

THE DIXIE FRONTIER

A Social History

by Everett Dick

Foreword by John D. W. Guice

Dixie Frontier

Mike Bunn, Clay Williams

Dixie Frontier:

Life and Confession of the Noted Outlaw James Copeland James Robert Soda Pitts, 1909

Old Southwest to Old South Mike Bunn, Clay Williams, 2023-02-22 Mississippi's foundational epoch in which the state literally took shape has for too long remained overlooked and shrouded in misunderstanding. Yet the years between 1798 when the Mississippi Territory was created and 1840 when the maturing state came into its own as arguably the heart of the antebellum South was one of remarkable transformation. Beginning as a Native American homeland subject to contested claims by European colonial powers, the state became a thoroughly American entity in the span of little more than a generation. In *Old Southwest to Old South*, Mike Bunn and Clay Williams tell the story of Mississippi's founding era in a sweeping narrative that gives these crucial years the attention they deserve. Several key themes addressing how and why the state developed as it did rise to the forefront in the book's pages. These include a veritable list of the major issues in Mississippi history: a sudden influx of American settlers, the harsh saga of Removal, the pivotal role of the institution of slavery and the consequences of heavy reliance on cotton production. The book bears witness to Mississippi's birth as the twentieth state in the Union and it introduces a cast of colorful characters and events that demand further attention from those interested in the state's past. A story of relevance to all Mississippians, *Old Southwest to Old South* explains how Mississippi's early development shaped the state and continues to define it today.

Eating, Drinking, and Visiting in the South Joe Gray Taylor, 1982-04-01 A lively informal history of over three centuries of southern hospitality and cuisine. *Eating, Drinking, and Visiting in the South* traces regional gastronomy from the sparse diet of Jamestown settlers who learned from necessity to eat what the Indians ate to the lavish corporate cocktail parties of the New South. Brimming with memorable detail, this book by Joe Gray Taylor ranges from the groaning plates of the great plantations witnessed by Frederick Law Olmsted and a great many others to the less than appetizing extreme guests often confronted in the South's nineteenth-century inns and taverns: execrable coffee, rancid butter, and very dubious meat. Taylor describes the diet of the early pioneers with its corn bread, beaver tail soup, and black bear meat, and the creation of the South's regional cuisines, including Kentucky's burgoo and Louisiana's gumbo. He tells of the rounds of visitation that were the social lifeblood of the Old South: the fatback and hoecake that fed plantation slaves and of the starvation diet of the Confederate soldier and civilian. Taylor then looks at how technological advances and urbanization have in some cases enhanced but more often diluted the southern eating experience, and he finds that despite the introduction of fast food abominations and factory-made horrors such as quick grits and canned biscuits, the region's sturdy eating, drinking, and social traditions still flourish in many byways and on some main avenues of the modern South. In a new introduction, noted food writer John Egerton looks at what motivated Joe Gray Taylor to undertake this fine study and discusses how southern food studies have progressed since the book was first released.

Tennessee Frontiers John R. Finger, 2001-11-13 A comprehensive history of the Volunteer State's formation from the prehistoric era to

the closing of the frontier in 1840 This chronicle of the formation of Tennessee from indigenous settlements to the closing of the frontier in 1840 begins with an account of the prehistoric frontiers and a millennia long habitation by Native Americans The rest of the book deals with Tennessee s historic period beginning with the incursion of Hernando de Soto s Spanish army in 1540 John R Finger follows two narratives of the creation and closing of the frontier The first starts with the early interaction of Native Americans and Euro Americans and ends when the latter effectively gained the upper hand The last land cession by the Cherokees and the resulting movement of the tribal majority westward along the Trail of Tears was the final decisive event of this story The second describes the period of Euro American development that lasts until the emergence of a market economy Though from the very first Anglo Americans participated in a worldwide fur and deerskin trade and farmers and town dwellers were linked with markets in distant cities during this period most farmers moved beyond subsistence production and became dependent on regional national or international markets Two major themes emerge from Tennessee Frontiers first that of opportunity the belief held by frontier people that North America offered unique opportunities for advancement and second that of tension between local autonomy and central authority which was marked by the resistance of frontier people to outside controls and between and among groups of whites and Indians Distinctions of class and gender separated frontier elites from lesser whites and the struggle for control divided the elites themselves Similarly native society was riddled by factional disputes over the proper course of action regarding relations with other tribes or with whites Though the Indians lost in fundamental ways they proved resilient adopting a variety of strategies that delayed those losses and enabled them to retain in modified form their own identity Along the way the author introduces the famous personalities of Tennessee s frontier history Attakullakulla Nancy Ward Daniel Boone John Sevier Davy Crockett Andrew Jackson and John Ross among others They remind us that this is the story of real people who dealt with real problems and possibilities in often difficult circumstances Finger draws on his rich research into the Southern frontier to illuminate not only Tennessee s three physiographic zones but also their spheres of interaction The author skillfully summarizes and illustrates the complexity of Tennessee s frontier history addressing issues of leadership Jackson versus all rivals land speculation ever dominant and Indian affairs where he is at his best Like the late Stanley Folmsbee Finger knows the three Tennessees linguistically geographically politically socially and economically fortunately for the reader he has constructed a well balanced account of them all Maps charts illustrations and 48 pages of sources enhance the volume s usefulness for collections on the American frontier All levels and collections J H O Donnell III

