The New Men's Studies Eugene R. August, 1994 Contains some

1000 annotated entries that describe books about men Coverage includes men s awareness health rights heterosexuality and homosexuality patriarchy and minority males Each entry describes the book s content and where appropriate its political stance The Divorcing Father's Manual Barry B. Frieman,2005 Offers tips and advice for fathers who are about to divorce or who are already divorced in order to maintain relationships with their children **The Divorced Dad Dilemma** Gerald S. Mayer,2000-11-02 At last the confused and hurt father experiencing the loss of marriage family life and routine contact with his children can find calm and loving guidance in how to live in changed circumstances So much written about divorce and single parenting is addressed to women Until recently a caring father has had relatively little guidance for his conduct in the painful process of dismantling a traditional family and establishing a new basis for relating to his former spouse and his children Gerald S Mayer in *The Divorced Dad Dilemma* provides this critically needed guidance in an authoratative gentle and thorough manner *Men's Studies* Eugene R. August,1985 Books included in this bibliography focus on males and exhibit some of the following criteria awareness of male gender role awareness of other works in men s and women s studies transcends stereotypes contribute insight into the universal experience of being male explore issues of important to males such as men s rights or vasectomy **Divorce** Fidel Beauhill,2020-10-15 If you are a woman going through a tough time there are plenty of places you can go to for support There are books workshops and groups both on and offline where you can get the support you need to help you through but you re not a woman you re a man and as men we are largely forgotten when it comes to getting help during difficult times The common misconception is that because we are men we re not in touch with our emotions We are the stronger sex the cavemen the warriors the conquerors and heroes and so it s assumed that we don t need comfort and support and we can just tough it out But if you re a man going through a divorce then you know none of that is true because what you re most likely feeling is devastation The effects of divorce are shown to be worse on the physical and mental health of a man than they are for a woman and that is a proven fact A man feels the weight of responsibility deeply It is in his psyche and it acts like a switch clicking on as he grows finds a mate and builds a family That feeling of responsibility for earning and providing security for his family is primal stuff and the fear of not being able to deliver it is very real If you re going through a divorce or you re about to this is all brought into the open and those feelings are poked and challenged adding to the lack of control you may be feeling already This is not my antagonistic view and it s never about us v them it s about this happy confident men and boys equal happy confident women and girls and we all need to do our bit to promote that In the beginning you will feel upset Divorce is a loss and any loss is sad You re losing your wife your family and your whole way of life and this can have a devastating effect on how you see yourself now It can also seriously affect your ego Learning to deal with these feelings is important but even in this day and age when you hear or see articles and information around the after effects of divorce the focus is mainly on the women and us men go unnoticed But don t forget that marriage is a commitment made by two people and they are both responsible for it There are some options

for men out there already but we re going through a bit of a movement with these things and those groups tend to be run by enlightened men This makes them all a bit hippy and a bit let s go out into the woods in stripy trousers and bang a bongo That s not going to work for the ordinary bloke like me and you and he is not going to don a pair of multi coloured calf huggers for anyone The fact is as a man you will have to learn how to handle these feelings while at the same time leading your family through the divorce without the breakdown of those relationships Without the drama and trauma that can affect you your ex and your kids for decades to come if it s not handled properly This is about stepping into your masculine energy and taking the lead in your divorce for the wellbeing of everyone involved The ordinary bloke gets that which is why this book is for him Men Getting Married in England, 1918-60 Neil Penlington,2023-03-31 Starting after the Great War this book charts the rise of the ritualistic engagement the modern white wedding and the more widely available honeymoon holiday to show changes and continuities in English masculinity by considering power relations between men and women Through a close reading of a range of sources including first person testimonies newspapers and etiquette manuals power relations between bride and groom and between different generations are revealed in the context of social class and the rise of consumerism Men's Changing Roles in the Family Robert A Lewis,Marvin B Sussman,2014-05-01 How are men reacting to perceiving and behaving in light of the changes in gender roles Here is an important volume that provides new and interesting reading about contemporary husbands and fathers Men s Changing Roles in the Family offers an overview of the causes and consequences of changes in men s family roles in recent decades Experts introduce you to the issues problems and methods on the cutting edge of those disciplines that study men in the context of their families Until now relatively little has been known empirically about men in contemporary families and even less has been known about husbands and fathers from direct reports of the men themselves This groundbreaking volume successfully closes this gap in the literature with an examination of the effects that fathers growing involvement with their children have on their wives and themselves a clinical assessment of some men s angry reactions to separation and divorce and those special therapeutic goals and strategies that may help reduce their distress examinations of the conflicting demands of the work world and the family upon some contemporary husbands and fathers and the negative effects of nonstandard work schedules upon men s family life and an examination of factors that make many men unhappy in patriarchal family structures Men s Changing Roles in the Family also contributes toward breaking new ground by examining family roles now performed by special groups of men Finally this important volume reports empirical findings about men in family like relationships illustrating evidence for the unique roles that male caregivers can offer children in day care centers and reviewing current empirical studies of men s friendships and their development **Divorced Fathers and Their Families** Florence W. Kaslow,2012-12-09 This book focuses on the experience of father s lives after a divorce and how mental health professionals can help them create a healthy transition Through the use of case examples critical issues are highlighted and discussed with supportive empirical findings

and clinical insights Traditionally the marital legal sessions as well as the ultimate marriage settlement focus on the issues confronted by the ex wife and mother and on the custody and visitation plan for the children This is actually supported by law in some places This can remove the father from important qualitative issues such as what it is like to have children in two households relationships with two sets of grandparents where holidays will be spent fair rotations of responsibility and how continuing parental discord can be resolved The issues examined in this volume are relevant to a range of professionals who deal with divorcing couples from psychologists and family therapists to legal advisors and judges

As recognized, adventure as with ease as experience practically lesson, amusement, as competently as settlement can be gotten by just checking out a books **Divorce A Guide For Men** then it is not directly done, you could bow to even more approximately this life, in this area the world.

We manage to pay for you this proper as well as easy way to get those all. We provide Divorce A Guide For Men and numerous ebook collections from fictions to scientific research in any way. accompanied by them is this Divorce A Guide For Men that can be your partner.
