Divorce And Christians:

Divorce and Remarriage Sheila Sims,2010-06 Divorce and Remarriage is one of the ways in which God delivers His people from their past mistakes You see Jesus died so we wouldn't have to suffer the consequences of our sins for the rest of our lives His Blood has cleansed us from our sins including our past mistakes Remarriage is practiced in the New Testament Satan arranges marriages too so discover why people get divorced If you've been separated for years find out what the Bible says to do about getting remarried Adultery is not the unpardonable sin it can be forgiven Should you wait until your ex spouse dies before you get remarried It's not your choice to remain single for the rest of your life Why remarried Christians shouldn't be put out of the church There's no recession in the Kingdom of God Find out where Extra money comes from Learn how to pray and get results Gain knowledge for raising your step children and your own children together *Divorce and Remarriage* Virginia King,2019-07-30 So many times we ask the question Why am I remaining Single and my partner was unfaithful that is not fair to me At this point we refer to Matthew 19 1 9 Is Divorce Always Wrong Women in Jesus time had little legal protection can a man divorce his wife for any reason They could be divorced simply for displeasing their husbands Jesus teaching here is that divorce is contrary to the will of God and his intentions is that marriage last a lifetime Jesus acknowledged that in the case of adultery divorce may be a sad necessity when one partner refuses to stop his or her unfaithfulness This not the Bible's last word on divorce however does God permit divorce Paul later suggested another possible scenario for divorce when a believer is deserted by an unbelieving spouse 1 Cor 7 15 Divorced But Not Forsaken Julie Brown,2008-12 There are few remaining topics in the Christian church that can raise a more vehement and diverse response than divorce For the last thirty years the church seems to have watched from the sidelines as the number of failed marriages within its membership has risen to reflect statistics alarmingly similar to the secular world Rather than addressing the reality that even some Christian marriages will end in divorce church leaders have responded with a generally confusing mixture of ignoring the problem or admonishing those struggling with bad marriages to simply figure out a way to remain in the marriage These diametrically opposed tactics may seem to provide a comprehensive solution but in fact leave in isolation the continually growing population of divorced Christians who must deal with this emotionally and spiritually charged life experience Divorced but Not Forsaken Experiencing God's Healing as Marriage Ends is the book that I needed to read as I was seeking answers during my own divorce The healing process that transpires through the pages of Divorced but Not Forsaken can be felt by the writer and reader alike Michelle Meacham Meacham's Editorial Services 920 559 6151 writeawaymm@gmail.com *Christian view of divorce according to the teachings of the New testament* Shaner,2023-07-10 Covenant Divorce and Putting Away Vern Peltz,2017-10-26 Divorce is a very painful event especially in the Christian community It is misunderstood and can carry a tremendous amount of stigma and shame It often brings criticism separates friends and family causes the divorcees to leave their church and typically leaves them questioning their faith and future

marriage options Yet it is a reality that people are faced with on a daily basis We can't ignore it and expect it to go away How do we deal with it What does the Bible say about it How is a believer to view and feel about it What does God think of Divorce Can a Divorced believer Remarry Surprisingly the Bible has quite a lot to say about the subject And it doesn't say what most Christians think it says Many sincere and God Loving people have suffered needlessly because of the misunderstandings incorrect teachings and doctrines that surround the subject This book gives solid scriptural insight into many aspects of Divorce including the fact that the Bible clearly shows that Divorce is not a sin as so many have been taught Before Divorce can be understood from God's perspective we need to understand Marriage from His perspective It was God who designed and instituted marriage How He views marriages and what He considers to be a marriage are very important if we are going to understand Divorce and the possibility of Remarriage In order to help us understand God's perspective a considerable amount of the book deals with what a Covenant is and how it pertains to marriage These chapters are invaluable to anyone who would like to see marriage explained from the aspect of Covenant which is how God views marriages This portion of the book is a tremendous asset in helping improve and fine tune any marriage The process of Putting Away which results in Divorce is detailed Unfortunately this aspect of the process is virtually unknown to most believers Yet from God's perspective it is the most important element of the entire process If you are going to understand Divorce you must understand Putting Away The scriptural perspective of Remarriage is also dealt with If you or someone you know has struggled with the pain guilt confusion and uncertainty that follows most Christians who have been divorced this book will be a tremendous help to you

