

# What is Election?

- “Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners.”
- While the topic of Divine Election is not as commonly found in Scripture as other doctrines, it is explicitly taught throughout the Old and New Testaments.
- Baptists believe in Divine Election **because the Bible teaches it.**

## **Divine Election:**

*Divine Election* Gerrit Cornelis Berkouwer, 1960 A discussion of election in a perspective and spirit that will be quite novel to most theologians and ministers The author contends that election can be understood only within faith and within a spirit of doxology for election takes place in Christ Hence election must be understood and employed in terms of the Gospel He then repudiates theological usage which employs election and reprobation as a principle of interpretation for theology with the usual consequence of deducing from this truth a nice logical system of theology Another powerful feature of this book is its criticism of the conception of the sovereignty of God and then makes it into a mere principle of naked absolute power and ethically neutral principle of brute force Book jacket      Systematic Theology Lewis Sperry Chafer, 1993-01-01

The original eight volumes now complete and unabridged in four Though scholarly in the true sense of the word this work can also be read and understood by those not formally trained in theology Charles C Ryrie      **Election and Predestination**

Samuel Fisk, 2002-04-09 You are not about to read the views of one author alone In this powerful book Samuel Fisk quotes over 100 scholars He presents in one volume a vast array of balanced and scholarly views to help you unravel the vexed questions of election and predestination It is often assumed that one must be either a Calvinist or an Armenian This is not so There is a balanced scriptural line of truth regarding election that will preserve the Bible student from dangerous by path meadows into which far too many have strayed over the years As you read the wise and careful comments of such scholars as W E Vine Sir Robert Anderson C H Spurgeon F B Meyer Handley Moule Harry Ironside R A Torrey G Campbell Morgan Wilber M Smith J C Ryle A T Robinson Christopher Wordsworth and J Sidlow Baxter you will begin to see your way through this particularly tricky theological minefield This could be one of the most important books you will ever read      *Justification*

Paul ChulHong Kang, 2006 This book returns to the true nature of the gospel justification by grace alone through faith alone because of Christ alone Fundamental to the book's argument is a rejection of the biblical truth and the faithful heritage of the gospel By tracing the development of Reformation theology in Luther and Calvin the giants in the American Great Awakening and the Korean revivals are brought up for analysis Jonathan Edwards Timothy Dwight Sun Ju Kil Ik Doo Kim Yong Do Lee and Sung Bong Lee Paul ChulHong Kang makes clear what can be at stake not merely for academic theologians but for all Christians the gospel itself      Obedience from First to Last Edmund Fong, 2020-03-18 Obedience from First to Last explores the theological significance of the obedience of Jesus Christ in Karl Barth's theology It does this via a threefold consideration of first the nature of Jesus incarnate obedience second the relation of that obedience to the obedience of the second person of the eternal Son and third the effects Jesus obedience has on our own obedience Barth not only affirms the pivotal role Jesus obedience has within the economy of salvation but by equating that obedience with that of the eternal Son's Barth gives Jesus obedience a pre eminent place within the immanent being of Godself The obedience of Jesus Christ is seen to have a co participatory role in God's determination of his own divine being that arises from the primordial act of divine

election This notion bears on our understanding of freedom and obedience as divine freedom is expressed in divine obedience so it is with human freedom and human obedience

**Royal Ideologies in the Book of Revelation** Justin P. Jeffcoat Schedtler, 2023-07-06 Studies of the Apocalypse have long neglected the royal and messianic dimensions of its portrait of the Lamb In this volume Justin P Jeffcoat Schedtler offers new insights on this topic arguing that royal and messianic ideologies and discourses are not merely evident in the book of Revelation but also constitute one of its primary organizing principles Moreover they shape Revelation s Christology Schedtler explores ideologies of kingship in the ancient Greek and Roman world as well as Second Temple Judaism Making previously unexplored connections in Revelations ideological portrait of the Lamb he shows that the portrayal of Jesus as God s chosen viceregent offers new insights into several of the central Christological tenets in the text They include the Lamb s reception of the scroll to rule on God s behalf his place on a heavenly throne the many benefactions he offers to those who remain faithful to him and the hymnic praise he receives in response

