Divorce And Remarriage Four Christian Views:

Divorce and Remarriage H. Wayne House,1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards

Defining the New Testament Logia on Divorce and Remarriage in a Pluralistic Context Yordan Kalev Zhekov,2009-01-01 Christian marriage is a permanent union which requires the commitment of both spouses for its maintenance through fulfillment of its stipulations The failure of the fulfillment of the latter provides legitimate grounds for divorce and remarriage of the innocent party This work employs a fourfold approach for the development of NT ethical argumentation based on Richard B Hays Moral Vision of the New Testament The author establishes the proper contextual grounds for the NT study through formulation of the Old Testament perspective on marriage as covenant The relevant NT passages are examined through historical critical and narrative critical methods A critical study of the main Christian traditions leads to an ecumenical formulation of the theological conclusions Pragmatic implementation of the thesis follows an examination of the contemporary pluralistic context and applications in both Christian communities and the larger society within its legislative system

Remarriage in Early Christianity A. Andrew Das,2024-06-27 What did early Christians believe about remarriage after divorce The New Testament sends mixed messages about divorce Jesus forbids it in Mark s and Luke s Gospels but he seems to make an exception for victims of infidelity in Matthew s Gospel Paul permits divorce in 1 Corinthians when an unbeliever initiates it Yet other Pauline passages imply that remarriage after divorce constitutes adultery A Andrew Das confronts this dissonance in Remarriage in Early Christianity Challenging scholarly consensus Das argues that early Christians did not approve of remarriage after divorce His argument covering contemporary Jewish and Greco Roman contexts the Gospels Paul s letters and ante Nicene interpretation reveals greater consistency in early Christianity than is often assumed Das pays special attention to the Greek words used in contemporary bills of divorce and in the New Testament offering much needed clarity on hotly contested concepts like porneia At once sensitive and objective Das finds an exegetically sound answer to the question of remarriage among early Christians This bold study will challenge scholars and enlighten any Christian concerned with what Scripture has to say on this perennially relevant topic Choice Outstanding Academic Titles List 2024

God, Marriage, and Family Andreas J. Köstenberger,David W. Jones,2010 This updated edition of Köstenberger and Jones s landmark work tackles the latest debates and cultural challenges to God s plan for

marriage and the family and urges a return to a biblical foundation **God's Love Story** Joshua Joel Spoelstra, 2020-02-20
God's Love Story A Canonical Telling traces the metaphorical theme of God's love relationship's that spans the entire Bible
God lovingly pursues humankind in relationship that is robustly satisfying and salvific Like many relationships God's love
story with God's people is both transcendent and tragic messy and mercy filled raw and redemptive Not merely a series of
events relegated to the past God's love story is an ongoing present phenomenon a salvation relationship into which God
invites all peoples to collectively be the spouse of God **Psychology & Christianity** Gary R. Collins, Eric L.

Johnson, Stanton L. Jones, 2000-01-01 This collection of essays edited by Eric Johnson and Stanton Jones offers four different
models for the relationship between Christianity and psychology **The Indissolubility of Marriage** Matthew

Levering, 2019-05-10 This well researched book explains why the Catholic Church continues to teach marital indissolubility
and addresses the numerous contemporary challenges to that teaching It surveys the patristic witness to marital
indissolubility along with Orthodox and Protestant views as well as historical critical biblical exegesis on the contested
biblical passages It also surveys the Catholic tradition from the Trent through Benedict XVI and it examines a Catholic
argument that the Catholic Church's teaching can and should change Then it explores Amoris Laetitia the papal exhortation
from Pope Francis on marriage and the various major responses to it with the issue of marital indissolubility at the forefront
Finally it retrieves Aquinas's theology of marital indissolubility as a contribution to deepening current theological discussions
The author argues that Amoris Laetitia upholds the traditional Catholic teaching that a valid and consummated Christian
marriage is absolutely indissoluble in accord with the teachings of Jesus and the Apostle Paul as solemnly and authoritatively
taught by the Council of Trent and affirmed by later popes and the Second Vatican Council He says that Amoris Laetitia
should be interpreted and implemented in light of the doctrine of marital indissolubility implementations that undermine this
doctrine should be avoided Levering says that numerous contemporary Catholic theologians and biblical scholars are
mistakenly turning the indissolubility of marriage into contingent dissolubility based upon whether the spouses continue to
act in loving ways toward each other The sacrament's gift of objective indissolubility is thereby undermined Fortunately the
main interpreters of Amoris Laetitia whose views have been approved by Pope Francis insist that the Apostolic Exhortation
does not change the doctrine of marital indissolubility in any way **Christian Counseling Ethics** Randolph K.

Sanders, 2013-03-08 Editor Randolph K Sanders assembles a team of scholar practitioners to forge a comprehensive ethical
approach to Christian counseling Christian psychotherapists pastors and others in the counseling profession will find here a
ready resource for a wide array of contemporary clinical scenarios **Fundamental Christian Ethics** Daniel

Heimbach, 2022-11-01 In Fundamental Christian Ethics Daniel Heimbach draws from decades of research and scholarship to
introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical
topics and issues *Marriages Designed In Heaven* Gaylon West, 2015-01-18 The subject of marriage is a timely subject The

Bible simply defines marriage as a man takes a woman Happiness and well being in marriage is based on a specific design This design along with society s mores civil government expectations and ecclesiastical laws and fantasies are addressed Jesus message is compared and or contrasted with Moses the Prophets the Pharisees the Apostles and Medieval church leaders Over 40 translations of the Bible were consulted in addition to comparing the ancient Hebrew with its Greek equivalents through interlinears word studies lexicons dictionaries textual variants and scholastic articles and comments The appendix gives the history of Christendom s changing positions on marriage divorce and remarriage *Jesus and the Gospels* Craig L. Blomberg,2009 This second edition of *Jesus and the Gospels* prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Craig Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries The original 1997 book won a Gold Medallion Award from the Evangelical Christian Publishers Association and this updated version factoring in new scholarship debate critical methods and the ongoing quest of the historical Jesus ensures the work will remain a top tool for exploring the life of Christ through the first four books of the New Testament Divorce in the New Testament Raymond F.

Collins,2017-04-07 Few New Testament texts have had their meaning debated so vigorously as those in which Jesus discusses divorce Matthew 5 32 Matthew 19 6 9 Mark 10 9 12 Luke 16 18 and 1 Cor 7 11 From the early Church through there formation and into the present day they have continued to rouse debate within the Churches and among believers This work focuses on one aspect of that debate namely what Jesus has to say regarding divorce when his sayings are interpreted in their literary and historical context To aid in this contextual understanding the sayings are studied in the order in which they were written down in ancient times Not every aspect of the debate therefore is addressed nor could it be on an issue of such personal and pastoral complexity Yet it is the challenge of biblical scholars to study the Word of God in all its complexity and to try to make that Word understandable This work is offered to scholars and believers alike in the hope of adding to that understanding