Dr. Wanda O. Wallace, 2014-09-18 This book is a scriptural guide to help Marriages Couple stay together From the beginning God's plan was that men leaves his father and mother and take the wife of his youth and they trust God to meet their needs But when Adam and Eve sin that change God plan for His families here on earth As we discover our heavenly Father intended for marriage and walk according to it only then will our marriage be blessed To the secular world and non Christians some might find it hard to line their life up with the word of God If you can open up your heart and mind and read this book along with God's word you find that God love you and want best for your life Below you see the different from Adam and Noah life review the list First Beginning with Adam and Eve God's Action in Genesis 2 7 God created Adam and Eve from the dust God's Provision Genesis 1 29 31 2 8 God planted the Garden and gave Adam and Eve plants to eat All the food they need was in the garden God's Blessing Genesis 1 28 Be fruitful and multiply have dominion over living things God's Covenant No Covenant with Adam and Eve God's Prohibition Genesis 2 16 Do not eat of the tree of the knowledge of good and evil God's Warning Genesis 2 17 Those who eat of it will die God's Evaluation Genesis 1 3 It is very good The Second Beginning with Noah We all know the story of Noah and his family How God gave humanity a second chance I call it a fresh start The Second Beginning is has the same provision but the command are has change Action in Genesis God save Noah and his family from

Divorce and Remarriage by the Book William G. Lagasse, 2009-08 Divorce is rampant in the world and in the Church The World Health Organization has named swine flu a pandemic because of its rapid spread around the world Divorce because of its rapid and out of control growth in the Church should be viewed as a Christian pandemic Divorce and Remarriage looks at three areas the problem the solution and how to get to the solution Divorce in the Christian church is a result of secular thinking and a biblical ignorance The Bible is full of illustrations of marital strife and its affects on family children and associates The solution is simple the Bible also gives explicit instructions and illustrations to the Christian so they can have a meaningful and fulfilling relationship The last step is the hardest how to arrive at the solution Divorce and Remarriage is not a self help book Christians cannot help themselves Jesus said he would send a helper the Holy Spirit Therein lies the solution In the power of the Holy Spirit we find the solution a transformed life Divorce and Remarriage is a call to Christians to take responsibility for their actions submit themselves under the authority of Scripture and find fulfillment in their next and last marriage Bill became a Christian while going through his second divorce He is a graduate of Word Of Life Bible Institute in Schroon Lake New York He has a bachelor of Arts degree is Church Education from Southeastern Bible College in Birmingham Alabama He is currently living with his wife in Sarasota Florida

God Will Never Divorce You! Dr. E.R. Báez, M.Div JD. Ph.D., 2018-08-24 Legally speaking a divorce is a dissolution of a marriage by a competent court or other competent body I read one time a statistical data that said that men are eight times more prone than women to commit suicide after a divorce That statistic was shocking to me That meant that out of every divorce that the author was handling handled or would handle some of the man that the author represented would commit suicide In an effort to evade the statistical data this book was born This book explains the issues around divorce the devastating effects on families the root of the problem with divorces and the fallacies that accompany a divorce Moreover the author will talk about some issues presented to marriage men in general and God s plan amidst these issues The author takes you the reader through his journey as a divorcee a divorce attorney and now a minister of God Through it all God has never divorced him and the author can now convey to you that God will never divorce you

Can Divorced Christians Remarry? Robert Sr. Eldredge (Sr), 2013-02 This book Can Divorce Christians Remarry has a fresh new perspective based upon current and historical research and what the Bible and our loving God really do say about divorce and remarriage God doesn t want us bound by the false traditions of men so this book gives specific cases when remarriage should be allowed However the restoration of troubled marriages is still God s

first priority so specific cases are given when remarriage should not be allowed This book also answers difficult questions about the ordination of church leaders as well as those relating to the emotional needs of divorced men and women Biblical answers are given on how we can with the help of the Lord overcome the negative emotions of grief anger depression bitterness unforgiveness and rejection so we can live the happy fruitful and abundant lives that God desires for all of his children John 10 10

