Disturbing The Peace A Conversation With Karel Huizdala:

Disturbing the Peace Václav Havel, Karel Hvížďala, 1990 The president of Czechoslovakia tells of events in his life through a series of interviews **Disturbing the Peace** Václav Havel, 1990-01 **The Art of Conversation Through Serious Illness** Richard McQuellon, Michael Cowan, 2010-04-29 Every day thousands of people receive a diagnosis of serious life threatening illness and their families and friends suddenly become caregivers Despite the best of intentions it is not always easy to communicate well under these circumstances or find deep empathy for something one has never before experienced When is it best to speak and when to be silent How can someone provide real comfort and how can relationships with loved ones facing serious illness be enhanced in this most difficult time This book is about how to be an encouraging caregiver and friend under the most difficult circumstances when the possibility of death is all too real The authors believe that open dialogue must not be avoided until the last minute when opportunities will be limited but that caregivers and loved ones can embrace this time mortal time honestly as a way to sensitively and compassionately engage with those for whom a central fact of life is realized that all of our lives are time limited In *The Art of Conversation Through Serious Illness* the authors consider how to best listen to and speak with one facing life threatening illness with lessons on being a primary conversation partner becoming properly empathic and receiving empathy maintaining everyday conversation using platitudes appropriately understanding healthy denial and talking about dying Offering bedside guidance usually only available to professionals and peppered with insightful anecdotes from the authors own experiences this gentle succinct book is appropriate for anyone going through this uniquely difficult yet universal life experience *Disturbing the Peace* Václav Havel, 1990-06-01 **The Right to Memory** Noam Tirosh, Anna Reading, 2023-02-10 The field of memory studies has typically focused on everyday memory and commemoration practices through which we construct meaning and identities *The Right to Memory* looks beyond these everyday practices focusing instead on how memory relates to human rights and socio legal constructs in order to legitimize and protect groups and individuals With case studies including Polish Holocaust Law the Indian origins of Amartya Sen s capability theory approach and the right to memory through digital technologies in Brazilian and British museums this collected volume seeks to establish the right to memory as a foundational topic in memory studies *Nature and the Human Soul* Bill Plotkin, 2010-10-04 Addressing the pervasive longing for meaning and fulfillment in this time of crisis *Nature and the Human Soul* introduces a visionary ecopsychology of human development that reveals how fully and creatively we can mature when soul and wild nature guide us Depth psychologist and wilderness guide Bill Plotkin presents a model for a human life span rooted in the cycles and qualities of the natural world a blueprint for individual development that ultimately yields a strategy for cultural transformation If it is true as Plotkin and others observe that we live in a culture dominated by adolescent habits and desires then the enduring societal changes we so desperately need won t happen until we individually and collectively evolve into an engaged authentic adulthood With evocative language

and personal stories including those of elders Thomas Berry and Joanna Macy this book defines eight stages of human life Innocent Explorer Thespian Wanderer Soul Apprentice Artisan Master and Sage and describes the challenges and benefits of each Plotkin offers a way of progressing from our current egocentric aggressively competitive consumer society to an ecocentric soul based one that is sustainable cooperative and compassionate At once a primer on human development and a manifesto for change Nature and the Human Soul fashions a template for a more mature fulfilling and purposeful life and a better world

Edge of Catastrophe Roger Frie,2024-07-16 In Edge of Catastrophe Roger Frie introduces readers for the first time to the unpublished Holocaust letters in the family of the public intellectual and psychoanalyst Erich Fromm The letters provide new insights into Fromm s life and work particularly in relation to his lifelong concerns with fascism racism and human destructiveness The image of Fromm that emerges enriches our understanding of what it means to be both a social critic and practicing psychologist In light of the racial hatred antisemitism and political crises we see today this book demonstrates that a politics of engagement and a psychology of well being go hand in hand

The Dark Side of Hope Karen Krett,2011-11-30 Using her deep understanding of self psychological theory and her own extensive clinical experience Karen Krett offers us a scholarly yet down to earth examination of hope For too long hope has been promoted as an unmitigated virtue without any consideration of its dark side Yet as Krett shows through revealing clinical examples hope may also impede development and contribute to psychological suffering Her book serves as a wonderful guide from hope s dark side to the light Doris Brothers Ph D author of Toward a Psychology of Uncertainty Trauma Centered Psychoanalysis and Falling Backward An Exploration of Trust and Self Experience Hope saturates the cultural air we breathe in movies songs advertising political slogans and self help books Now for the first time Karen Krett LCSW is putting hope on the therapist s couch Krett examines the duality of hope In childhood hope can be the emotional glue that keeps us from falling apart from losing the thread of life In adulthood unconscious patterns of hoping for what can never be often interfere with our ability to make good choices in love and work It may seem as if giving up any hope would mean the end of us but Krett offers a refreshingly different perspective by breaking the hold of the dark side of hope we can become free to direct ourselves toward hopes which can be realized