Alabama's Frontiers and the Rise of the Old South Daniel Dupre, 2017-11-30 A well written nicely comprehensive and inclusive social history of Alabama before and immediately after statehood H AmIndian Alabama endured warfare slave trading squatting and speculating on its path to becoming America s twenty second state and Daniel S Dupre brings its captivating frontier history to life in Alabama s Frontiers and the Rise of the Old South Dupre s vivid narrative begins when Hernando de Soto first led hundreds of armed

Europeans into the region during the fall of 1540 Although this early invasion was defeated Spain France and England would each vie for control over the area s natural resources struggling to conquer it with the same intensity and ferocity that the Native Americans showed in defending their homeland Although early frontiersmen and Native Americans eventually established an uneasy truce the region spiraled back into war in the nineteenth century as the newly formed American nation demanded more and more land for settlers Dupre captures the riveting saga of the forgotten struggles and savagery in Alabama s and America s frontier days An introduction to the interaction of European powers the United States and Indian tribes in Alabama and the Southeast Western Historical Quarterly The Contexts of Social Mobility Anselm L.

Strauss,2017-07-12 This book contains a major statement by one of America s most preeminent sociologists on what remains an important problem in American history and social analysis the nature and extent of movement within American society from one status to another The most important images of mobility involve self improvement by changing location going to the frontier coming to the big city and by changing social class second generation immigrants Almost all sociological and historical analysis has been limited to these themes Strauss extends the concept to a wide range of ideologies institutional contexts and social movements his analysis is based on a formal theory of status passage and develops a partial theory of mobility Strauss addresses a theme that underscores much of one strand of his work the changing articulation of individuals with their social structure and institutions The book follows on from the theoretical presuppositions of *Discovery of Grounded Theory* and the formal theory presented in *Status Passage* Strauss was continually concerned with American social and intellectual life in its historical and contemporary manifestations No one else has looked at the important phenomenon of mobility in this broad a context and from this point of view The book remains important to those concerned with the social history of America and with problems of social change *Women and the Creation of Urban Life* Elizabeth York

Enstam,1998 Those individuals remembered as the founders of cities were men but as Elizabeth York Enstam shows it was women who played a major role in creating the definitive forms of urban life we know today *Duels and the Roots of Violence in Missouri* Dick Steward,2000 In early nineteenth century Missouri the duel was a rite of passage for many young gentlemen seeking prestige and power In time however social groups outside the ruling class engaged in a variety of violent acts and symbolic challenges under the rubric of the code duello In *Duels and the Roots of Violence in Missouri* Dick Steward takes an in depth look at the evolution of dueling tracing the origins course consequences and ultimate demise of one of the most deadly art forms in Missouri history By focusing on the history of dueling in Missouri Steward details an important part of our culture and the long reaching impact this form of violence has played in our society **Flush Times and Fever**

Dreams Joshua D. Rothman,2012-11-01 In 1834 Virgil Stewart rode from western Tennessee to a territory known as the Arkansas morass in pursuit of John Murrell a thief accused of stealing two slaves Stewart s adventure led to a sensational trial and a wildly popular published account that would ultimately help trigger widespread violence during the summer of

