two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God s truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into there every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces

Answers from Heaven Vernetta Gensch Sampson,2009-08 This book Answers From Heaven is about a relationship with God on a one to one basis It is clearly akin to a happy marriage relationship where two separate individuals dearly love each other and involve the other person in all their plans The contents are a collection of testimonies of answered prayer that I have received throughout my lifetime The burden of my heart is that others learn to recognize the voice of the Lord It is so important to know His voice that when He imparts His purposes for our lives we learn to recognize them and can be obedient

to obey His will for our reason for being alive *I'm a good girl, why me?* Alicia Keys,2011-01-21 She grew up sooner than she was supposed to having seen the world in a way that little girls are not supposed to In fifth grade she lost her virginity to her first love At thirteen she got pregnant with the same guy which caused their relationship to fall short She was later labeled as the black sheep and had her self esteem slowly broken into pieces But all these deplorable experiences she went through while growing up only served as the foretelling of the even bigger challenges that awaited her in the future Yet amid her journey through a seemingly dark alley God gave her an awesome gift and she found a way to muster her courage and live life in search for the love that she truly deserved Written in a lighthearted tone and in a witty and humorous manner *I m a Good Girl Why Me* chronicles Keys story of survival It inspires readers with its testimony of hope resilience courage and victory It unfolds how one woman trekked through an incredible journey of pain and how she eventually found her happy ending with the promise of a new love Visits to Heaven and Back: Are They Real?