Clinical Applications of Drama Therapy in Child and Adolescent Treatment Anna Marie Weber,Craig Haen,2005-07-05 As an emerging psychotherapeutic discipline drama therapy has been gaining global attention over the last decade for its demonstrated efficacy in the treatment of child and adolescent populations However despite this attention and despite the current turbulent state of the world and the increasing population of disturbed and at risk children the field of drama therapy has so far lacked a standard text Weber and Haen s book fills this need providing a core text for graduate students and established professionals alike Clinical Applications of Drama Therapy in Child and Adolescent Treatment is guided by theory but firmly rooted in practice providing a survey of the many different possibilities and techniques for incorporating drama therapy within child and adolescent therapy More than merely a survey

of the existing literature on drama therapy this text represents a true expansion of the field one which articulates the breadth of possibilities and applications for drama therapy in the larger context of psychotherapy **Connecting with the Enemy**

Sheila H. Katz, 2016-11-08 Highlights the significance of those Israelis and Palestinians who have chosen connection and dialogue as a practical alternative to the use of force Euphrates Institute Thousands of ordinary people in Israel and Palestine have engaged in a dazzling array of daring and visionary joint nonviolent initiatives for more than a century They have endured despite condemnation by their own societies repetitive failures of diplomacy harsh inequalities and endemic cycles of violence Connecting with the Enemy presents the first comprehensive history of unprecedented grassroots efforts to forge nonviolent alternatives to the lethal collision of the two national movements Bringing to light the work of over five hundred groups Sheila H Katz describes how Arabs and Jews children and elders artists and activists educators and students garage mechanics and physicists and lawyers and prisoners have spoken truth to power protected the environment demonstrated peacefully mourned together stood in resistance and solidarity and advocated for justice and security She also critiques and assesses the significance of their work and explores why these good will efforts have not yet managed to end the conflict or occupation This previously untold story of Palestinian Israeli joint nonviolence will challenge the mainstream narratives of terror and despair monsters and heroes that help to perpetuate the conflict It will also inspire and encourage anyone grappling with social change peace and war oppression and inequality and grassroots activism anywhere in the world A profoundly important study of the history and ongoing efforts for Israeli Palestinian peace by ordinary Israelis and Palestinians A genuinely balanced perspective Stephen Zunes author of Tinderbox U S Middle East Policy and the Roots of Terrorism *Reconstruction of Peace in a World of War* Catalina Elena Dobre, Gabriela Palavicini, Rafael García

Pavón, 2025-07-25 This book explores the morality of creating peace in a violent world It includes spiritual and ethical dimensions to show that peace is not only the responsibility of politicians but that it is everyone's responsibility not to generate violence and hatred Peace is shown to be human work it is the responsibility of the whole community to maintain and create it Therefore peace is not only a political achievement but also has an ethical and spiritual significance and requires the moral development of the individual in order to secure the recognition and respect of others This book will be essential reading for all philosophers of politics morality and ethics and is also ideal for those who are researching aspects of spiritual philosophy **Republicanism, Religion, and the Soul of America** Ellis Sandoz, 2013-07-23 As debates rage over

the place of faith in our national life Tocqueville's nineteenth century crediting of religion for shaping America is largely overlooked today Now in *Republicanism Religion and the Soul of America* Ellis Sandoz reveals the major role that Protestant Christianity played in the formation and early period of the American republic Sandoz traces the rise of republican government from key sources in Protestant civilization paying particular attention to the influence of the Bible on the Founders and the blossoming of the American mind in the eighteenth century Sandoz analyzes the religious debt of the

emergent American community and its elevation of the individual person as unique in the eyes of the Creator He shows that the true distinction of American republicanism lies in its grounding of human dignity in spiritual individualism and an understanding of man's capacity for self government under providential guidance Along the way he addresses such topics as the neglected question of the education of the Founders for their unique endeavor common law constitutionalism the place of Latin and Greek classics in the Founders thought and the texture of religious experience from the Great Awakening to the Declaration of Independence To establish a unifying theoretical perspective for his study Sandoz considers the philosophical underpinnings of religion and the contribution that Eric Voegelin made to our understanding of religious experience He contributes fresh studies of the character of Voegelin's thought its relationship to Christianity his debate with Leo Strauss over reason revelation and the meaning of philosophy and the theory of Gnosticism as basic to radical modernity He also provides a powerful account of the spirit of Voegelin's later writings contrasting the political scientist with the meditative spiritualist and offering new insight into volume 5 of *Order and History* *Republicanism Religion and the Soul of America* concludes with timely reflections on the epoch now unfolding in the shadow of Islamic jihadism Bringing a wide range of materials into a single volume it confronts current academic concerns with religion while offering new insight into the construction of the American polity and the heart of Americanism as we know it today

