Katz,2015 This volume examines the state of family law in America Among its themes is the tension between individual autonomy and governmental regulation in all aspects of family law It examines both conventional and new definitions of formal and informal domestic relationships **Muslim Marriage in Western Courts** Pascale Fournier,2016-04-29 This book describes and analyses the notion of Mahr the Muslim custom whereby the

groom has to give a gift to the bride in consideration of the marriage It explores how Western courts specifically in Canada the United States France and Germany have approached and interpreted Mahr Although the outcomes of the cases provide an illustrative framework for the book the focus is broader than simply the adjudicative endeavours The work explores the concept of liberalism which purportedly champions individuals and individual choice concurrently with freedom and equality Tensions between and among these concepts however inevitably arise The acknowledgment and exploration of these intertwined tensions forms an important underpinning for the book Through the analysis of case law from these four countries this study suggests that transplanting Mahr from Islamic law into a Western courtroom cannot be undone it immediately becomes rooted in the countries legal historical political and social backgrounds and flourishes or fails in diverse and unexpected ways Rather than being the concept described by classical Islamic jurists Mahr is interpreted according to wildly varied legal constructs and concepts such as multiculturalism fairness public policy and gender equality Moreover Islamic law travels with a multiplicity of voices and it is this complex hybridity a fragmented and disjointed Mahr which will be mediated through Western law Returning to the overarching concept of liberalism the book proposes that distributive consequences rather than recognition occupy central place in the evaluation of the legal options available to Muslim women upon divorce

Collaborative Law Sheila M. Gutterman, 2004 Collaborative Law A New Model for Dispute Resolution is the most comprehensive book available on this innovative process Created for attorneys and professionals who want to learn more about this alternative method of resolving disputes it is filled with practical information that will enhance your understanding and give you the tools you need to successfully implement the collaborative law process in your business
