 What does sex have to do with God What does God have to do with sex Is sex feeling flat one dimensional leaving you wanting more Is your connection with spirit lacking What if you could connect them together Sequoia Thom M A began grappling with these questions at an early age His strict religious upbringing created a painful internal split between his lustful longing for male love and his equally strong desire to connect with spirit That pain and shame drove him on a life long quest to fathom the depths of both sex and spirit to explore where they may be connected He discovered that libido is like rocket fuel to open the heart and access the spirit After a decade of in depth study of Yoga and Tantra at 35 he began offering Tantra massage and workshops teaching men how to spread the powerful pelvic charge into full body bliss In his deeply personal memoir Sequoia shares all he learned over 50 years on his transformational journey and offers it for your own transformation so that you can free yourself from any residue of sexual guilt or shame deepen your own connection between your sex heart and soul experience deeper love for yourself and others explore sex with human partners as a form of worship of the formless universal Beloved and glimpse the one pure consciousness that we all are at the deepest level I want us all to live with our genitals heart and soul in happy harmony he wrote I offer you my life as an open book Are you ready to connect your own sex and spirit Follow Sequoia s transformational life journey your life will be better because of what you ll discover about you You re in the safest of sensitive hands Sequoia Thom has a healer s touch a poet s vision the multi ringed courage of a mighty first growth tree and an impeccable record for teaching people how to soar from the Foreword by David Mielke

Divining Desire Sequoia Thom, 2024-03-25 I want us all to live with our genitals heart and soul in happy harmony Sequoia wrote I offer you my life as an open book The Divining Mind T. E. Ross, T. Edward Ross, Richard D. Wright, 1990-12 Learn how to dowse beginning with water and other easily verifiable and traditional subjects moving toward accessing information of every kind working beyond the confines of space and time Instructions are given in the use of various dowsing devices as well as remote healing

A Manual of Cartomancy, Fortune-Telling and Occult Divination Grand Orient, 1996-09 1912 5th edition Including the oracle of human destiny Cagliostro s mystic alphabet of the Magi the golden wheel of fortune the art of invoking spirits in the crystal the various methods of divination

Divining Gospel Jeff W. Childers, 2020-03-23 Ancient manuscripts of John s Gospel containing hermeneiai have long puzzled scholars provoking debate about their origins purpose and use The fragmentary nature of the early evidence has impeded progress towards a better understanding of these specialized books The present study shows that these books are Divining Gospels editions of John s Gospel incorporating lot divination materials for use in fortune telling The study centers on material presented here for the first time the text and translation of a unique sixth century Syriac manuscript the earliest and most complete example of a hermeneia Gospel An analysis of the Syriac along with evidence from Greek Coptic Latin and Armenian versions show they all preserve vestiges of the same apparatus disseminated widely at an early time throughout

many different Christian communities These books must be situated squarely within the development of divinatory practices in early and late antique Christianity However they represent a true hermeneutic a method by which interpreters brought the potency of the Bible to bear on the everyday concerns of people who consulted them for help Furthermore the Divining Gospel draws on the special aura that John s Gospel held in the Christian imagination both as text and as textual object An analysis of the interplay between the biblical text and sacred codex the oracles the ritual practitioner and the client enrich our appreciation of this distinctive hermeneutic Contextualizing these materials in popular use illuminates the fraught relationships between the ecclesial establishment ritual experts operating on the margins of orthodox respectability and lay clients seeking knowledge and help

Quixotic Desire Ruth Anthony El Saffar, Diana de Armas Wilson, 2019-06-07 In this venturesome collection scholars representing a variety of approaches contribute fifteen essays that shed new light not only on the uses of psychoanalysis for reading Cervantes but also on the relationship between Freud s reading of Cervantes in the summer of 1883 and the very foundation of psychoanalytic paradigms

Alfred Tennyson Laurence W. Mazzeno, 2004 The poet s reputation has weathered even the most vitriolic attempts to discredit both the man and his writings and as criticism of the late twentieth century demonstrates Tennyson s claim to pre eminence among the Victorians is now unchallenged

Divining Desire James W. Hood, 2017-03-02 This study examines Tennyson s portrayals of the erotic and creative impulses reading the poet s ubiquitous lover artists as tropes that figure the desire for transcending the state of being human a condition of personal fragmentation and limited knowledge Ostensibly seeking to fulfill erotic wishes construct utopias or create grand artistic works Tennyson s characters engage in a fundamentally spiritual quest yearning to divine desire to eternalize the fulfilment of their deepest wishes Freud revealed how Victorians sublimated sexual desire into religious impulse This book demonstrates however the remarkable way in which Tennyson s poems transact the opposing projection transfiguring spiritual desire into erotic art Brilliantly negotiating a middle ground between scientific skepticism and reactionary religiosity his vastly popular poems suggest that fulfilment of the wish too strong for words to name lies in a sacramentality only as means do art and eros allow transport beyond fragmentation At a deep level the poems conclude that language itself brokers transcendence through its very brokenness

"Obscure Dread and Intense Desire" Molly Clark Hillard, 2004

Soft-Shed Kisses Małgorzata Łuczyńska-Hołdys, 2013-07-26 The femme fatale appears with unceasing regularity in the texts of major poets of the nineteenth century She symbolises an intractable mystery a refusal to be defined and a fierce attempt to exist outside the established gender system Soft Shed Kisses Re visioning the Femme Fatale in English Poetry of the 19th Century interrogates the construction and use of the fatal woman motif in the poetry of canonical male writers of the times both Romantic and Victorian Subsequent chapters investigate a variety of poems by John Keats Percy Bysshe Shelley Alfred Tennyson Dante Gabriel Rossetti and Charles Algernon Swinburne in which the femme fatale surfaces as the most important character Close readings of poetry are enriched by an examination of the same motif in visual

art set against the vivid cultural background of the Victorian era