*The Return of Christ* G. C. Berkouwer, 1972 Becoming a vampire saved Alyssa from death but the price was high the loss of everything and everyone attached to her mortal life She s still learning to cope when a surprise confrontation with Santino Vitale the Acta Sanctorum s most fearsome hunter sends her fleeing back to the world she once knew and Fallon the friend she s missed more than anything Alyssa breaks vampire law by revealing her new true self to her old friend a fact which causes strong division in the group that should support her most her clan Worse yet her revelation entangles Fallon in the struggle between vampires and hunters and The Acta Sanctorum is ready to attack again with a new army of hybrid creations the Frenzy Soldiers If Alyssa hopes to survive and keep her mortal friend safe she ll have to be willing to make a deal with the enemy and regain her clan s support It will take everyone working together in a precarious truce to fight against the Acta Sanctorum s new threat

**God of Salvation** Dr Murray A Rae, Professor Ivor J Davidson, 2013-06-28 The theology of salvation stands at the heart of the Christian faith Very often the structure of Christian salvation is seen in terms of a single theme such as atonement for sins forgiveness liberation or friendship with God It is easy to reduce soteriology to a matter of merely personal experience or to see salvation as just a solution to a human problem This book explores a vital yet often neglected aspect of Christian confession the essential relationship between the nature of salvation and the character of the God who saves In what ways does God s saving outreach reflect God s character How might a Christian depiction of salvation best bear witness to these features What difference might it make to start with the identity of God as encountered in the gospel then view everything else in the light of that In addressing these questions this book offers fresh appraisals of a range of major themes in theology the nature of creaturely existence the relationship between divine purposes and material history the holiness love and judgement of God the atoning work of Jesus Christ election justification and the nature of faith salvation outside the church human and non human ends the nature of eschatological fellowship with God In looking at these issues in the light of God s identity the authors offer a stimulating and tightly argued reassessment of what a Christian

theology of salvation ought to resemble and ask what the implications might be for Christian life and witness in the world today

**Freedom and Necessity in Modern Trinitarian Theology** Brandon Gallaher, 2016 Freedom and Necessity in Modern Trinitarian Theology examines the tension between God and the world through a constructive reading of the Trinitarian theologies and Christologies of Sergii Bulgakov 1871 1944 Karl Barth 1886 1968 and Hans Urs von Balthasar 1905 1988 It focuses on what is called the problematic of divine freedom and necessity and the response of the writers Problematic refers to God being simultaneously radically free and utterly bound to creation God did not need to create and redeem the world in Christ It is a contingent free gift Yet on the other side of a dialectic he also has eternally determined himself to be God as Jesus Christ He must create and redeem the world to be God as he has so determined In this way the world is given a certain free necessity by him because if there were no world then there would be no Christ A spectrum of different concepts of freedom and necessity and a theological ideal of a balance between the same are outlined and then used to illumine the writers and to articulate a constructive response to the problematic Brandon Gallaher shows that the classical Christian understanding of God having a non necessary relationship to the world and divine freedom being a sheer assertion of God's will must be completely rethought Gallaher proposes a Trinitarian Christocentric and cruciform vision of divine freedom God is free as eternally self giving self emptying and self receiving love The work concludes with a contemporary theology of divine freedom founded on divine election

**Elevations** Richard A. Cohen, 1994-12-12 Elevations is a series of closely related essays on the ground breaking philosophical and theological work of Emmanuel Levinas and Franz Rosenzweig two of the twentieth century's most important Jewish philosophers Focusing on the concept of transcendence Richard A Cohen shows that Rosenzweig and Levinas join the wisdom of revealed religions to the work of traditional philosophers to create a philosophy charged with the tasks of ethics and justice He describes how they articulated a responsible humanism and a new enlightenment which would place moral obligation to the other above all other human concerns This elevating pull of an ethics that can account for the relation of self and other without reducing either term is the central theme of these essays Cohen also explores the ethical philosophy of these two thinkers in relation to Nietzsche Husserl Heidegger Buber Sartre and Derrida The result is one of the most wide ranging and lucid studies yet written on these crucial figures in philosophy and Jewish thought

