Dizzy And Jimmy My Life With James Dean A Love Story:

Dizzy & Jimmy Liz Sheridan, 2001 The memoir of the passionate yet ill fated romance between actor James Dean and actress Liz Sheridan James Dean Transfigured Claudia Springer, 2013-05-17 After the death of James Dean in 1955 the figure of the teen rebel permeated the globe and its presence is still felt in the twenty first century Rebel iconography which does not have to resemble James Dean himself but merely incorporates his disaffected attitude has become an advertising mainstay used to sell an array of merchandise and messages Despite being overused in advertisements it still has the power to surprise when used by authors and filmmakers in innovative and provocative ways The rebel figure has mass appeal precisely because of its ambiguities it can mean anything to anyone The global appropriation of rebel iconography has invested it with fresh meanings Author Claudia Springer succeeds here in analyzing both ends of the spectrum the rebel icon as a tool in upholding capitalism's cycle of consumption and as a challenge to that cycle and its accompanying beliefs In this groundbreaking study of rebel iconography in international popular culture Springer studies a variety of texts from the United States and abroad that use this imagery in contrasting and thought provoking ways Using a cultural studies approach she analyzes films fiction poems Web sites and advertisements to determine the extent to which the icon's adaptations have been effective as a response to the actual social problems affecting contemporary adolescents around the world The Original Method Actors Charles River Editors, 2025-05-01 It would be no exaggeration to say that James Dean has been more mythologized than any other actor in history a development due more to his off screen personality and conduct than the films he actually starred in Much of Dean's appeal derives from his humble and ordinary origins and audiences are drawn to the romance of the Indiana farm boy who catapulted to the top of the motion picture industry in a single year the same year that would see him die Of course James Dean remains well known for being anything but humble and ordinary As famous as his films are Dean's story is inextricably tied to his love for racing cars and his death in a high speed car crash And though Dean was already wildly famous at the time of his death there is no question that his death only enhanced his fame One study found evidence of a James Dean effect which concluded that a star's popularity benefits if the star dies young instead of living longer and losing luster By dying young Dean actually ensured that his name would remain famous and his appeal has transcended generations Marlon Brando Few names in the acting profession evoke such a strong almost visceral reaction Over the course of his long prolific career he was considered perhaps the greatest actor of the 20th century as well as one of the most complicated and misunderstood Uniquely able to be both emotionally charged and technically constrained in the same performance he single handedly changed the direction of not only the American style of acting influencing successors such as Robert De Niro Al Pacino and even Johnny Depp but the acting profession on a global scale His iconic interpretations of characters such as Stanley Kowalski A Streetcar Named Desire Terry Malloy On the Waterfront and Vito Corleone The Godfather have been forever burned into the collective memory of film and theatre aficionados scholars and critics for their

immense passion rage love defiance vulnerability cruelty and tenderness basically the full spectrum of the human condition With several Oscars and Golden Globes to his name Brando's contributions remain the gold standard of the acting craft and the American Film Institute has listed him as the 4th greatest screen legend in history Brando was one of his generation's sex idols its most versatile actors and a political activist but who was the person behind the legend What propelled a young man from the Midwest to become such a powerful capricious and dominating force in the acting arena How was he able to penetrate the human condition replete with all its multilayered emotional baggage and convey its strengths weaknesses and delicate nuances so successfully often while plagued by his own personal tragedies and demons In Edward Montgomery Clift the public not only discovered an unusually gifted actor but a persistent and stoical anti authoritarian an extreme non conformist in a conformist age and a personal enigma who has remained the target of prying Hollywood reporting since his death Described as the first method actor in Hollywood he was to co create and develop this lonely unwilling and uncertain American hero filled with deep personal ambiguities a conflicting will vulnerable and sensitive In his eventual arrival to Hollywood following a lengthy period of resistance he not only embodied this new male model but inspired the next generation of fascinating characters who didn't fit in such as friends Marlon Brando and James Dean He added to this screen persona a sexual dualism that while not apparent on the surface changed the way leading men were perceived by the late 1940s A first rate stage actor Clift approached Hollywood on his own terms and permanently upset the ruling order of the studio to star system in which long term contracts guaranteed corporate ownership of the artist

