Divine Discontent James Guthrie,2015-06-26 Excerpt from Divine Discontent Our praise of content is too idle Among arduous days we set up this ideal of rest our own desires far too tempestuous to let us be at such a haven and circumstances too busy with our lives So it is no foolish notion that contentment sets a limit upon meaner ambitions and gives room in the world for nobler The man who beholds little of life believes there is no more A child still radiant with the trail of glory adventures only upon the path of innocence snug and content with food and warmth and sleep securely shut from the hurt which is knowledge within his mother s arms About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

the ultimate guide to our high tech lifestyle *Mountain Conjure and Southern Root Work* Orion Foxwood,2021-01-01

Traditional Southern root magic and conjure from someone who learned the old ways growing up in rural Appalachia Folk magic conjurer and root worker Orion Foxwood invites you to take a walk through his native Appalachia through moonlit orchards and rural farms to the dark of the crossroads From the oral tradition of his ancestors to the voices of the spirits themselves Foxwood brings readers the secrets of Southern magic Working by the signs the ability to synchronize work such as farming fertility and orcharding Faith healing Settling the light candle magic Doctoring the root the ability to use herbs roots stones or animal parts for magic or for clearing cleansing and blessing a person Praying or dreaming true blessings of spirit God to a person place or thing as well as prophetic or predictive dreaming Blessing or cursing Mountain Conjure and Southern Root Work shows how to create magic in today s world with the old ways and traditions of Appalachia This book was previously published as *The Candle and the Crossroads* This new edition includes a foreword by Mat Auryn author of *Psychic Witch* *The Crisis* ,1923-09 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens **William Lowndes Yancey and the Coming of the Civil War** Eric H. Walther,2006 By the 1850s Yancey was a key leader in the movement for disunion proclaiming himself the defender and embodiment of the South He defied Northern Democrats at their national nominating convention in 1860 rending the party and setting the stage for secession after the election of Abraham Lincoln Selected to introduce Jefferson Davis in Montgomery as the president elect of the Confederacy Yancey went on to serve as the Confederacy s first diplomatic commissioner to England and France and then as a senator from Alabama before his death in 1863 just short of his forty ninth birthday **Faith, Politics, and Belonging** Ian Geary,2024-07-19 Drawing on the author s years spent working in and around Westminster this essay collection provides a personal perspective on the themes of faith politics and belonging To understand identity and place we need faith Faith should lead to engagement in the wider world and engagement in the wider world should deepen our faith and sense of purpose In three sections each drawing on his experience Ian Geary reflects on the cognate themes of faith politics and belonging Each section concludes with some questions for discussion and some suggestions for further reading Written from personal experience via immersion in British political life and informed by his understanding of theology the author seeks to animate a generous debate about the key themes not to secure readers attachment to a cause or political ideology These essays are written in the hope that Christians engaged in politics will find them helpful and that they will also reach a wider audience to show how viewing politics through the lens of faith might yield a fresh perspective Ian Geary would venture to suggest that

politics despite its critics is a necessary and good thing The Tree of Enchantment Orion Foxwood,2025-09-12 In Faery Seership the truths we seek can only be found within ourselves within nature and within our relationships to nature At the center of the Faery Tradition lies the Tree of Enchantment the symbol for these relationships and for the threefold life of humanity At each level of the tree there are attending spirit forces that vary from beings of light to beings of shadow from the ancestors of humanity to the architects of form and nature from the destiny of our planet to the creation forces of the universe The tree s roots grow through the lower world where all life originates and the dead travel its trunk and lower branches reach out across the middle world where elemental forces and the four directions guide us and its highest branches reach the into the upper world and the Star realm Weaving together folk tradition and extensive academic research Orion Foxwood has created an accessible beautifully written pathway into the Old Religion of Faery Seership Based on Appalachian traditions Wiccan studies Celtic oral traditions and the Craft from Western and Northern Europe The Tree of Enchantment offers the student of Faery Tradition both introductory and advanced visionary practices and authentic tools to learn to navigate the three realms of humanity With diligence and an open heart the reader will learn to cross The River of Blood pass through The Gate of Awakening and over The River of Stars **What Makes a World-Class School and How We Can Get There** James H. Stronge,Xianxuan Xu,2017-06-15 For years students in the United States have lagged behind students in many other countries on such measures of achievement as the PISA and TIMSS assessments In an increasingly globalized world such a gap is worrisome Armed with statistics examples and cautionary tales from Scandinavia to Japan James H Stronge and Xianxuan Xu have written a book that can help educators better prepare students and close that gap In What Makes a World Class School and How We Can Get There you will find Careful analysis of recent international assessment results what they mean and what can be done to improve them In depth profiles of high achieving education systems around the globe their histories their lessons learned and what they can teach educators and policymakers in the United States Strategies for aligning successful educational approaches from international systems to U S schools which strategies to use in which subjects and with which students Transformative ideas for cultivating a truly world class system of schooling both simple and complex ways to raise the bar for all students no matter what their background Educators in every country must ensure that their students are as prepared as possible to lead a future generation of citizens This thought provoking and copiously researched book provides educators with a blueprint for radical improvement based on the hard learned experiences of their peers around the world Radical Romanticism Mark S. Cladis,2025-09-16 Romanticism is often reduced to nostalgic pastoralism and solitary contemplation of the sublime But a radical strand of Romantic writers and thinkers offered sweeping political ecological and religious critiques of capitalism racism settler colonialism and environmental destruction Interweaving canonical nineteenth century authors with Black and Indigenous thinkers who transformed their work this book is a bold new account of Romanticism for today s deeply entrenched crises Mark S Cladis

examines the progressive democratic religious and environmental beliefs and practices that informed European Romantic literature and its sustained legacies in North America His interpretation interweaves diverse voices such as W E B Du Bois Zora Neale Hurston and Leslie Marmon Silko while also revealing the progressive visions of Romantic authors such as Rousseau William and Dorothy Wordsworth Coleridge Mary Shelley Thoreau and Margaret Fuller Forging connections among literary and philosophical traditions while closely reading a wide range of texts Radical Romanticism shows how storytelling is central to the pursuit of justice and flourishing for the human and the more than human worlds Bringing together environmental humanities literary theory political theory and religious studies this book makes the case for a renewed radical Romanticism offering urgent resources for a world beset by catastrophe uncertainty and despair ,