1835 when five men accused of being professional gamblers were hanged in Vicksburg nearly a score of others implicated with a gang of supposed slave thieves were executed in plantation districts and even those who tried to stop the bloodshed found themselves targeted as dangerous and subversive Using Stewart's story as his point of entry Joshua D Rothman details why these events which engulfed much of central and western Mississippi came to pass He also explains how the events revealed the fears insecurities and anxieties underpinning the cotton boom that made Mississippi the most seductive and exciting frontier in the Age of Jackson As investors settlers slaves brigands and fortune hunters converged in what was then America's Southwest they created a tumultuous landscape that promised boundless opportunity and spectacular wealth Predicated on ruthless competition unsustainable debt brutal exploitation and speculative financial practices that looked a lot like gambling this landscape also produced such profound disillusionment and conflict that it contained the seeds of its own potential destruction Rothman sheds light on the intertwining of slavery and capitalism in the period leading up to the Panic of 1837 highlighting the deeply American impulses underpinning the evolution of the slave South and the dizzying yet unstable frenzy wrought by economic flush times It is a story with lessons for our own day Published in association with the Library Company of Philadelphia's Program in African American History A Sarah Mills Hodge Fund Publication

Women and Men on the Overland Trail John Mack Faragher, 2008-10-01 This classic book offers a lively and penetrating analysis of what the overland journey was really like for midwestern farm families in the mid 1800s Through the subtle use of contemporary diaries memoirs and even folk songs John Mack Faragher dispels the common stereotypes of male and female roles and reveals the dynamic of pioneer family relationships This edition includes a new preface in which Faragher looks back on the social context in which he formulated his original thesis and provides a new supplemental bibliography Praise for the earlier edition Faragher has made excellent use of the Overland Trail materials using them to illuminate the society the emigrants left as well as the one they constructed en route His study should be important to a wide range of readers especially those interested in family history migration and western history and women's history Kathryn Kish Sklar An enlightening study American West A helpful study which not only illuminates the daily life of rural Americans but which also begins to compensate for the male orientation of so much of western history Journal of Social History

Sugar Creek John Mack Faragher, 2017-02-01 The fascinating story of the birth and development of a rural American community from its origins at the turn of the nineteenth century to the years that followed the Civil War Drawing on newspapers account books and reminiscences the author of the prize winning Women and Men on the Overland Trail vividly portrays the lives of the prairie's inhabitants Indians pioneers farming men and women and adds a compelling new chapter to American social history This is a book for anyone who has ridden down a country road and hearing the wind whistle through the cornstalks wondered about the Indians and pioneers who listened to that sound before him Ron Grossman Chicago Tribune Every chapter almost every page contains new ideas or throws new light on old ones by means of a wealth of detail and clarity of thought which

brings the past alive again Hugh Brogan The Times Literary Supplement A notably successful example of the new work being done on the social history of rural America Faragher has constructed a vivid portrait of everyday life as well as an analysis of how the community developed and changed George M Fredrickson New York Review of Books Here succinctly set out is the American prairie experience Publishers Weekly Sugar Creek is a major new interpretation of America s rural past Howard R Lamar Yale University Winner of the 1986 Society for the History of the Early American Republic Award John Mack Faragher is associate professor of history at Mount Holyoke College The Emergence of a National Economy, 1775-1815 Curtis P. Nettels, 2017-07-28 Part of a series of detailed reference manuals on American economic history this volume traces the development of agriculture transportation labour movements and the factory system foreign and domestic commerce technology and the ramifications of slavery *The Rivers Ran Backward* Christopher Phillips, 2016-04-22 Most Americans imagine the Civil War in terms of clear and defined boundaries of freedom and slavery a straightforward division between the slave states of Kentucky and Missouri and the free states of Illinois Indiana Ohio and Kansas However residents of these western border states Abraham Lincoln s home region had far more ambiguous identities and contested political loyalties than we commonly assume In *The Rivers Ran Backward* Christopher Phillips sheds light on the fluid political cultures of the Middle Border states during the Civil War era Far from forming a fixed and static boundary between the North and South the border states experienced fierce internal conflicts over their political and social loyalties White supremacy and widespread support for the existence of slavery pervaded the free states of Ohio Indiana and Illinois which had much closer economic and cultural ties to the South while those in Kentucky and Missouri held little identification with the South except over slavery Debates raged at every level from the individual to the state in parlors churches schools and public meeting places among families neighbors and friends Ultimately the pervasive violence of the Civil War and the cultural politics that raged in its aftermath proved to be the strongest determining factor in shaping these states regional identities leaving an indelible imprint on the way in which Americans think of themselves and others in the nation *The Rivers Ran Backward* reveals the complex history of the western border states as they struggled with questions of nationalism racial politics secession neutrality loyalty and even place as the Civil War tore the nation and themselves apart In this major work Phillips shows that the Civil War was more than a conflict pitting the North against the South but one within the West that permanently reshaped American regions **Faulkner's Artistic Vision** Ryuichi Yamaguchi, 2004-04 Although William Faulkner s imagination is often considered solely tragic it actually blended what Faulkner himself called the bizarre and the terrible Not only did Faulkner s vision encompass both comedy and tragedy it perceived a latent humor in tragedy and vice versa As a result Faulkner s fiction is seldom simply comic or simply tragic Faulkner s comedy incorporates tragedy and despair and the humor in his novels may serve as well to intensify as to relieve a tragic or horrific effect This study examines Faulkner s first nine novels from *Soldiers Pay* to *Absalom Absalom* showing how humor is used to express theme how it appears in the action