**Church Doctrine, Volume 2** Paul C. McGlasson, 2014-08-04 The present volume is the second in a five volume study of church doctrine The multivolume set will cover the major parts of church doctrine Canon God Creation Reconciliation and Redemption The first volume now in print begins with an introduction to the entire project on why doctrine matters which stresses the ecumenical global and above all biblical horizons of church doctrine as a primary expression of Christian witness The purpose of this second volume can be simply stated to let God be God In a world in which the God of the Christian witness is often confused with the tribal god of religion a god who sets us against them who divides humanity into nations peoples regions races the gospel proclaims the living God

of the Bible who fashions a new humanity on the earth This God in the freedom of his love elects to be for humanity and calls all humanity to live for him Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ the risen Lord

**On the Rite of Election** Rita Ferrone,1994 The Forum Essays series is a cooperative effort of The North American Forum on the Catechumenate and Liturgy Training Publications The purpose of the series is to provide a forum for exploring issues emerging from the implementation of the order of Christian initiation They are a great resource for anyone involved in initiation ministry and especially for pastors and RCIA directors

*Destined for Glory* Maurice Bassali,2006-08

**Newly Created Children of God** Hyung-tae Kim,2025-10-07 This study makes an original contribution to our understanding of the connection between Paul s language of adoption huiotesia and his concept of new creation kainē ktisis Although there has been much research on Paul s use of the adoption metaphor and of his concept of new creation no previous study has paid close attention to the connection between them and what this relationship means for the shape of Pauline theology For example recent studies of ethnicity in Paul often appeal to Abrahamic sonship or divine sonship in Romans and Galatians but the sense of new creation is virtually absent in the arguments The present study attempts to rectify that oversight through a dialogue with the Paul within Judaism school of scholars

**Covenant Theology and Justification by Faith** Jeong Koo Jeon,2006-05-23 This study explores the Shepherd Controversy 1975 1982 and the contemporary debate on covenant and justification by faith from the perspectives of historical systematic and biblical theology The distinctive contribution lies in the identification that the Shepherd Controversy as a logical outcome of rejecting the distinction between Law and Gospel at Westminster Seminary in Philadelphia The larger problem is that Norman Shepherd and other associated theologians reject the distinction between Law and Gospel injecting their monocovenantalism into the theologies of Calvin the Westminster Standards and Murray The result has been hermeneutical and theological confusion among some of the followers of the Union with Christ School scholars Reformed theonomists led by Greg Bahnsen Auburn Avenue theologians and pastors are also monocovenantalists and have been influenced by the Union with Christ School scholars directly and indirectly Their common denominator is the rejection of the distinction between Law and Gospel in their analysis and understanding of covenant and justification by faith Having been influenced by the Union with Christ School scholars at Westminster Seminary in Philadelphia some scholars began to adopt the hermeneutics and theology of the New Perspective on Paul which is anti Reformational and anti Pauline The adaptation of the New Perspective on Paul among some of the followers of the Union with Christ School is a logical step because both of them reject the distinction between Law and Gospel which was a key hermeneutical and theological tool during the sixteenth century Protestant Reformation against the background of the medieval legalistic religion

*The Glorious Gospel Unfolded* Henry Webb (Theological Writer.),1866

**The Divine Decision** Donna Bowman,2002-01-01 Donna Bowman utilizes the work of process thinker Alfred North Whitehead to develop a doctrine of election that dialogues

with the view of Reformed theologian Karl Barth Taking seriously Barth's contention that election is the best of all words that can be spoken about God Bowman reinterprets Whitehead's description of God's provision of the initial aim to each entity as the central cosmological and theological fact of universal election By combining Barth's concerns with process categories she concludes that both systems are aimed at common theological and philosophical enemies **Saved by Grace through**

**Faith or Saved by Decree?** Geoffrey D. Robinson, 2022-04-07 This work addresses a topic of interest to many people who are seeking to better understand the Christian doctrine of salvation soteriology It is written to provide a systematic biblical and theological critique of a particularly popular perspective of this doctrine that has seen something of a resurgence in recent years namely Calvinism The book is structured around the so called five points of Calvinism commonly referred to by the acronym TULIP Total depravity Unconditional election Limited atonement Irresistible grace and Perseverance of the saints Following an initial chapter outlining the historical development of the doctrine each of the five points are examined in subsequent chapters Each point is described in the words of prominent Calvinist scholars key biblical texts purporting to support the doctrine carefully evaluated and a series of theological issues related to the point are raised and discussed