The Hollywood Book of Breakups James Robert Parish,2010-12-20 Half of all marriages end in divorce and then there are the really unhappy ones Joan Rivers Do you suppose that the person who first said Life is stranger than fiction might have had Hollywood marriages in mind Why watch a romantic film starring a leading man and a leading lady when their real life romances are so much more interesting It seems that a celebrity's latest film can have a considerably longer life span in the theater than his or her marriage du jour One would almost think that Tinseltown has come to embrace divorce as an accepted pastime Some celebrities have seemingly collected spouses over the years systematically adding notches in their belts of divorces Cases in point Zsa Zsa Gabor nine Lana Turner eight Elizabeth Taylor nine and Mickey Rooney eight This list appears to make Jennifer Lopez a mere novice with only three marriages two divorces and one terminated engagement to date In *The Hollywood Book of Breakups* James Robert Parish looks at scores of hot Hollywood romances that eventually fell apart From the decade long union of Tom Cruise and Nicole Kidman to the just for show nuptials of Rock Hudson and Phyllis Gates to the four and a half year marriage of Brad Pitt and Jennifer Aniston to the other woman divorce of Debbie Reynolds and Eddie Fisher Parish

covers it all from the burning embers to the fizzling fires of Hollywood breakups You couldn't make this stuff up and James Robert Parish doesn't need to Hollywood writes its own drama when it comes to scandalous breakups Giant Love Julie Gilbert, 2024-12-03 A book that explores the great American novelist and playwright Edna Ferber winner of the Pulitzer Prize for Fiction whose work was made into many Academy Award winning movies the writing of her controversial international best selling novel about Texas and the making of George Stevens Academy Award winning epic film of the same name *Giant* The stupendous publication of Edna Ferber's *Giant* in 1952 set off a storm of protest over the novel's portrayal of Texas manners money and mores with oil rich Texans threatening to shoot lynch or ban Ferber from ever entering the state again In *Giant Love* Julie Gilbert writes of the internationally best selling Ferber one of the most widely read writers in the first half of the 20th Century her evolution from mid west maverick girl reporter to Pulitzer Prize winning beloved American novelist from her want to be actress days to becoming Broadway's acclaimed prize winning playwright whose collaborators George S Kauffman and Moss Hart among them were along with Ferber herself the most successful playwrights of their time Here is the making of an American classic novel and the film that followed in its wake We see how George Stevens Academy Award winning director wooed the prickly stubborn Ferber ultimately getting her to agree to everything including writing for the first time ever a draft of a screenplay to her okaying James Dean for the part of the ranch hand Jett Rink something she was dead set against Here is the casting of Elizabeth Taylor Rock Hudson James Dean and their backstory triangle of sex and seduction each becoming a huge star because of the film the frustrated Stevens trying to direct the instinctive but undisciplined Dean and the months long landmark filming in the sleepy town of Marfa Texas suddenly invaded by a battalion of a film crew and some of the biggest stars in the rising celebrity culture *Seinfeld Secrets* Dennis Bjorklund, 2023-10-02 *Seinfeld Secrets* 1500 Fun Facts About the Show is written by an authoritative expert who penned the most comprehensive reference book ever written on the series *Seinfeld Reference The Complete Encyclopedia* The follow up effort *Seinfeld Fun Facts* is the best source for insider facts and never before revealed tidbits about the sitcom once voted the Greatest TV Series of All Time by TV Guide This type of thoroughness cannot be found anywhere else in the entire *Seinfeld Universe* The first section provides insider information about the creators cast regulars supporting actors and guest actors as well as cast stand ins crew members show extras and even famous actors who auditioned for roles in the immensely popular show The second section discusses little known facts about the series including behind the scenes activities casting directing writing and so much more The final section recounts numerous secrets behind the making of *Seinfeld* Every episode has a history and many contain a few skeletons in the closet The little known facts encompass an episode summary plot creation when personal experience influenced a show ad libbed lines how scenes developed and evolved when actors impacted the creative process and even the lost episode that was written and rehearsed but never filmed There are over 1600 fun facts about the show that are sure to amaze and mystify the most inquisitive *Seinfeld* fan *Seinfeld Secrets* is an essential book for every fan of the show