characters and discourse of each novel and how it contributes to the overall effect of each novel In each case even in the most pained and angry novels Faulkner s practice of humor expresses his view that humor is an inseparable element of human experience Ryuichi Yamaguchi is Professor of English and American literature at the Aichi University in Japan

Early Alabama Mike Bunn,2019-06-25 An illustrated guidebook documenting the history and sites of the state s origins Alabama s territorial and early statehood years represent a crucial formative period in its past a time in which the state both literally and figuratively took shape The story of the remarkable changes that occurred within Alabama as it transitioned from frontier territory to a vital part of the American union in less than a quarter century is one of the most compelling in the state s past This history is rich with stories of charismatic leaders rugged frontiersmen a dramatic and pivotal war that shaped the state s trajectory raging political intrigue and pervasive sectional rivalry Many of Alabama s modern cities counties and religious educational and governmental institutions first took shape within this time period It also gave way to the creation of sophisticated trade and communication networks the first large scale cultivation of cotton and the advent of the steamboat Contained within this story of growth and innovation is a parallel story the dispossession of Native groups of their lands and the forced labor of slaves which fueled much of Alabama s early development Early Alabama An Illustrated Guide to the Formative Years 1798 1826 serves as a traveler s guidebook with a fast paced narrative that traces Alabama s developmental years Despite the great significance of this era in the state s overall growth these years are perhaps the least understood in all of the state s history and have received relatively scant attention from historians Mike Bunn has created a detailed guide appealing to historians and the general public for touring historic sites and structures including selected homes churches businesses government buildings battlefields cemeteries and museums Encyclopedia of Religion in the South Samuel S. Hill,Charles H. Lippy,Charles Reagan Wilson,2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history **The Midwest Journal** ,1948 **Aiming for**

Pensacola Matthew J. Clavin, 2015-10-12 Before the Civil War slaves who managed to escape almost always made their way northward along the Underground Railroad Matthew Clavin recovers the story of fugitive slaves who sought freedom by paradoxically sojourning deeper into the American South toward an unlikely destination the small seaport of Pensacola Florida a gateway to freedom

North from the Mountains John S. Kessler, Donald B. Ball, 2001 Kessler and Ball have written the definitive book on the Carmel Melungeon settlement in Highland Ohio Available in both hardback and paperback

The Facts on File Dictionary of American Regionalisms Robert Hendrickson, 2000-10-30 Provides definitions and examples of words and phrases used in different geographical regions of the United States

Dixie Frontier Introduction

Dixie Frontier Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Dixie Frontier Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Dixie Frontier : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Dixie Frontier : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Dixie Frontier Offers a diverse range of free eBooks across various genres. Dixie Frontier Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Dixie Frontier Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Dixie Frontier, especially related to Dixie Frontier, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Dixie Frontier, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Dixie Frontier books or magazines might include. Look for these in online stores or libraries. Remember that while Dixie Frontier, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Dixie Frontier eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Dixie Frontier full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Dixie Frontier eBooks, including some popular titles.

FAQs About Dixie Frontier Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read

eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Dixie Frontier is one of the best book in our library for free trial. We provide copy of Dixie Frontier in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Dixie Frontier. Where to download Dixie Frontier online for free? Are you looking for Dixie Frontier PDF? This is definitely going to save you time and cash in something you should think about.
