Forgotten Disney Kathy Merlock Jackson, Carl H. Sederholm, Mark I. West, 2023-06-19 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re-establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio's missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from

across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory *This Business of Broadcasting* Leonard Mogel,2004 This guide provides industry background and career advice in a three part arrangement The first on television covers organizational structures within the networks and stations programming syndication new technology and the structures of cable television The second part on radio focuses programming formats advertising formats advertising **Vault Guide to the Top Media & Entertainment Employers** Laurie Pasiuk,2005-09 With this new Guide created for the many job seekers drawn to the glamorous and exciting world of media and entertainment **The Psychosocial Implications of Disney Movies** Lauren Dundes,2019-07-11 In this volume of 15 articles contributors from a wide range of disciplines present their analyses of Disney movies and Disney music which are mainstays of popular culture The power of the Disney brand has heightened the need for academics to question whether Disney s films and music function as a tool of the Western elite that shapes the views of those less empowered Given its global reach how the Walt Disney Company handles the role of race gender and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume On the other hand other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies The authors of the 15 articles encourage readers to engage with the material showcasing a variety of views about the good the bad and the best way forward Demystifying Disney Chris Pallant,2011-07-28 An innovative critical history of Disney feature animation that uproots common misconceptions and brings fresh scholarly definition to a busy field *The Story of Disney: 100 Years of Wonder* John Baxter,Bruce C.