The Marriage Covenant Samuele Bacchiocchi,1991

Divorce and Remarriage B. Ward Powers,2013-12-16 Description The Bible s Law and Grace approach is summed up in the one short saying 1 Corinthians 7 27 28 CEB If you are married don t get a divorce If you are divorced don t try to find a spouse But if you do marry you have not sinned This book provides a careful and detailed presentation of these aspects of the Bible s teaching and its application in the lives of Christians in the twenty first century Divorce is completely contrary to the will and purpose of God which is One man one woman for life For I hate divorce says the Lord Mal 2 16 But Jesus focuses our attention on the real problem sin disrupting damaging and ultimately destroying the marriage relationship Do not let this happen Jesus warns us He says They are no longer two but one flesh Therefore humans shouldn t pull apart what God has put together Matt 19 6 Mark 10 8 9 CEB And to allow or to cause the marriage relationship to be sundered is a serious sin But the grace of Christ can forgive sin and restore the sinner And in certain circumstances as set out by Paul the Apostle says to those who have been divorced they must marry THE THREE STEP PAULINE PROCEDURE when a marriage is being sundered 1 If there is a rift in the marriage relationship seek reconciliation 1 Corinthians 7 11b Paul bases this instruction upon the crystal clear command of Christ Do not let anyone sunder the one flesh relationship of marriage Matt 19 6 Whatever is going wrong with that relationship deal with it This is the word of the Lord himself 2 But if because of human sin and disobedience the marriage breaks up then remain unmarried 1 Corinthians 7 11a And seek now whether God is giving the gift of celibacy chastity and continence as Paul himself had received 1 Corinthians 7 7 8 This may now be God s calling to the person who has become agamos demarried whether divorced or widowed 3 But for others who have become agamos and who find after seeking to live celibate that they do not have this gift Paul has a word of guidance in their circumstances they must marry 1 Corinthians 7 9

Apostasy & Divorce: Forty Years in the Wilderness of Divorce and Remarriage Stephen M. Weaver, Catherine C. Weaver, 2019-06-27 Apostasy is defined as a falling away from or a deliberate abandonment of what had been established scriptural principles and doctrine This is exactly where the broader Church is today on the doctrine of divorce and remarriage Written from an Evangelical Protestant perspective we examine this apostasy and its ramifications to the broader Church society and individuals The authors own 40 year journey vividly underscore the theme Christians from the first 1900 years of the Church would not recognize today's doctrine as Christian Jesus exact teachings are examined in depth as are those of Paul Jesus definition of the divorced and remarried as adulterers is paramount to the entire discussion Adultery is one listed reason for exclusion from the kingdom The differences between legalism and grace are examined and explained The outcomes to individuals and society are listed and backed with scripture history and facts demonstrated beyond a reasonable doubt

Remarriage after Divorce in Today's Church Zondervan, 2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

[Help for Questioning Christians](#) John T. Whitehead, 2025-03-31 Help for Questioning Christians by John Whitehead is a guide for Christians to recent scholarly writing on key moral issues such as the Prosperity Gospel abortion euthanasia homosexual sexual activity physician assisted suicide the death penalty and Christian nationalism While many official church documents assert that several of these issues are immoral and sinful there are theologians and other scholars who offer positions that justify such actions based on lack of biblical support or a different line of theological reasoning This book explains these

approaches and compares them to traditional answers The book does not endorse positions but leaves it to each reader to try to make an informed decision about each issue Confessions of a Good Christian Girl Tammy Maltby, 2008-01-01 You already know the women you ll meet in this book They may sit beside you in the pew or join you at small group or touch your heart from a speaker s podium They have all been saved They all love the Lord And yet One struggles with suicidal despair Another is involved with adultery pornography or a same sex attraction Another endures regular beatings or worse by someone who claims to love her Another is divorced or thinking about it This one drinks secretly or doctor shops for pain pills That one wrestles with depression or bipolar disorder And many others feel they can never be thin enough beautiful enough successful enough or Christian enough to be loved or accepted They re all good Christian girls who have been broken by sin their own and others They all needed the honest life giving truth at the heart of this book Do you Tammy Maltby addresses issues that aren t discussed much in church circles private sins that she and other women have battled
