The Heresy of Jacob Frank Jay Michaelson, 2022 The Heresy of Jacob Frank is the first monograph length study on the religious philosophy of Jacob Frank 1726 1791 who in the wake of false messiah Sabbetai Zevi led the largest mass apostasy in Jewish history Based on close readings of Frank's late teachings recorded in 1784 and 1790 this book challenges scholarly presentations of Frank that depict him as a sex crazed degenerate and presents Frank as an original and prescient figure at the crossroads of tradition and modernity reason and magic Kabbalah and Western Esotericism Frank's worldview combines a skeptical rejection of religious law as ineffectual and repressive with a supernatural esoteric myth of immortal beings material magic and worldly power With close readings of the theological and narrative passages of Frank's teachings Michaelson shows how the Frankist sect evolved from its Sabbatean roots and the infamous 1757 59 disputations before the Catholic Church into a Western Esoteric society based on alchemy secrecy and sexual liberation Sexual ritual apparently tightly limited and controlled by the sect was not a libertine bacchanal but an enactment of the messianic reality a corporealization of what would later become known as spirituality While Frank was undoubtedly a manipulative even abusive leader whose sect mostly disappeared from history Michaelson suggests that his ideology anticipated themes that would become predominant in the Haskalah Early Hasidism and even contemporary New Age Judaism In an inversion of traditional religious values Frank's antinomian theology held personal flourishing to be a religious virtue affirmed only the material and transferred messianic eros into social sexual and political reality      **The Crystal Mirror of Philosophical Systems**

Blo-bzang-chos-kyi-nyi-ma (Thu'u-bkwan III), 2009-04 The Crystal Mirror of Philosophical Systems by Thuken Losang Choskyi Nyima 1737 1802 is probably the widest ranging account of religious philosophies ever written in pre modern Tibet Thuken was a cosmopolitan Buddhist monk from Amdo Mongol by heritage Tibetan in education and equally comfortable in a central Tibetan monastery or at the imperial court in Beijing Like most texts on philosophical systems his Crystal Mirror covers the

major schools of India both non Buddhist and Buddhist but then goes on to discuss in detail the entire range of Tibetan traditions as well with separate chapters on the Nyingma Kadam Kagy Shij Sakya Jonang Geluk and B n Not resting there Thukten goes on to describe the major traditions of China Confucian Daoist and Buddhist as well as those of Mongolia Khotan and Shambhala The Crystal Mirror is unusual too in its concern not just to describe and analyze doctrines but to trace the historical development of the various traditions All this makes the Crystal Mirror an eloquent erudite and informative textbook on the religious history and philosophical systems of an array of Asian cultures and provides evidence that serious and sympathetic study of the history of religions has not been a monopoly of Western scholarship *Mountain Dharma* David M. DiValerio, 2025-09-23 An emphasis on practicing meditation in yearslong retreats whether in a cave or a cloister alone or with a small number of peers has been a defining feature of Tibetan Buddhism throughout its entire history Although the life stories and writings of the Himalaya s most famous hermits are well known the history of this tradition and the details of its practice have largely remained a mystery A groundbreaking exploration of individual long term meditative retreat in Tibetan Buddhism *Mountain Dharma* tracks developments in ascetic discourse and practice from the twelfth century to the twentieth David M DiValerio provides a comprehensive reading of texts that offer instruction on the eremitic endeavor comparing how dozens of authors have treated six key orienting concerns place people food sources of danger the spiritual lineage and time The book traces a genealogy of the Tibetan ascetic self demonstrating an increasing tendency to adopt practices that contrast the meditator with earlier generations of enlightened masters defining the latter day retreatant as a being in time By viewing instructions for how to live in retreat as technologies of self this book sheds new light on how the history of this tradition has been driven by evolving notions of personhood Methodologically innovative and richly sourced *Mountain Dharma* sets a new standard for the historical study of asceticism **The Cambridge History of China** Denis Crispin Twitchett, John King Fairbank, 1978 International scholars and sinologists discuss culture economic growth social change political processes and foreign influences in China since the earliest pre dynastic period **The Holy Madmen of Tibet** David M. DiValerio, 2015 Throughout the past millennium certain Tibetan Buddhist yogins have taken on profoundly norm overturning modes of dress and behavior including draping themselves in human remains consuming filth provoking others to violence and even performing sacrilege They became known far and wide as madmen smyon pa pronounced ny npa achieving a degree of saintliness in the process This book offers the first comprehensive study of Tibet s holy madmen drawing on their biographies and writings as well as tantric commentaries later histories oral traditions and more Much of *The Holy Madmen of Tibet* is dedicated to examining the lives and legacies of the three most famous holy madmen who were all of the Kagy sect the Madman of Tsang author of *The Life of Milarepa* the Madman of and Drukpa K nl Madman of the Drukpa Kagy Each born in the 1450s they rose to prominence during a period of civil war and of great shifts in Tibet s religious culture By focusing on literature written by and about the holy madmen and on the yogins relationships with their

public this book offers in depth looks at the narrative and social processes out of which sainthood arises and at the role biographical literature can play in the formation of sectarian identities By showing how understandings of the madmen have changed over time this study allows for new insights into current notions of crazy wisdom In the end the holy madmen are seen as self aware and purposeful individuals who were anything but insane

**Crazy for Wisdom** Stefan Larsson,2012-09-14 In his early twenties the Tibetan monk Sangy Gyaltsen 1452 1507 left his monastery to become a wandering tantric yogin As he moved from place to place seeking enlightenment beyond the bounds of monasticism his behavior became increasingly erratic While some were shocked or even angered by his actions others were drawn to him Tsangny n s followers described his transgressive behaviors as enlightened action rooted in authoritative Buddhist scripture Using biographical sources Stefan Larsson explores Sangy Gyaltsen s transformation into the charismatic Madman of Tsang Tsangny n Heruka Best known today as the author of the Life of Milarepa Tsangny n Heruka was one of the most influential mad yogins of Tibet His biography brings its reader face to face with an unexpected aspect of Buddhist practice that flourished in fifteenth century Tibet

**Holy Madness** Georg Feuerstein,2013-10-09 This book traces the shadowy tradition of holy madness crazy wisdom from the Holy Fools of early Christianity through the great adepts of India and Tibet up to the controversial gurus of today In our day when even the Dalai Lama has warned Western seekers to choose their teachers carefully Feuerstein provides an intelligent and cautionary guidebook to the guru disciple relationship plus a comprehensive analysis of the principles of authentic spirituality
