Divine Ryans:

The Divine Ryans Wayne Johnston, 2011-05-31 Wayne Johnston is Canada's Roddy Doyle. Anne Marie McDonald, author of *Fall Down on Your Knees*. Young Draper Doyle Ryan lives in a most peculiar household. His relations proudly eccentric and passionately Catholic run a rather shabby newspaper, a funeral home, a convent, and an orphanage. When they're not attending wakes or going to confession, they're watching Hockey Night in Canada, cheering for their beloved and Catholic Montreal Canadiens in their never-ending jousts with the Protestant Toronto Maple Leafs. A bewildered Draper Doyle tries to make sense of all this. But he's plagued by the first stirrings of his own budding sexuality. Then there are the sudden, ghostly appearances of his recently deceased father. What is the secret behind that death, he wonders. And will the Habs beat the Leafs and win the Stanley Cup? Canadian reviews: An authentic comic genius. *Montreal Gazette*. An absolute stunner, achingly funny, needle sharp, and packing an unexpected wallop. The literary equivalent of a small budget movie masterpiece with heart, soul, and brains. *Time Out*.

The Divine Ryans by Wayne Johnston Wayne Johnston, 1998 *Writing the Body in Motion* Angie Abdou, Jamie Dopp, 2018-05-01 Sport literature is never just about sport. The genre's potential to explore the human condition, including aspects of violence, gender, and the body, has sparked the interest of writers, readers, and scholars. Over the last decade, a proliferation of sport literature courses across the continent is evidence of the sophisticated and evolving body of work developing in this area. *Writing the Body in Motion* offers introductory essays on the most commonly taught Canadian sport literature texts. The contributions sketch the state of current scholarship, highlight recurring themes and patterns, and offer close readings of key works. Organized chronologically by source text, ranging from Shoeless Joe (1982) to *Indian Horse* (2012), the essays offer a variety of ways to read, consider, teach, and write about sport literature. **Hockey on the Moon**

Jamie Dopp, 2024-11-22 Fantasy and reality come together in sports, and Jamie Dopp argues that nowhere is this blurring of the borders of reality more evident than in Canadian hockey. Using imagination as a unifying theme, Dopp offers in-depth analyses of key texts of hockey literature with a focus on how these texts reveal the imaginative possibilities of the game. Popular texts like *Stompin' Tom Connors*, *The Hockey Song*, Scott Young's *Scrubs on Skates* trilogy, and Roch Carrier's *The Hockey Sweater*, as well as important literary texts like Bill Gaston's *The Good Body*, Cara Hedley's *Twenty Miles*, and Richard Wagamese's *Indian Horse*, are examined. Dopp's analysis draws on literary history and methods and explores broader topics such as the role of imagination in human culture, the significance of play, the evolution of sport in Canada and elsewhere, the history of Canada, and the history and social significance of hockey. *Refereeing Identity* Michael Buma, 2012 What national pastime novels tell us about our country. *North of Everything* William Beard, Jerry White, 2002-06 This is the first book to comprehensively examine the development of English Canadian cinema since 1980. Previous books in English have dealt either with specific films or filmmakers, with policy, or with specific genres: avant-garde film, documentary films by women, etc. It deals with regional and institutional questions with the new authors that are defining contemporary cinema in English.

Canada with avant garde work and work by Aboriginal people Bringing together a wide variety of contributors the book deals with an enormous amount of cinema that has helped transform North American culture of the last two decades

Sanctioned Ignorance Paul Martin,2013-10-15 Bilingual literary scholar builds bridges spanning institutional silos to found an inclusive literatures of Canada **The Newfoundland Diaspora** Jennifer Bowering Delisle,2013-06-01 Out migration driven by high unemployment and a floundering economy has been a defining aspect of Newfoundland society for well over a century and it reached new heights with the cod moratorium in 1992 This Newfoundland diaspora has had a profound impact on the province s literature Many writers and scholars have referred to Newfoundland out migration as a diaspora but few have examined the theoretical implications of applying this contested term to a predominantly inter provincial movement of mainly white economically motivated migrants The Newfoundland Diaspora argues that diaspora helpfully references the painful displacement of a group whose members continue to identify with each other and with the homeland It examines important literary works of the Newfoundland diaspora including the poetry of E J Pratt the drama of David French the fiction of Donna Morrissey and Wayne Johnston and the memoirs of David Macfarlane These works are the sites of a broad inquiry into the theoretical flashpoints of affect diasporic authenticity nationalism race and ethnicity The literature of the Newfoundland diaspora both contributes to and responds to critical movements in Canadian literature and culture querying the place of regional national and ethnic affiliations in a literature drawn along the borders of the nation state This diaspora plays a part in defining Canada even as it looks beyond the borders of Canada as a literary community

Canadian Hockey Literature Jason Blake,2010-03-06 Hockey occupies a prominent place in the Canadian cultural lexicon as evidenced by the wealth of hockey centred stories and novels published within Canada In this exciting new work Jason Blake takes readers on a thematic journey through Canadian hockey literature examining five common themes nationhood the hockey dream violence national identity and family as they appear in hockey fiction Blake examines the work of such authors as Mordecai Richler David Adams Richards Paul Quarrington and Richard B Wright arguing that a study of contemporary hockey fiction exposes a troubled relationship with the national sport Rather than the storybook happy ending common in sports literature of previous generations Blake finds that today s fiction portrays hockey as an often glorified sport that in fact leads to broken lives and ironic outlooks The first book to focus exclusively on hockey in print Canadian Hockey Literature is an accessible work that challenges popular perceptions of a much beloved national pastime

Puckstruck Stephen Smith,2014 Like many a Canadian kid Stephen Smith was up on skates first thing as a boy out in the weather chasing a puck and the promise of an NHL career Back indoors after that didn t quite work out he turned to the bookshelf That s where without entirely meaning to he ended up reading all the hockey books There was Crunch and Boom Boom Slashing and High Stick there was Max Bentley Hockey s Dipsy Doodle Dandy Blue Line Murder and Nagano a Czech hockey opera There was Blood on the Ice Cracked Ice Fire On Ice Power On Ice Cowboy On Ice and Steel On Ice In *Puckstruck* Smith chronicles his wide eyed and sometimes wincing wander through hockey s literature language and culture weighing its excitement and unbridled joy against its costs and vexing brutality In exploring his own lifelong love of the game hoping to surprise some sense out of it he sifts hockey s narratives in search of hockey s heart what it means and why it should distress us even as we celebrate its glories On a journey to discover what the game might have to say about who we are as Canadians he seeks to answer some of its essential riddles

Speaking in the Past Tense Herb Wyile,2009-10-22 *Speaking in the Past Tense* participates in an expanding critical dialogue on the writing of historical fiction providing a series of reflections on the process from the perspective of those souls intrepid enough to step onto what is practically by definition contested territory Herb Wyile from the Introduction The extermination of the Beothuk the exploration of the Arctic the experiences of soldiers in the trenches during World War I the foibles of Canada s longest serving prime minister the Ojibway sniper who is credited with 378 wartime kills these are just some of the people and events discussed in these candid and wide ranging interviews with eleven authors whose novels are based on events in Canadian history These sometimes startling conversations take the reader behind the scenes of the novels and into the minds of their authors Through them we explore the writers motives for writing the challenges they faced in gathering information and presenting it in fictional form the sometimes hostile reaction they faced after publication and perhaps most interestingly the stories that didn t make it into their novels *Speaking in the Past Tense* provides fascinating insights into the construction of national historical narratives and myths both those familiar to us and those that are still being written