Love's Forgiveness John Lippitt, 2020 *Love's Forgiveness* combines a discussion of the nature and ethics of forgiveness with a discussion inspired by Kierkegaard of the implications of considering interpersonal forgiveness as a work of love It introduces the reader to some key questions that have exercised recent philosophers of forgiveness discussing the relationship between forgiveness and an extended notion of resentment considering whether forgiveness should be conditional or unconditional showcasing a particular understanding of the latter and arguing that there are legitimate forms of third party forgiveness It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard key New Testament passages on forgiveness and some contemporary work on the philosophy of love Drawing on both philosophy and the New Testament it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgivingness as a character trait suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue and connecting it to other putative virtues such as humility and hope Lippitt draws on both Kierkegaard's discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self forgiveness Throughout the book the philosophical and theological literature is rooted in a discussion of various forgiveness narratives including Helen Prejean's *Dead Man Walking* Thordis Elva and Tom Stranger's *South of Forgiveness* and Ian McEwan's *Atonement*

Teaching the Literature of Climate Change Debra J. Rosenthal, 2024-04-26 Over the past several decades writers such as Margaret Atwood Paolo Bacigalupi Octavia E Butler and Kathy Acker have explored climate change through literature

reflecting current anxieties about humans impact on the planet Emphasizing the importance of interdisciplinarity this volume embraces literature as a means to cultivate students understanding of the ongoing climate crisis ethics in times of disaster and the intrinsic intersectionality of environmental issues Contributors discuss speculative climate futures the Anthropocene postcolonialism climate anxiety and the usefulness of storytelling in engaging with catastrophe The essays offer approaches to teaching interdisciplinary and cross listed courses including strategies for team teaching across disciplines and for building connections between humanities majors and STEM majors The volume concludes with essays that explore ways to address grief and to contemplate a hopeful future in the face of apocalyptic predictions

Against Catastrophism Cosimo Schinaia, 2025-04-09 Against Catastrophism explores catastrophism from multiple vantage points and considers the impact of ongoing crisis on individuals Bringing together contributors from psychoanalysis economics anthropology and gastroenterology this book explores themes including fossil fuel culture social movements like Extinction Rebellion the COVID 19 pandemic media messaging and the future of food supply chains By assessing the value of a constant barrage of information about catastrophes and considering the need for a containing environment the chapters explore how we can avoid endorsing a closed off vision of the future and instead unlock possibilities The book concludes with a discussion of optimism radical hope and how we can put forward a new narrative on nature Against Catastrophism will be of great interest to psychoanalysts psychologists psychiatrists economists anthropologists sociologists food scientists environmentalists ecologists politicians and communication experts

The NGO Challenge for International Relations Theory William E. DeMars, Dennis Dijkzeul, 2015-02-11 It has become commonplace to observe the growing pervasiveness and impact of Non Governmental Organizations NGOs And yet the three central approaches in International Relations IR theory Liberalism Realism and Constructivism overlook or ignore the importance of NGOs both theoretically and politically Offering a timely reappraisal of NGOs and a parallel reappraisal of theory in IR the academic discipline entrusted with revealing and explaining world politics this book uses practice theory global governance and new institutionalism to theorize NGO accountability and analyze the history of NGOs This study uses evidence from empirical data from Europe Africa Latin America the Middle East and Asia and from studies that range across the issue areas of peacebuilding ethnic reconciliation and labor rights to show IR theory has often prejudged and misread the agency of NGOs Drawing together a group of leading international relations theorists this book explores the frontiers of new research on the role of such forces in world politics and is required reading for students NGO activists and policy makers

Time for Peace Luc Reyhler,2015-10-01 For building sustainable peace and security the time is always now Violence in our world extends beyond armed conflicts it exists in our social and economic structures not to mention in our destruction of the environment How can we build more sustainable development and peace In this innovative ambitious book Dr Luc Reyhler argues that we must drastically change our temperament or the way we deal with time He surveys the vast temporal landscape and considers its many dimensions such as how time relates to emotions religion and conflict and how our time horizons affect the natural world Using examples such as Hurricane Katrina and regime change in Libya Reyhler shows how time is misused in conflicts be it the failure to anticipate a disaster or the manipulation of time to create a false sense of urgency Ultimately he proposes a more adaptive attitude to time so that we can be proactive rather than reactive in our efforts at sustainable development and conflict resolution Based on Reyhler s 40 year experience in the field Time for Peace is an original and important contribution to the development and peace research literature

The Trail to Kanjiroba William deBuys,2022-02-15 A revitalizing new perspective on Earthcare from Pulitzer Prize finalist William deBuys In 2016 and 2018 acclaimed author and conservationist William deBuys joined extended medical expeditions into Upper Dolpo a remote

ethnically Tibetan region of northwestern Nepal to provide basic medical services to the residents of the region Having written about climate change and species extinction deBuys went on those journeys seeking solace He needed to find a constructive way of living with the discouraging implications of what he had learned about the diminishing chances of reversing the damage humans have done to Earth he sought a way of holding onto hope in the face of devastating loss As deBuys describes these journeys through one of Earth's remotest regions his writing celebrates the land's staggering natural beauty and treats his readers to deep dives into two scientific discoveries the theories of natural selection and plate tectonics that forever changed human understanding of our planet Written in a vivid and nuanced style evocative of John McPhee or Peter Matthiessen *The Trail to Kanjiroba* offers a surprising and revitalizing new way to think about Earthcare one that may enable us to continue the difficult work that lies ahead