**The Glory of God** Rev'd Dr Graham J Whelan OAM, 2022-01-10 Extended Edition It is difficult for my finite mind even with the glorious guiding of The Holy Spirit The Eternal Third Person of the Holy Trinity to clearly define all the attributes of qualities of the Glory of God The One True God of the Bible I enclose here and repeat later for emphasis the truth of God's Glory in Heaven Revelation 4 and Revelation 5 13 1 After this I looked and there before me was a door standing open in heaven And the voice I had first heard speaking to me like a trumpet said Come up here and I will show you what must take place after this 2 At once I was in the Spirit and there before me was a throne in heaven with someone sitting on it 3 And the one who sat there had the appearance of jasper and carnelian A rainbow resembling an emerald encircled the throne 4 Surrounding the throne were twenty four other thrones and seated on them were twenty four elders They were dressed in white and had crowns of gold on their heads 5 From the throne came flashes of lightning rumblings and peals of thunder Before the throne seven lamps were blazing These are the seven spirits of God 6 Also before the throne there was what looked like a sea of glass clear as crystal In the center around the throne were four living creatures and they were covered with eyes in front and in back 7 The first living creature was like a lion the second was like an ox the third had a face like a man the fourth was like a flying eagle 8 Each of the four living creatures had six wings and was covered with eyes all around even under his wings Day and night they never stop saying Holy holy holy is the Lord God Almighty who was and is and is to come 9 Whenever the living creatures give glory honor and thanks to him who sits on the throne and who lives for ever and ever 10 the twenty four elders fall down before him who sits on the throne and worship him who lives for ever and ever They lay their crowns before the throne and say 11 You are worthy our Lord and God to receive glory and honor and power for you created all things and by your will they were created and have their being This study simply defines the truth of God's Glory

Definitions follow For myself the wonder of God s Glory is seen in the truth about His Son Our Lord Jesus at the transfiguration The following scriptures are taken from the NIV bible Mark 8 34 9 13 8 34 Then he called the crowd to him along with his disciples and said If anyone would come after me he must deny himself and take up his cross and follow me 35 For whoever wants to save his life will lose it but whoever loses his life for me and for the gospel will save it 36 What good is it for a man to gain the whole world yet forfeit his soul 37 Or what can a man give in exchange for his soul 38 If anyone is ashamed of me and my words in this adulterous and sinful generation the Son of Man will be ashamed of him when he comes in his Father s glory with the holy angels 9 1 And he said to them I tell you the truth some who are standing here will not taste death before they see the kingdom of God come with power

The Humanity of Christ James P. Haley, 2017-10-12 This work is a critical analysis of Karl Barth s unique adoption of the concepts anhypostasis and enhypostasis to explain Christ s human nature in union with the Logos which becomes the ontological foundation that Barth uses to explain Jesus Christ as very God and very man The significance of these concepts in Barth s Christology first emerges in the G ttingen Dogmatics and is then more fully developed throughout the Church Dogmatics Barth s unique coupling together of anhypostasis and enhypostasis provides the ontological grounding flexibility and precision that so uniquely characterizes his Christology As such Barth expresses the Word became flesh as the revelation of God that flows out of the coalescence of Christ s human nature with his divine nature as the mediation of reconciliation This ontological dynamic provides the impetus for Barth s critique of Chalcedon s static definition of the union of divine and human natures in Christ from which Barth transitions to an active definition of these two natures Not only does anhypostasis and enhypostasis explain the dynamic union between the divine and human natures in Christ but also the dynamic union between Jesus Christ and his Church which reaches its apex in the reconciliation of humanity with God in Christ The ontological foundation of anhypostasis and enhypostasis in Christ s union with his Church explains the importance of the royal man in understanding genuine human nature the exaltation of human nature and the sanctification of human nature