Jimmy Jason Colavito,2024-11-19 A fresh and long overdue reassessment of James Dean examining his life and legacy as a queer man Although he died at a heartbreakingly young age and appeared in only a handful of movies James Dean revolutionized American manhood As a celebrity and icon he melded vulnerability with determination sensitivity with strength in a way that offered a bracing and for some threatening new vision of masculinity His massive influence and the fascination he has always inspired are inseparable from his identity as a queer man whose complex sexuality shattered the norms of midcentury American society When asked whether he was a homosexual he reportedly said I m certainly not going through life with one hand tied behind my back Today even though it is widely accepted that Dean was gay or bisexual the story of his life and personal character continue to be colored by the prejudices of an earlier era and the work of often unscrupulous biographers and journalists Drawing on exhaustive new research including more than four hundred previously

secret pages of Dean's personal and business records Jimmy The Secret Life of James Dean is a revelatory reassessment of the man and his legacy Free from sensationalism but unafraid to confront the difficult facts of Dean's life it deploys modern insights into sexual diversity to transform our understanding of James Dean's story and the stories of boys and men like him

Male Beauty Kenneth Krauss,2014-05-01 Explores how a younger and more sensitive form of masculinity emerged in the United States after World War II In the decades that followed World War II Americans searched for and often found signs of a new masculinity that was younger sensitive and sexually ambivalent Male Beauty examines the theater film and magazines of the time in order to illuminate how each one put forward a version of male gendering that deliberately contrasted and often clashed with previous constructs This new postwar masculinity was in large part a product of the war itself The need to include those males who fought the war as men many of whom were far younger than what traditional male gender definitions would accept as manly extended the range of what could and should be thought of as masculine Kenneth Krauss adds to this analysis one of the first in depth examinations of how males who were sexually attracted to other males discovered this emerging concept of manliness via physique magazines James Dean: The Mutant King David

Dalton,2001-09-01 This is the book that restarted the James Dean cult by celebrating him as the cool defiant visionary of pop culture who made adolescence seem heroic instead of awkward and who defined the style of rock n roll's politics of delinquency The only book to fully show how deliberately and carefully Dean crafted his own image and performances and the product of still unequalled research vivid writing intimate photographs and profound meditation James Dean The Mutant King has become almost as legendary as its subject **Book Review Digest** ,2002 **Forthcoming Books** Rose

Army,2000 **Seinfeld FAQ** Nicholas Nigro,2015-06-01 Is it a show about nothing or one of the greatest TV series of all time It's both of course Seinfeld's impact on popular culture was so profound that it continues to this day years after it left prime time thanks to its inimitable characters Newman Bubble Boy its wacky memorable plots who can forget The Contest or The Puffy Shirt and the many catchphrases we use regularly not that there's anything wrong with that Seinfeld FAQ is the first ever comprehensive guide to the sitcom tracing its path from modest beginnings to water cooler show status and to its infamous love it or hate it finale This humor filled reference tells all about Jerry Elaine George and Kramer as well as the other unforgettable characters in their world It features season by season episode reviews and a wealth of fun facts about everything from the characters inevitably doomed relationships to their food obsessions and fashion sense or lack thereof as well as profiles of actors and other notables Broad in scope and yet obsessed with detail like the show itself this FAQ is essential reading for anyone who wants to be master of the Seinfeld domain **Off Broadway Musicals, 1910-2007** Dan Dietz,2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to

more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer Library Journal ,2000 The Library Journal ,2000 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately TV Guide ,2000 *American Book Publishing Record* ,2001 The Publishers Weekly ,2000
